Star Wars which Transformed History

It was the time 23, and the earth was on the edge of conflict. The United States and China, the two world powers, had been engaged in a fierce rivalry, competing for resources, dominance, and control. They had developed high-tech weapons, such as lasers, unmanned aerial vehicles, and spacecrafts, which can attack anywhere, any moment. They had also secretly constructed orbital stations, that can fire nuclear missiles, that can annihilate the planet. They were both set to use them, if at all necessary. But they were alone. There was a 3rd force, a concealed power, which had monitoring them both, waiting for them, preparing for them both. They were ETs, and they had arrived to halt them. They had come arrived to rescue the globe, or to terminate it all. They had arrived to start the space wars that transformed past.

The work "Analyzing Casual Conversation" by Suzanne Eggins and Diana Slade, originally published in 1997, develops a systematic model for the analysis and depiction of casual conversation in English. The authors contend that notwithstanding its sometimes aimless appearance and apparently unstructured substance, casual conversation is a highly structured activity and has a crucial function in the social formation of reality. The work works through real examples of casual conversations including participants diverging in age, gender, ethnicity, and socio-economic class¹². Pulling on insights from sociology, linguistics, and critical semiotics, the work equips readers with the examinative skills to depict the strata of structure and critical interpretive models to elucidate the 'social work' that happens on through chat.

Galactic Conflicts that Altered Past

It had been the time 23, and the world was on the brink of conflict. The United States and Peoples Republic of China, the pair of global powers, were locked in a intense competition, vying for resources, dominance, and control. They had both developed advanced arms, such as lasers, unmanned aerial vehicles, and orbiters, that could attack any location, anytime. They had secretly built space stations, which can fire nuclear missiles, that could obliterate the planet. They were both ready to use these weapons, if at all necessary. But they were not the sole ones. There existed a third entity, a secret power, that had been watching them both, waiting for them both, preparing for them both. They were the extraterrestrials, and they had come come to halt them both. They had come arrived to rescue the globe, or to end it all. They had arrived to initiate the star wars which altered history.
