Star Wars that Altered Past

It had been the year 2023, and the world stood on the brink of conflict. The USA and Peoples Republic of China, the two superpowers, were engaged in a ferocious competition, contending for supplies, power, and supremacy. They had both engineered sophisticated armaments, including lasers, drones, and spacecrafts, that can strike anywhere, any moment. They had also clandestinely established space stations, that could fire atomic weapons, which could destroy the world. They were set to use them, if necessary. But they were not the only ones. There existed a 3rd entity, a concealed entity, that had watching them both, waiting patiently for them, preparing for them. They were aliens, and they had arrived to halt them both. They had come arrived to save the world, or to terminate it. They had arrived to initiate the galactic wars which altered past.
