The Mystery of the Missing Diamond

It was a dark and turbulent night. The downpour was pouring down, and the wind was roaring. In the center of the town, there was a museum, where a priceless diamond was on display. The diamond was called the Star of Africa, and it was the largest and most beautiful diamond in the world. It was protected by a advanced security setup, and a group of equipped guards. No one could rob it, or so they thought. But somebody did. Someone managed to bypass the protection, to avoid the watchmen, to break the window, and to steal the diamond. And no one saw them, no one listened to them, no one knew who they were. They exited no sign, no lead, no proof. They disappeared into the darkness, with the African Star. And the riddle of the vanished diamond started.
