Where's My Hero?

2009-10-13 Lisa Kleypas Dear Avon Books, Where are my heroes? Whenever I'm reading a book by one of my favorite authors I find I'm falling for the wrong guy -- not the hero, but the other man -- and what I really want is for him to have his own story. Like Jake Linley, from *Someone to Watch Over Me* by Lisa Kleypas...that doctor could sit by my bedside if I ever got sick. And Ned Blyden in *Splendid* by Julia Quinn...he makes me want to learn to waltz! I never thought living in a drafty castle would be much fun until Simon of Ravenswood in *Master of Desire* by Kinley MacGregor came along. Anyway, I just wanted to let you know that these are my men -- when do they get their stories? Sincerely, A Romance Fan Some books are so special that there is more than one hero to love, but only a single story is told. So if you find yourself asking, "Where is my hero?" you'll discover the answer right here in this delicious collection by New York Times bestseller Lisa Kleypas, New York Times bestseller Julia Quinn and USA Today bestseller Kinley MacGregor.

Brighter Than the Sun

2009-10-13 Julia Quinn When Charles Wycombe, the dashing and incorrigible Earl of Billington, toppled out of a tree and landed at Ellie's feet, neither suspected that such an inauspicious meeting would lead to marriage. But Charles must find a bride before his thirtieth birthday or he'll lose his fortune. And Ellie needs a husband or her father's odious fiancée will choose one for her. And so they agree to wed, even though their match appears to have been made somewhere hotter than heaven ... Ellie never dreamed she'd marry a stranger, especially one with such a devastating combination of rakish charm and debonair wit. She tries to keep him at arm's length, at least until she discovers the man beneath the handsome surface. But Charles can be quite persuasive -- even tender -- when he puts his mind to it, and Ellie finds herself slipping under his seductive spell. And as one kiss leads to another, this unlikely pair discovers that their marriage is not so inconvenient after all ... and just might lead to love.

To Catch an Heiress

2009-10-13 Julia Quinn When Caroline Trent is kidnapped by Blake Ravenscroft, she doesn't even try to elude this dangerously handsome agent of the crown. After all, she's been running from unwanted marriage proposals. Yes, Blake believes she's a notorious spy named Carlotta De Leon, but for six weeks until her twenty-first birthday, when she'll gain control of her fortune, hiding out in the titillating company of a mysterious captor is awfully convenient -- and maybe just a little romantic, too. Blake Ravenscroft's mission is to bring "Carlotta" to justice, not to fall in love. His heart has been hardened by years of intrigue, but this little temptress proves oddly disarming and thoroughly kissable. And suddenly the unthinkable becomes possible -- that this mismatched Couple might be destined for love.

Seducing an Angel

2009-05-19 Mary Balogh BONUS: This edition contains an excerpt from Mary Balogh's *The Secret Mistress*. In a time unlike any other, a family you'll never forget . . . Meet the Huxtables—three headstrong sisters and their dashing brother—each searching for love that's always a shocking indiscretion away. . . . In her magnificent new novel, *New York Times* bestselling author Mary Balogh sweeps us into a world of scandal and intrigue—glittering Regency England—and introduces the youngest Huxtable: Stephen, the only son. Here Stephen will risk his reputation and his heart as he enters a scandalous liaison with the infamous beauty intent on seduction. But when passion turns the tables on them both, who can say who has seduced whom? He must be wealthy, wellborn, and want her more than he wants any other woman. Those are the conditions that must be met by the man Cassandra Belmont chooses for her lover. Marriage is out of the question for the destitute widow who stands accused of murdering her husband and must now barter her beauty in order to survive. With seduction in mind, she sets her sights on Stephen Huxtable, the irresistibly attractive Earl of Merton and London's most eligible bachelor. But Stephen's first intriguing glimpse of the mysterious, alluring Lady Paget convinces him that he has found the ideal woman to share his bed. There is only one caveat. This relationship fueled by mutual pleasure must be on his terms. As the two warily circle each other in a sensual dance of attack and retreat, a single night of passion alters all the rules. Cassandra, whose reputation is already in tatters, is now in danger of losing the one thing she vowed never to give. And Stephen, who wants Cassandra more than he has ever wanted any woman, won't rest until she has surrendered everything—not as his mistress—but as his lover and wife. . . .

Everything and the Moon

2009-10-13 Julia Quinn It was indisputably love at first sight. But Victoria Lyndon was merely the teenaged daughter of a vicar. . . while Robert Kemble was the dashing young earl of Macclesfield. Surely what their meddling fathers insisted must have been true—that he was

a reckless seducer determined to destroy her innocence. . . and she was a shameless fortune hunter. So it most certainly was for the best when their plans to elope went hopelessly awry. Even after a seven-year separation, Victoria-now a governess-still leaves Robert breathless. But how could he ever again trust the raven-haired deceiver who had shattered his soul? And Victoria could never give her heart a second time to the cad who so callously trampled on it the first. But a passion fated will not be denied, and vows of love yearn to be kept. . . even when one promises the moon.

Brighter Than the Sun

2016-01-26 Rolf A. F. Witzsche The novel takes us into the twilight between nuclear war and an attempt to prevent it. In the shadow, a 'limited' holocaust unfolds, so extensive in consequences, that the past no longer applies. Here a quiet searching begins for what is ultimately real, for something that goes deeper than the conventions. In the contrast with tragedy a multithreaded romance develops that encompasses five families; two Russian, one Canadian, one Japanese, and one American. Their experiences, aspirations, struggles and stories take us on a voyage across fifteen time zones, three contrasting cultures, in a humanist landscape that is constantly changing. Initial involvements with rescue efforts trail out into a chance to build a New World with a new life in Russia. Struggling for justice, the protagonists face new challenges, hidden conspiracies, and ultimately tragedies as they have to flee political persecutions in a small-minded world and start all over again. But each time they start anew, they start from a higher basis with triumphs from the depth of their growing love that becomes ever-brighter. In their unfolding humanity with the demands by love to uplift their marriages to a higher platform that comes to light as natural universal love and brotherhood, the conventional institutions become gradually raised up, though not without a struggle, always reaching forward to the preciously enduring that comes to light as the evermore valid while the artificial axioms fall away. Thus, the nuclear nightmare that starts with a fire brighter than the Sun, rouses a light

She plans to enjoy her Season in London in more unconventional ways than husband-hunting. But this time Emma's high-jinks lead her into dangerous temptation... Alexander Ridgely, the Duke of Ashbourne, is a notorious rake who carefully avoids the risk of love...until he plants one reckless kiss on the sensuous lips of this high-spirited innocent...and condemns himself to delicious torment. Little does he know that his passion has touched the very soul of the lovely enchantress...and committed them both to a lifetime of splendid ecstasy.

The Mystery of the Missing Diamond

It was a dark and stormy night. The rain was pouring down, and the wind was howling. In the middle of the city, there was a museum, where a priceless diamond was on display. The diamond was called the Star of Africa, and it was the largest and most beautiful diamond in the world. It was guarded by a high-tech security system, and a team of armed guards. No one could steal it, or so they thought. But someone did. Someone managed to bypass the security, to evade the guards, to break the glass, and to take the diamond. And no one saw them, no one heard them, no one knew who they were. They left no trace, no clue, no evidence. They vanished into the night, with the Star of Africa. And the mystery of the missing diamond began.
