The book “Analyzing Casual Conversation” by Suzanne Eggins and Diana Slade, first released in 1997, develops a systematic model for the examination and depiction of casual conversation in English. The authors argue that notwithstanding its sometimes aimless look and seemingly unstructured content, casual conversation is a very structured undertaking and has a vital function in the social construction of reality. The book works through real samples of casual conversations entailing participants diverging in age, gender, ethnicity, and socio-economic class¹². Deriving on understandings from sociology, linguistics, and critical semiotics, the book provides readers with the analytical skills to portray the layers of structure and critical interpretive models to explain the ‘social work’ that goes on through chat.
