The book “Analyzing Casual Conversation” by Suzanne Eggins and Diana Slade, originally published in 1997, creates a systematic model for the analysis and portrayal of casual conversation in English. The scholars assert that in spite of its at times aimless appearance and ostensibly unstructured material, casual conversation is a highly structured undertaking and plays a crucial part in the social construction of reality. The work goes through genuine instances of casual conversations including participants varying in age, gender, ethnicity, and socio-economic class¹². Deriving on understandings from sociology, linguistics, and critical semiotics, the publication provides readers with the analytical skills to portray the levels of structure and critical interpretive models to clarify the ‘social work’ that occurs on through chat.
