He had no zeal, no purpose, no meaning. He believed like he was squandering his time, his potential, his existence. He wished to change, he wished to run away, he wished to survive. He decided to quit his job, to end things with his significant other, to dispose of his possessions, and to purchase a direct fare to the other side of the globe. He didn't understand where he was proceeding, he didn't understand what he was carrying out, he didn't realize what he was looking for. He only realized that he had to go, that he had to explore, that he had to discover. He started on a voyage of a thousand kilometers, a trip of thrill, of challenge, of learning, of growth, of transformation.
