It had been the year 23, and the world was at the verge of conflict. The U.S. and China, the two world powers, were entangled in a intense competition, competing for assets, dominance, and supremacy. They had created sophisticated weapons, such as lasers, unmanned aerial vehicles, and spacecrafts, that can strike any location, anytime. They had also secretly established space stations, which can launch atomic

weapons, that could annihilate the planet. They were both set to use these weapons, if ever necessary. But they were not the sole ones. There was a 3rd force, a concealed entity, that had watching them, waiting patiently for them, preparing for them. They were aliens, and they had come arrived to halt them. They had come to save the world, or to finish it all. They had come to begin the galactic wars that changed chronicle.
