The book "Analyzing Casual Conversation" by Suzanne Eggins and Diana Slade, originally issued in 1997, establishes a organized model for the analysis and portrayal of casual conversation in English. The writers assert that despite its at times aimless seeming and ostensibly unstructured material, casual conversation is a very structured activity and performs a vital part in the social building of reality. The publication works through real instances of casual conversations involving participants differing in age, gender, ethnicity, and socio-economic class¹². Deriving on insights from sociology, linguistics, and critical semiotics, the work provides readers with the analytic skills to depict the levels of structure and critical interpretive models to explain the 'social work' that goes on through chat.
