Cases and Materials on Criminal Law 2003 Joshua Dressler Premised on the belief that criminal law is an exciting subject to learn and teach, this popular casebook provides a balanced and creative overview of classic and modern criminal law cases and issues while covering both common law foundations and modern statutory reform, including the Model Penal Code. The casebook invites classroom consideration of many controversies in the field (e.g., rape law, race-based jury nullification, Internet crime, and anti-stalking legislation) and defenses (e.g., battered women's self-defense). Using imaginative examples from literature and music to illustrate criminal law issues (e.g., examining insanity with Edgar Allen Poe's The Tell-Tale Heart and homicide with Willa Cather's O Pioneers!), the casebook allows law students to confront some of the Big Questions with which philosophers, theologians, scientists, poets, and lawyers have grappled for centuries.

Introduction to Law 2017-08-07 Jaap Hage This book is exceptional in the sense that it provides an introduction to law in general rather than the law of one specific jurisdiction, and it presents a unique way of looking at legal education. It is crucial for lawyers to be aware of the different ways in which societal problems can be solved and to be able to discuss the advantages and disadvantages of different legal solutions. In this respect, being a lawyer involves being able to reason like a lawyer, even more than having detailed knowledge of particular sets of rules. Introduction to Law reflects this view by focusing on the functions of rules and on ways of arguing the relative qualities of alternative legal solutions. Where 'positive' law is discussed, the emphasis is on the legal questions that must be addressed by a field of law and on the different solutions which have been adopted by, for instance, the common law and civil law tradition. The law of specific jurisdictions is discussed to illustrate possible answers to questions such as when the existence of a valid contract is assumed.

Model Rules of Professional Conduct 2007 American Bar Association. House of Delegates The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Fundamentals of Criminal Law 2022-04-14 Daniel E. Hall Fundamentals of Criminal Law: Caught in the Act offers an accessible, comprehensive and contemporary survey of the field. With a focus on the current state of the law and on contemporary problems that matter to students, all presented in way that piques curiosity and interest, this book will cover topics such as hate crime, free speech, human trafficking, firearms possession and use, self-defense, cybercrime, and Internet stalking. Author Daniel E. Hall has written engaging content to help students think critically about how criminal acts are defined, defended, and determined. Built around a conversational narrative, the concepts and optional case studies connect to real life. There is also a clear emphasis on cases and examples that are relevant to criminal justice majors and future practitioners, such as litigation against police and correctional officers, terrorism, the death penalty, corporal punishment in prisons, etc.

Land Law 1995 Nigel P. Gravells Land Law: Texts and Materials fulfills the roles of both land law textbook and land law case studies and materials book. It enables readers to examine topics in some depth, while reducing the need to refer to more than one information source. Land law is a subject dominated by the need for original source materials. This title helps by reproducing key statutes and cases. To help readers develop an understanding of the materials, and to set them in their full context, each important legal issue is clearly explained and critically analysed with a discussion of possible defects in the law and proposals for reform. The content and structure of the book reflects that of most undergraduate land law courses, so it is ideal for the busy student wishing to gain a detailed understanding of the subject matter of his or her lecture course.

the chapter's topic systematically. Each chapter begins with several sections that discuss the applicable law, followed by a separate section that discusses the Model Penal Code's approach to the topic. This is then followed by a "Comparative Perspectives" section that encourages students to think about alternative ways of approaching the topic. The richness of the comparative materials used in the casebook is unmatched by its competitors, as many of the materials have been translated by the author. Finally, each chapter ends with a section titled "Scholarly Debates" that introduces the student to some of the philosophical discussions related to the topic.

Complete Tort Law 2008 S. I. Strong Complete Tort Law: Text, Cases, & Materials combines extracts from a wide range of primary materials with clear explanatory text and practical learning features to provide a complete resource for students of tort law. While the text covers the key historical cases, the focus overall is on recent case examples which helps to bring the subject to life and gives it contemporary relevance for modern law students. The extracts from primary materials have been carefully selected to ensure they are long enough to give sufficient detail to illustrate the point of law being discussed, but succinct enough so as not to be overwhelming and to be accessible for students who are studying the subject for the first time. The explanatory text is written in a clear and straightforward style, which clarifies the key concepts in an interesting and engaging way and allows the student to understand the fundamental points of this important area of law. The book contains a wealth of features such as summaries, key points, hint boxes, and questions, which provide plenty of learning support for students. Key concepts are highlighted for emphasis, cross-references and comparisons are pointed out to link the various elements of tort law, and the questions encourage students to check their understanding as they learn. They use online materials and study aids to supplement class-assigned materials and to "hack" the law. This textbook cuts out the middle person by integrating challenging principal cases that are aggressively edited into an engaging overview of the black letter law. The explanatory sections describe the law through lively language and colorful examples that students can readily grasp and remember. Providing students with a clear doctrinal overview permits the selection of cases that drill down deeper into fundamental or cutting-edge issues. Many of the principal cases put the old wine of the criminal law into new bottles that students will find meaningful and interesting. In addition to homicide, rape, assault, traditional property crimes and drug offenses, the cases selected include environmental and white collar crime, obstruction of justice, criminal copyright infringement, hate crimes, sex trafficking, online threats, revenge porn and computer crimes. Short discussion questions follow each case that stimulate understanding of the holding and the deeper issues at stake. Additional materials raise important critical perspectives dealing with issues of race, class and gender. Practice problems and links to online video clips allow students to apply what they are learning, and the appendix contains numerous materials for engaging lawyering exercises.

Criminal Law and Procedure 2013 Donald A. Dripps This casebook provides the most comprehensive treatment available, including the theoretical foundations, the common-law origins, the statutory structure, and the procedural context of modern criminal law. The book concentrates on doctrinal materials that can support both rigorous technical and sophisticated theoretical discussions. The purposes and limits of punishment are addressed through Supreme Court decisions, a focus on statutes throughout the substantive law sections enables training students in the legal art of statutory interpretation as well as exposing them to the hard moral and political problems of legislative choice, and

the sentencing materials reprise the theory of punishment in the context of the practically most important stage of the modern process. The 12th edition carries forward the comprehensive approach of prior editions, empowering the teacher to design a course suited to the needs of the teacher's students and teacher's institution. New Supreme Court's decisions, changing the landscape of both substance and procedure, include *Skilling v. United States*, *McDonald v. City of Chicago*, *Graham v. Florida*, *United States v. Jones*, and *Michigan v. Bryant*. The material on self-defense has been comprehensively revised, both for the sake of clarity and to include discussion of so-called "stand your ground laws." Statutes (e.g., the New York and California homicide statutes) and the caselaw (e.g., up-to-the-minute material on "willful blindness") have been updated. We also now include a case about the admissibility of neuro-imaging evidence to support a diminished-capacity defense, thus acknowledging how modern brain science has begun to raise both practical evidentiary issues and a substantial challenge to important theoretical premises of the criminal law.

Tort Law 2017 Mark Lunney The sixth edition of this market-leading tort law text provides a complete, authoritative guide to the subject. It combines clear overviews of the law with extracts from cases and materials supported by insightful commentary.
