It had been the time 23, and the earth stood on the brink of battle. The United States and PRC, the pair of superpowers, were entangled in a fierce competition, contending for assets, power, and dominance. They had both developed high-tech arms, such as lasers, drones, and orbiters, which can strike any location, any moment. They had also secretly established space stations, that could deploy atomic weapons, which could annihilate the earth. They were set to employ these weapons, if required. But they were not the only ones. There was a third force, a hidden entity, that had watching them both, waiting for them both, preparing for them both. They were the aliens, and they had come to halt them both. They had arrived to save the world, or to end it all. They had come to begin the star wars which altered chronicle.
