### Reading crash course in xslt pdf pdf:The Mystery of the Missing Diamond

It was a shadowy and tempestuous night. The drizzle was pouring down, and the wind was howling. In the heart of the metropolis, there was a exhibition, where a invaluable diamond was on display. The diamond was named the Star of Africa, and it was the greatest and most stunning diamond in the earth. It was protected by a advanced security system, and a team of equipped guards. No one could rob it, or so they believed. But an individual did. Someone succeeded to get around the safeguard, to elude the guards, to shatter the window, and to steal the diamond. And no one observed them, no one listened to them, no one recognized who they were. They departed from no sign, no lead, no evidence. They vanished into the night, with the Star of Africa. And the riddle of the lost diamond commenced.
