

To Professor With Love Forbidden Men 2 Linda Kage Pdf Pdf

An Instant New York Times Bestseller A #1 LibraryReads and Indie Next Pick!

To Professor, with Love Linda Kage Junior in college. Star athlete. Constant attention from the opposite sex. On this campus, I'm worshiped. While seven hundred miles away, back in my hometown, I'm still trailer park trash, child of the town tramp, and older sibling to three kids who are counting on me to keep my shit together so I can take them away from the same crappy life I grew up in. These two opposing sides of myself never mix until one person gets a glimpse of the true me. I never expected to connect with anyone like this or want more beyond one night. This may be the real deal. Problem is Dr. Kavanagh's my literature professor. If I start anything with a teacher and we're caught together, I might as well kiss my entire future goodbye, as well as my family's and especially Dr. Kavanagh's. Except sometimes love is worth risking everything. Or at least, it damn well better be, because I can only resist so much.-N. G.--Provided by publisher.

Be My Hero 1901 Linda Kage Once upon a time, there was this pampered rich girl who was kind of full of herself. She really only cared about appearances and hiding all her dark, ugly secrets under the guise of an opinionated snob. But then Eva Mercer got pregnant, shot by a psycho, and kicked out of the only home she knew. Now she's broke, unemployed, and has to start anew with a newborn to raise. But how? On the other side of town, sexy, tattooed orphan, Patrick Ryan, can't get a break. He's out on parole for defending the last damsel in distress while trying to help her support her child, but all he wants is to find his one true love. He knows this woman by scent, smile, and laugh, but he's never actually met her. He doesn't even know her name. He just knows she's the key to fixing everything. One kind of hero can save you from physical harm. Another can rescue you from a different kind of doom. To reach their dreams, Eva and Pick can save each other. But first, they must open their hearts and learn how to trust.

Price of a Kiss Linda Kage I don't care what my cousin says; I am not the queen of impossible relationships. I mean, just because my last boyfriend tried to kill me and left a bit of a scar on my neck, then forced me to move across the country and legally change my name to Reese Randall to escape him, does not mean- Oh, who am I kidding? For a freshman in college, I have to have the worst dating track record ever. It's no wonder love is the last thing on my mind when Mason Lowe enters my life. But the chemistry between us is like bam! Our connection defies logic. And he's just so freaking hot. Being around him makes me feel more alive than I've ever felt before. I even like bickering with him. He could be my soul mate...except for one teeny tiny glitch. He's a gigolo. Boy, do I know how to pick them.

With Every Heartbeat 2019-12-17 Linda Kage I used to think everything was black and white, truth or lie, easy or hard, that if I could just escape my strict, overbearing, abusive father, my life would be perfect. But since I've found a reason to risk his wrath and leave, to help a friend in need, I've come to realize everything I thought I knew is wrong. Friends have their own agenda, honesty comes with a dosage of lie, easy doesn't even exist, keeping secrets sucks, and love...love is the most painful thing of all. Maybe if Quinn Hamilton hadn't asked me to skip classes for the day and help him pick out an engagement ring for my best friend, I wouldn't have fallen for him so completely on that sunny Tuesday afternoon and I wouldn't feel so conflicted. But I did, and I can't take it back, no matter how hard I try. So I have to deal with the fact that even I'm not as good, or honest, or caring as I'd always thought I was, and no matter what I do next, someone's going to get hurt. Probably me. -Zoey Blakeland

A Perfect Ten 2019-12-17 Linda Kage Let your hair down, Caroline, they said. It'll be fun, they said. I know I've closed myself off in a major way in the past year, ever since "the incident" where I messed up my life completely. It's past time I try to live again or just give up completely. But this is quite possibly the craziest thing I've ever done. In a last ditch effort to invigorate myself, I'm standing outside Oren Tenning's bedroom, I just peeled off the sexiest pair of underwear I own, and my hand is already raised to knock. My brother would disown me for doing anything with his best friend, and he'd probably kill Oren. But if I play my cards right, no one will ever know about this. Not even Ten. Maybe after tonight, I'll finally get over this stupid, irrational crush I hate having on the biggest jerk I've ever met. Or maybe I'll just end up falling for him even harder. Maybe I'll discover there's so much more to my crude, carefree hunk than meets the eye.

Consolation Prize 2019-12-17 Linda Kage Don't you just hate it when someone destroys all your carefully made plans? I mean, I had goals: college to graduate in one semester, a future I was working hard to reach, and an image of myself I wanted the world to see. My life was stacked into these precisely placed blocks. But then Colton Gamble came along and knocked them all askew. I hated how he messed everything up, how he could hog all my attention whenever he was around, how he made my pulse quicken—but only because he ticked me off...not because I was attracted to him. Oh! And I hated how he knew how attractive he was too, the shallow, full of himself, doesn't take no for an answer, too flirty, too cocky, extremely irritating jerk. The boy had all the qualities that turned me off. Or so I thought. One night he wasn't quite the brainless, overconfident jerk I assumed he always was. One night, he took care of me when I was at my lowest. He opened up to me and made me open up to him. Now I'm learning maybe he's not what I first thought he was. And maybe I'M not what I first thought I was. Maybe it's okay to rearrange a couple of my perfectly set blocks. Maybe, just maybe, I'll stop worrying about what I'm afraid everyone else will think and finally reach for something I really want. It's possible some of my plans need to be destroyed, and Colton Gamble is exactly the kind of mess I need in my life. What do you think? Should I give him a try? Desperately seeking your advice, Julianna Radcliffe

Priceless 2019-12-17 Linda Kage Three things in my life were fact. I needed Sarah to survive. I needed sex to remain sane. And I could never mix sex with Sarah. I just knew—deep in my marrow—that if I did, I'd somehow lose her. All my deepest darkest secrets would crack open, bleed out, and ruin everything between us. I wouldn't unleash the shit inside me on my worst enemy, let alone her. So she stayed strictly in the friend zone. People probably thought I never went there with her because of her cerebral palsy, but f*ck them. She knew she was the most important person in my world, and I wasn't about to risk hurting our relationship just to make my c*ck happy. Until the moment she begged me to take her virginity. Now it's all about to hit the fan, because how the hell do you resist the one person forbidden to you when she says please? --Brandt Gamble

Forbidden Love 2017-01-12 Evan Grace Violet Carmichael knew her second year of college would be tough, but nothing could have prepared her for what was about to happen... Violet's goal is clear-to finish college and work alongside her father and uncle at their family business-but she has one major problem. The dreaded Professor Torres, head of the Architectural Department at Tulane, has a reputation as one of the toughest teachers on campus. Violet has heard more than once that he can be a downright jerk, but she's determined to not let him get in her way. He might be a successful professor, but his personal life is nothing short of a mess... Diego Torres has the worst track record when it comes to women-which is why when he first lays eyes on his new student, he assumes she's like all the other superficial Barbie dolls he's always been attracted to. But it only takes a few encounters for him to realize he couldn't have been more wrong, and the more time he spends with Violet, the more he desires her in a way no professor should desire a student. Sometimes it's impossible to walk away, even when there's so much at stake... After desperately trying avoid crossing that thin ethical line, Diego and Violet are no longer able to deny the sexual tension between them and risk everything, falling into an all-consuming, passionate relationship. But when outsiders threaten to destroy it all, Diego has no choice but to make a life-altering decision for himself and the woman he is forbidden to love. As lines between student and professor begin to blur, the consequences might end up destroying them both...

The Handmaid's Tale 2010-12-10 Margaret Atwood An instant classic and eerily prescient cultural phenomenon, from “the patron saint of feminist dystopian fiction”

(New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate “Handmaids” under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred’ s persistent memories of life in the “time before” and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood’s devastating irony, wit, and acute perceptive powers in full force, The Handmaid’s Tale is at once a mordant satire and a dire warning.

Professor Richter's Rules 2020-03-26 Jessa York Professor Jake Richter’s Rules for hookups: 1. Never date a student. 2. Never use my real name. 3. Never stay the night. After a hot, one night stand with Paige, I’m breaking all my rules. And now—as she sits in my lecture hall—I’m completely distracted by the memories of her writhing beneath me, moaning my name. This is going to be one hell of a long semester. Paige Flores’ rules for school: 1. Complete my degree in record time. 2. Don’t get distracted by anyone or anything. 3. Above all else, do not end up knocked up and alone—like my mother did. Finally giving up my V-card to the funny, hot, one night stand I met at the club last week was the best time I've ever had. But I have goals and dreams in my sights. The last thing I need is to be sidetracked by a hot guy. And now—as he stands at the front of the lecture hall as the professor for a class I'll do anything to pass—Professor Jake Richter has me breaking all my rules. PROFESSOR RICHTER’S RULES is a student/teacher romance, and the second book in the LEARNING TO LOVE SERIES. The first book in the series is Mr. Marshall's Method.

The Reader 2001-05-01 Bernhard Schlink Hailed for its coiled eroticism and the moral claims it makes upon the reader, this mesmerizing novel is a story of love and secrets, horror and compassion, unfolding against the haunted landscape of postwar Germany. When he falls ill on his way home from school, fifteen-year-old Michael Berg is rescued by Hanna, a woman twice his age. In time she becomes his lover—then she inexplicably disappears. When Michael next sees her, he is a young law student, and she is on trial for a hideous crime. As he watches her refuse to defend her innocence, Michael gradually realizes that Hanna may be guarding a secret she considers more shameful than murder.

House of Leaves 2000-03-07 Mark Z. Danielewski “A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious.” —The New York Times Years ago, when House of Leaves was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

And Tango Makes Three 2015-06-02 Justin Richardson The heartwarming true story of two penguins who create a nontraditional family. At the penguin house at the Central Park Zoo, two penguins named Roy and Silo were a little bit different from the others. But their desire for a family was the same. And with the help of a kindly zookeeper, Roy and Silo got the chance to welcome a baby penguin of their very own.

The Price of Mason 2018-11-30 Linda Kage I might've ruined any chance I ever had at a meaningful relationship when I decided to become a male prostitute at eighteen, but that was okay. I paid off my mom's debt, the rent, my sister's hospital bills. I put food on the table and kept eviction notices at bay. It was worth it. But was it worth the price of my soul? Two years later, this job has begun to kill me in every way but physically, until SHE comes along. Reese is the breath of fresh air I need. She makes me smile, she makes me laugh, she makes me want more. But how can we ever be together after all the choices I've made? Listing one mistake after another, these are my confessions and how we came through to the other side. *** The Forbidden Men series concludes with THE PRICE OF MASON by looping back to the beginning and retelling PRICE OF A KISS through his eyes. Just when you thought you knew everything, here's the rest of the story.

Insta-Family 2021-12-28 Linda Kage LUCY GAMBLE, KNOCKED UP BY DYING MAN SHE GAVE SYMPATHY SEX, NOW MOVING ON TO HIS BIG BROTHER. Have you ever tried to come up with a headline for your life? Well, mine's so cringeworthy I can't believe it's actually my story...or a hundred percent true. But honestly, how could I say no to the one-night-stand when he begged? Only a monster could deny someone their dying wish, right? I mean, okay, getting pregnant from the encounter was a regrettable, irresponsible mistake; I can fully admit that. Turning to his brother, however, was never part of the plan. Initially, I didn't even like the guy. Except Vaughn Merrill is a force to be reckoned with. He's determined to be an "involved" uncle, and no matter how much I tell him he doesn't have to be so helpful, he's just so freaking helpful. And gorgeous. Plus not at all the ass I assumed he was. Then there's this massive pain and grief and loneliness I see in his eyes. I just want to hug him constantly and give him the sense of family he so desperately needs. So really, can you blame me for falling for the one man I know I shouldn't?

The Girl's Got Secrets Linda Kage Here's the same old "girl posing as a boy" story but with a rock-n-roll twist. Remy Curran dreams of one day being in a band, except the group she wants to join refuses to hire a girl drummer. So, she auditions as a guy...and makes the cut. Becoming "Sticks," a member of Non-Castrato, isn't quite what she dreamed it would be, though. She spends most of her time keeping up the subterfuge and learning how to walk, talk, act, and drink like a man. But what's even harder to deal with is acting oblivious when the band's heartthrob lead singer, Asher Hart, treats her like one of the guys and not a woman. She never imagined he'd be so much more than a pretty face with a nice voice. But he's better than perfect. He's perfect for her. When love and lies combine, Remy must keep up the act or lose everything. But who knew lying to reach one dream could prevent you from attaining an even bigger dream?

Reading the Romance 2009-11-18 Janice A. Radway Originally published in 1984, Reading the Romance challenges popular (and often demeaning) myths about why romantic fiction, one of publishing's most lucrative categories, captivates millions of women readers. Among those who have disparaged romance reading are feminists, literary critics, and theorists of mass culture. They claim that romances enforce the woman reader's dependence on men and acceptance of the repressive ideology purveyed by popular culture. Radway questions such claims, arguing that critical attention "must shift from the text itself, taken in isolation, to the complex social event of reading." She examines that event, from the complicated business of publishing and distribution to the individual reader's engagement with the text. Radway's provocative approach combines reader-response criticism with anthropology and feminist psychology. Asking readers themselves to explore their reading motives, habits, and rewards, she conducted interviews in a midwestern town with forty-two romance readers whom she met through Dorothy Evans, a chain bookstore employee who has earned a reputation as an expert on romantic fiction. Evans defends her customers' choice of entertainment; reading romances, she tells Radway, is

no more harmful than watching sports on television. "We read books so we won't cry" is the poignant explanation one woman offers for her reading habit. Indeed, Radway found that while the women she studied devote themselves to nurturing their families, these wives and mothers receive insufficient devotion or nurturance in return. In romances the women find not only escape from the demanding and often tiresome routines of their lives but also a hero who supplies the tenderness and admiring attention that they have learned not to expect. The heroines admired by Radway's group defy the expected stereotypes; they are strong, independent, and intelligent. That such characters often find themselves to be victims of male aggression and almost always resign themselves to accepting conventional roles in life has less to do, Radway argues, with the women readers' fantasies and choices than with their need to deal with a fear of masculine dominance. These romance readers resent not only the limited choices in their own lives but the patronizing attitude that men especially express toward their reading tastes. In fact, women read romances both to protest and to escape temporarily the narrowly defined role prescribed for them by a patriarchal culture. Paradoxically, the books that they read make conventional roles for women seem desirable. It is this complex relationship between culture, text, and woman reader that Radway urges feminists to address. Romance readers, she argues, should be encouraged to deliver their protests in the arena of actual social relations rather than to act them out in the solitude of the imagination. In a new introduction, Janice Radway places the book within the context of current scholarship and offers both an explanation and critique of the study's limitations.

Crush 2020-09-29 Tracy Wolff The instant #1 New York Times Bestselling Series Everything feels off—especially me. I've returned to Katmere Academy, but I'm haunted by fragments of days I have no recollection of living and struggling to understand who, or what, I really am. Just when I start to feel safe again, Hudson is back with a vengeance. He insists there are secrets I don't know about, threatening to drive a wedge between Jaxon and me forever. But far worse enemies are at our doorstep. The Circle is caught in a power play and the Vampire Court is trying to drag me out of my world and into theirs. The only thing Hudson and Jaxon agree on is that leaving Katmere would mean my certain death. And not only am I fighting for my life, but now everyone else's is at stake—unless we can defeat an unspeakable evil. All I know is that saving the people I love is going to require sacrifice. Maybe more than I'm able to give. Don't miss a single book in the series that spawned a phenomenon! The Crave series is best enjoyed in order: Crave Crush Covet Court Charm Cherish

The Love Hypothesis 2021-09-14 Ali Hazelwood The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships—but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

Professor Trouble 2016-10-09 Soraya May Emily thinks her new class with a visiting professor is going to be pretty dull: Latin Literature taught by some old British fuddy-duddy. Except Will Spencer isn't what she expected: he isn't old, and he isn't a fuddy-duddy... Stay out of trouble, they said. But Emily Masterson, sitting in the front row of my class, was the kind of trouble I didn't see coming. I bet I'm the only college professor in all of Britain who's punched his boss for being an asshole. But he got up again, and hit back pretty good--he knocked my ass three thousand miles across the Atlantic. Now I'm in exile for a semester, teaching bored college students in New Hampshire. It's only a semester, they said. It'll blow over, and you can come back to your real job. All I need to do is stay out of trouble. Especially the kind of trouble that comes in a cute little package, with red lips, and round hips, and little polka-dot skirts. Especially when that trouble is in my class looking at me as if I'm the most important thing in her world. Especially when she's my new student, and all the things I want to do to her are completely forbidden. Stay out of trouble. Right.

Lady Chatterley's lover 2001 David Herbert Lawrence

Walden Two 2005-07-15 B. F. Skinner A reprint of the 1976 Macmillan edition. This fictional outline of a modern utopia has been a center of controversy ever since its publication in 1948. Set in the United States, it pictures a society in which human problems are solved by a scientific technology of human conduct.

His Forbidden Bride 2016-05-04 Theodora Taylor I know everything about him...except who he really is. When a shockingly sexy amnesia patient shows up at my hospital, he flips my heart switch on like no one ever has before. Now I'm happier than I've ever been, and seriously considering a future with someone who doesn't have a past. But when the shocking truth about his real identity finally comes out... Discover what happens next in this scorching hot romance. Perfect for readers who like their alpha heroes sexy, mysterious, and rough. Guaranteed, you won't be able to swipe the pages fast enough.

Dirty Teacher 2020-08-14 Mika Lane Wellshire University's hottest professors. Brilliant. Good looking. And terribly off limits. My Math professor is dexterous with his... equations. My English professor is a champ at caressing my... run-on sentences. And, my French professor is magnifique around penetrating... verb conjugations. I love their classes. I always sit in front. And I raise my hand for every question. Until the day I saw them watching my little show at Club V, where I earn money for school by showing off my... skills. I thought they'd stop coming when they realized I worked there. But now that they've seen me, they can't seem to look away. This hot, over-the-top romance includes sexy working men with a penchant for pursuing and protecting the women who give them a run for their money. If you love outrageously naughty stories as a way to indulge your not-so-secret bad girl side, this is for you. Book 2 in the Men at Work series

Forbidden Attraction (Forbidden Trilogy) 2014-06-05 S. R. Watson *Strong sexual content and mature situations. Recommended for ages 18+* Siobhan Gallagher has just started her senior year at the University of Southern California. She has her best friend and her boyfriend of five years by her side. As the countdown to graduation begins, her world comes crashing down when her boyfriend confesses that he has cheated on her. Her past has shown that love is volatile, but she had hoped that this time would be different. Siobhan becomes a cynic - doubting the existence of love. She vows to never give her heart to another. In walks Professor Michaels. He is a sexy billionaire playboy who limits his encounters to one night, maybe two. His jaded past and multitude of secrets shapes his aversion to love and relationships. He makes no promises of forever. Offers no apologies for his preference for variety. When he first meets Siobhan, the attraction is mutually instantaneous. He knows she is supposed to be off limits, but he has never denied himself of something he wanted. Siobhan and Professor Michaels share the same sardonic outlook on love. What happens when these two paths cross? If they give into this forbidden attraction, can they both come out on the other side unscathed?

Fighting Fate 2013-07-16 Kage Linda Forgiving your brother's murderer may be noble, but falling in love with him borders on betrayal. When Paige Zukowski enrolls at Granton University in honor of her dead brother, she has no idea fate will land her on the same campus with the very guy who killed him. But Logan Xander isn't quite the murderer she's always believed him to be. A day hasn't passed since the tragedy that Logan doesn't wish he could go back and undo everything. It doesn't take Paige long to realize he's suffered as much as she has. Forgiving him for ruining her life might not be so impossible after all. But when she actually starts to like him and

To Professor With Love Forbidden Men 2 Linda Kage Pdf Pdf upload Herison f Ferguson

realizes he likes her in return, their true anguish begins.

Forbidden Love (Forbidden Trilogy) 2014-11-16 Ryan Stacks *Strong sexual content and mature situations. Recommended for ages 18+* Siobhan is starting her last semester at USC. After the horrific ending of the previous semester, she is determined to keep her head down, graduate, and get as far from Los Angeles and Grayson as possible. However, the best-laid plans don't always come to fruition.Grayson is finally ready to admit his feelings for Siobhan. Some of his secrets have been exposed, but the surface has barely been scratched. Will he lose Siobhan once and for all once his omissions and secrets are out in the open?Neither Grayson nor Siobhan is prepared for the multitude of barriers, challenges, and danger headed their way. Once the smoke clears, will their love prevail or will it smolder in the ashes?

Reading Lolita in Tehran 2003-12-30 Azar Nafisi #1 NEW YORK TIMES BESTSELLER • We all have dreams—things we fantasize about doing and generally never get around to. This is the story of Azar Nafisi's dream and of the nightmare that made it come true. For two years before she left Iran in 1997, Nafisi gathered seven young women at her house every Thursday morning to read and discuss forbidden works of Western literature. They were all former students whom she had taught at university. Some came from conservative and religious families, others were progressive and secular; several had spent time in jail. They were shy and uncomfortable at first, unaccustomed to being asked to speak their minds, but soon they began to open up and to speak more freely, not only about the novels they were reading but also about themselves, their dreams and disappointments. Their stories intertwined with those they were reading—Pride and Prejudice, Washington Square, Daisy Miller and Lolita—their Lolita, as they imagined her in Tehran. Nafisi's account flashes back to the early days of the revolution, when she first started teaching at the University of Tehran amid the swirl of protests and demonstrations. In those frenetic days, the students took control of the university, expelled faculty members and purged the curriculum. When a radical Islamist in Nafisi's class questioned her decision to teach *The Great Gatsby*, which he saw as an immoral work that preached falsehoods of “the Great Satan,” she decided to let him put *Gatsby* on trial and stood as the sole witness for the defense. Azar Nafisi's luminous tale offers a fascinating portrait of the Iran-Iraq war viewed from Tehran and gives us a rare glimpse, from the inside, of women's lives in revolutionary Iran. It is a work of great passion and poetic beauty, written with a startlingly original voice. Praise for Reading Lolita in Tehran “Anyone who has ever belonged to a book group must read this book. Azar Nafisi takes us into the vivid lives of eight women who must meet in secret to explore the forbidden fiction of the West. It is at once a celebration of the power of the novel and a cry of outrage at the reality in which these women are trapped. The ayatollahs don't know it, but Nafisi is one of the heroes of the Islamic Republic.”—Geraldine Brooks, author of *Nine Parts of Desire*

Educated 2018-02-20 Tara Westover #1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University “Extraordinary . . . an act of courage and self-invention.”—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST • FINALIST: National Book Critics Circle's Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. “Beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?”—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library

GRADE A A\$\$HOLE: A Professor Student Romance 2021-01-02 Vanessa Boone I eat professors like him for breakfast. The moment Professor Grant shows up at my English 401 class is the day that I decide I'm not going to let some a\$\$hole ruin my last year as an undergrad. I've worked way too hard, avoiding classes taught by pompous literary professors who have nothing better to do than assign busywork. It turns out Professor Grant is the worst offender of them all, and he isn't letting me off easy. Well, he's in for a surprise. Sure, the silver fox look he's rocking turns me on, and yes, unfortunately, he's built as he can f*ck you into next week, but I don't care. I want him gone. Fired. Disintegrated from existence. That is until he touches me, teases me, and challenges me as no professor has before. Now, I'm not so sure I want him out of my life. I'm starting to get used to the way he shows up at my apartment unannounced. The way he calls me spoiled whenever I complain about my assignments and damn it all to hell, even that annoying, haughty look he gives me before burying his c*ck inside me. I never thought this would happen, but Professor Grant might be one assignment I'm willing to do the extra work for this year.

The Right to Remain Mine 2012-03 Linda Kage You have the right to remain cherished. Anything you read or scream out in rapture can and will be used against you in the bedroom of Willow DeVane. You have the right to enjoy a big, sexy cop. If you can't find your own, one by the name of Raith Malloy will be provided for you to enjoy and explore thoroughly within these pages. Tempers flare from the first moment divorce lawyer Willow DeVane crosses paths with sheriff deputy Raith Malloy. Both too stubborn and controlling for their own good, Willow and Raith butt heads until anger turns to passion, and they begin an affair despite their brewing hostilities. But more than one force works against them when they learn Willow's being targeted by a dangerous stalker.

Falling From Grace 2018-06-28 No'l Cades "Forgive me, Father, for I have had impure thoughts." About you.Gabriel entered the priesthood after a betrayal left him bitter about women and committed to a life of celibacy. But when he ends up teaching at a girls' boarding school and meets troubled, beautiful Leonie, he wonders if he can keep his vows.

Temptation 2015-04-08 Ivy Smoak Shy student Penny Taylor always follows the rules. At least, that's how it appears to her classmates. But she has one illicit secret - she's fallen hard for her professor. And she's pretty sure he's fallen for her too. Everyone loves Professor Hunter. He's tall, dark, and handsome. And completely unobtainable. But it's the secrets hiding behind his deep brown eyes that allures Penny. Secrets darker than she could ever imagine. James Hunter gave up his billionaire lifestyle in NYC last year to become a professor. The easiest new rule to follow: don't fraternize with the students. It's easy to follow because he's become quite the recluse in his new town - the only way he knows how to keep his secrets buried. But he never expected to be teaching such a beautiful student. He has to resist her. He needs to walk away. Penny deserves better than a man with his demons. But she's daring him to cross the line. And he's never been one to resist temptation.

Forbidden 2016-01-12 Lauren Smith He's her first. He's her everything. He's her . . . stepbrother. Kat has always been a good girl. She studies hard and never stays out too late. But when sitting in a pub on her birthday, she realizes she's a nineteen-year-old virgin who's never really lived. And she wants tonight to be the night that changes. Then she sees him walk in. He's tall, dark, handsome, and straight out of her deepest fantasies. His voice makes her knees feel weak, and when he smiles, she imagines him doing wicked things to her in bed. From the look in his eyes, she knows he's imagining it too. So when he asks if he can walk her home, she hears herself whisper yes . . . Part 1 in the Her British Stepbrother series.

Oliver's Story 2011-11-01 Erich Segal The sequel to the phenomenal national bestseller and enduring classic Love Story. Can the love of your life appear twice in a

lifetime? Oliver Barrett IV found his soulmate in Jenny Cavilleri. Their love was exhilarating and heartbreakingly brief. It was a love to last a lifetime. Two years have passed since Jenny was taken from him, and Oliver truly believes he will never love again. Then one day, Marcie—beautiful and mysterious—enters his world and suddenly the future holds a golden new promise. From the running track in New York's Central Park to the hushed executive suites of a mightly department store empire, from a snowy Massachusetts Christmas to a shattering moment of turth in exotic Hong Kong--the story of Oliver Barrett IV is a story of passion and principle, of a young man's journey out of sadness, into love.

Forbidden 2017-08-13 Amanda Heartley I'm her teacher... but rules are made to be broken. Lennon Eight years together and my high school sweetheart cheats on me. C'est la vie. I'm moving on, hopelessly defeated by love and relationships. Until I see her, a dark-haired beauty at a friend's wedding slipping a stolen beer bottle under her skirt. And when I catch her drinking it in my car, her ballsy attitude blows my mind ...and that's not all she blows. Can't wait to see this little firecracker again. Though I didn't expect to see Darcy so soon, just two days later sitting in my class - on the first day of my first teaching job after finishing college. Not the best start to my career. I'm intrigued by her, although it's wrong. Her sexy smile, the way she licks her lips at me when I look at her, the way she moves - they all make me rock hard and drive me wild. I know she wants me too, but I have to push her out of my mind. This can't happen... we can't happen. There are rules against teachers having s*x with their students, and I've spent six long years working my ass off to get to this point. I won't throw it all away now. She's a divine temptation, but she's forbidden, nonetheless. *** Forbidden is a heartwarming new adult romance featuring a hot and steamy relationship between a teacher and his student. NO cliffhanger, NO cheating, and a happy-ever after guaranteed!

Long Way Down 2017-10-24 Jason Reynolds “An intense snapshot of the chain reaction caused by pulling a trigger.” —Booklist (starred review) “Astonishing.” —Kirkus Reviews (starred review) “A tour de force.” —Publishers Weekly (starred review) A Newbery Honor Book A Coretta Scott King Honor Book A Printz Honor Book A Time Best YA Book of All Time (2021) A Los Angeles Times Book Prize Winner for Young Adult Literature Longlisted for the National Book Award for Young People’s Literature Winner of the Walter Dean Myers Award An Edgar Award Winner for Best Young Adult Fiction Parents’ Choice Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A Vulture Best YA Book of 2017 A Buzzfeed Best YA Book of 2017 An ode to Put the Damn Guns Down, this is New York Times bestselling author Jason Reynolds’s electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he’s going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That’s what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That’s where Will’s now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother’s gun. He gets on the elevator, seventh floor, stoked. He knows who he’s after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that’s when Will sees that one bullet is missing. And the only one who could have fired Shawn’s gun was Shawn. Huh. Will didn’t know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck’s in the elevator? Just as Will’s trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck’s cigarette. Will doesn’t know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

Professor with Benefits 2017-07-13 Mickey Miller From Bestselling Author Mickey Miller, a small town romantic comedy that will light your kindle on fire.Rose:I'm studying to be a sex therapist, and I haven't even had sex yet. Which is why I decide that Professor Hanks is going to be the one to take my virginity.I want Professor Hanks to be my dom.Hung Hanks. That's what they call him. All the students know Professor Hanks' reputation since he grew up in Blackwell.Small town high school football star turned Harvard Ph.D. Only in town to care for his dying mother. Too good for 'local' girls.I've done my research, and he's the perfect candidate for what I want. Hot, smart, dominant.Did I mention hung?Cole Hanks:Sixty Days. That's all she wants from me.Not even a full semester.Rose Allison wants me to be her dom for two months, and then she's done with me. She wants me to show her how to be the perfect little submissive and then move on.But the thing is, sixty days isn't nearly enough for me. Once I get started, I have to finish her.There's just one big problem.She's a student. I'm her professor. Our romance isn't exactly in line with school policy.Sure, you've heard of student teacher romances before.Except this one has an ending no one saw coming.Not even me.**Professor with Benefits is a 60,000+ Standalone novel with an HEA. It gets down and dirty so enjoy!***

Love on the Brain 2022-08-23 Ali Hazelwood An Instant New York Times Bestseller A #1 LibraryReads and Indie Next Pick! From the New York Times bestselling author of The Love Hypothesis comes a new STEMinist rom-com in which a scientist is forced to work on a project with her nemesis—with explosive results. Like an avenging, purple-haired Jedi bringing balance to the mansplained universe, Bee Königswasser lives by a simple code: What would Marie Curie do? If NASA offered her the lead on a neuroengineering project—a literal dream come true after years scraping by on the crumbs of academia—Marie would accept without hesitation. Duh. But the mother of modern physics never had to co-lead with Levi Ward. Sure, Levi is attractive in a tall, dark, and piercing-eyes kind of way. And sure, he caught her in his powerfully corded arms like a romance novel hero when she accidentally damseled in distress on her first day in the lab. But Levi made his feelings toward Bee very clear in grad school—archenemies work best employed in their own galaxies far, far away. Now, her equipment is missing, the staff is ignoring her, and Bee finds her floundering career in somewhat of a pickle. Perhaps it’s her occipital cortex playing tricks on her, but Bee could swear she can see Levi softening into an ally, backing her plays, seconding her ideas...devouring her with those eyes. And the possibilities have all her neurons firing. But when it comes time to actually make a move and put her heart on the line, there’s only one question that matters: What will Bee Königswasser do?

The Rise and Fall of a Pop Star

She had a goal. She wanted to be a performer. She desired to entertain, to move, to captivate, to delight. She wanted to be well-known, to be adored, to be idolized. She wished to have it all, recognition, riches, prestige. She worked hard, she practiced, she performed, she amazed. She got a contract, a music contract, a representative, a producer. She made an album, a success, a wonder. She became an icon, a famous person, a sensation. She had it all, followers, money, awards. She was on top of the world, she was living her dream. But she also had a hidden side. She had a mystery, a dilemma, an habit. She started to spiral out of control, to err, to cause scandals. She faced condemnation, repercussions, legal actions. She lost her followers, her money, her honors. She fell from grace, she became a laughingstock, a disaster. She forfeited it all, her notoriety, her riches, her honor. She was the climb and fall of a singer.

Fight to professor with love forbidden men 2. In the heartbreaking yet soul-stirring true story of *Mums List*, a mother battling incurable cancer leaves a rich repository of guiding wisdom for her husband and two young sons to help them steer their path after she is gone. Kate Greene, a vibrant and caring mother, receives a devastating diagnosis of terminal cancer and knows her time is fleeting. Determined to leave her husband, St. John, and their two sons, Reef and Finn, with the direction they need to flourish without her, Kate embarks on a mission to create a collection of advice, encapsulating her insight and affection. As Kates health deteriorates, she meticulously assembles her list, filling each page with cherished advice on everything from building connections and chasing aspirations to embracing lifes challenges and finding joy in everyday moments. The list becomes a source of solace for St. John, Reef, and Finn, providing them with support and guidance as they face the pain of their impending loss. Through Kates words, they learn to appreciate the simple things in life, to value their relationships, and to honor their mothers legacy. Kates list becomes a living testament to her boundless love for her family, a reminder that even in the face of death, lifes most precious gifts can endure. *Mums List* is a poignant and uplifting memoir that cherishes the enduring power of love, connection, and resilience. Kate Greenes imprint lives on in her words, encouraging others to embrace lifes challenges.
