## *The Pied Piper of Hamelin*

2014-11-11 Russell Brand With this first book in Russell Brand's Trickster Tales series, the famed comedian, actor, and bestselling author delivers a hilarious retelling of an old fairytale favorite that will appeal to adults and children alike. Once upon a time, long ago, in a time that seemed, to those present, exactly like now except their teeth weren't so clean and more things were wooden, there was a town called Hamelin. The people of Hamelin were a pompous bunch who loved themselves and their town so much that if it were possible they would have spent all day zipped up in a space suit smelling their own farts. But space suits hadn't been invented yet so they couldn't. Then one day without warning a gang of rats bowled into the town and began causing a right rumpus... So begins Russell Brand's wildly funny and surprisingly wise retelling of the classic tale The Pied Piper of Hamelin. Whether you're a kid or a grown-up kid, you'll be chuckling the whole way through this zany story that bypasses Brand's more adult humor for the outrageous, the madcap, and the just plain silly. Maybe you've heard about the Pied Piper before, with his strange music and those pompous townspeople and pesky rats. Or maybe you haven't. But one thing is for sure: you've never heard it quite like this.

## Recovery

2017-09-21 Russell Brand The Number One Sunday Times Bestseller from Russell Brand. "This is the age of addiction, a condition so epidemic, so all encompassing and ubiquitous that unless you are fortunate enough to be an extreme case, you probably don't know that you have it. What unhealthy habits and attachments are holding your life together? Are you unconsciously dependent on food? Bad relationships? A job that doesn't fulfill you? Numb, constant perusal of your phone, looking for what? My qualification for writing this book is not that I am better than you, it's that I am worse. I am an addict, addicted to drugs, alcohol, sex, money, love and fame.' The program in Recovery has given Russell Brand freedom from all addictions and it will do the same for you. This system offers nothing less than liberation from self-centredness, a new perspective, freedom from the illusion of suffering for anyone who is willing to take the necessary steps.

## **Mentors**

2019-04-09 Russell Brand Russell Brand explores the idea of mentoring and shares what he's learned from the guidance of his own helpers, heroes and mentors. Could happiness lie in helping others and being open to accepting help yourself? Mentors - the follow up to the New York Times bestseller Recovery - describes the benefits of seeking and offering help. "I have mentors in every area of my life, as a comic, a dad, a recovering drug addict, a spiritual being and as a man who believes that we, as individuals and the great globe itself, are works in progress and that through a chain of mentorship we can improve individually and globally, together. . . . One of the unexpected advantages my drug addiction granted is that the process of recovery that I practise includes a mentorship tradition. "I will encourage you to find mentors of your own and explain how you may better use the ones you already have. Furthermore, I will tell you about my experiences mentoring others and how invaluable that has been on my ongoing journey to self-acceptance and how it has helped me to transform from a bewildered and volatile vagabond to a (mostly) present and (usually) focussed husband and father."—Russell Brand Mentors: How to Help and Be Helped describes the impact that a series of significant people have had on the author - from the wayward youths he tried to emulate growing up in Essex, through the first ex-junkie sage, to the people he turns to today to help him be a better father. It explores how we all - consciously and unconsciously - choose guides, mentors and heroes throughout our lives and examines the new perspectives they can bring.

## *A Druid's Tale*

2012-06-29 Cat Treadwell What do people think of when they hear the word Druidry? The real questions, not questions about the old men in white robes stereotypes. What makes a Druid? What do they do? Having been a practising Druid for over ten years, Cat Treadwell wondered too. Asked to present a talk at a national Pagan Festival, and unsure exactly what the audience would want to hear, she started a blog, asking friends and colleagues (Muggle and Pagan) what they would like to know about the Druid Path. Two years later, they are still asking. This book answers some of those questions. Cat has compiled and expanded on the common queries (So, do you worship the sun?) as well as the day-to-day aspects of Druidry as a lived path. She reveals how Druidry is constantly evolving to be relevant and accessible in the modern world.

## **Booky Wook Collection**

2014-08-12 Russell Brand "A child's garden of vices, My Booky Wook is also a relentless ride with a comic mind clearly at the wheel.... The bloke can write. He rhapsodizes about heroin better than anyone since Jim Carroll. With the flick of his enviable pen, he can summarize childhood thus: 'My very first utterance in life was not a single word, but a sentence. It was, 'Don't do that.'... Russell Brand has a compelling story." — New York Times Book Review The gleeful and candid New York Times bestselling autobiography of addiction, recovery, and rise to fame from Russell Brand, star of Forgetting Sarah Marshall and one of the

biggest personalities in comedy today. Picking up where he left off in My Booky Wook, movie star and comedian Russell Brand details his rapid climb to fame and fortune in a shockingly candid, resolutely funny, and unbelievably electrifying tell-all: Booky Wook 2. Brand's performances in Arthur, Get Him to the Greek, and Forgetting Sarah Marshall have earned him a place in fans' hearts; now, with a drop of Chelsea Handler's Chelsea Chelsea Bang Bang, a dash of Tommy Lee's Dirt, and a spoonful of Nikki Sixx's The Heroin Diaries, Brand goes all the way—exposing the mad genius behind the audacious comic we all know (or think we know) and love (or at least, lust).

## **Recovery**

2017-10-03 Russell Brand A guide to all kinds of addiction from a star who has struggled with heroin, alcohol, sex, fame, food and eBay, that will help addicts and their loved ones make the first steps into recovery "This manual for self-realization comes not from a mountain but from the mud...My qualification is not that I am better than you but I am worse." —Russell Brand With a rare mix of honesty, humor, and compassion, comedian and movie star Russell Brand mines his own wild story and shares the advice and wisdom he has gained through his fourteen years of recovery. Brand speaks to those suffering along the full spectrum of addiction—from drugs, alcohol, caffeine, and sugar addictions to addictions to work, stress, bad relationships, digital media, and fame. Brand understands that addiction can take many shapes and sizes and how the process of staying clean, sane, and unhooked is a daily activity. He believes that the question is not "Why are you addicted?" but "What pain is your addiction masking? Why are you running—into the wrong job, the wrong life, the wrong person's arms?" Russell has been in all the twelve-step fellowships going, he's started his own men's group, he's a therapy regular and a practiced yogi—and while he's worked on this material as part of his comedy and previous bestsellers, he's never before shared the tools that really took him out of it, that keep him clean and clear. Here he provides not only a recovery plan, but an attempt to make sense of the ailing world.

She wished to have it all, notoriety, riches, prestige. She worked tirelessly, she trained, she tried out, she amazed. She got a deal, a music contract, a representative, a creator. She made an album, a hit, a sensation. She became a celebrity, a famous person, a phenomenon. She had it all, admirers, wealth, awards. She was on cloud nine, she was living her dream. But she also had a hidden side. She had a mystery, a problem, an addiction. She started to fall apart, to make mistakes, to stir up trouble. She faced condemnation, repercussions, lawsuits. She gave up her admirers, her wealth, her accolades. She tumbled down, she became a laughingstock, a tragedy. She lost it all, her fame, her wealth, her prestige. She was the ascent and decline of a pop star.
