world. Other events in 2019 also showcased the undeniable globalization of business, be it from the (un)expected ramifications of Brexit to the impacts of data breaches across various industries. Riots in Hong Kong over an extradition bill also sparked huge debate and controversy, and the U.S.-China trade war also caused concern. All of these events may have largely and immediately impacted one region, yet effects reverberate across larger swathes of the globe—ultimately affecting vast areas, industries, and sectors across the international landscape. Issues in Global Business explores all of these and more, across a wide range of topics, including the on-demand economy, global manufacturing, Bitcoin, data security, and many more. Coupled with a comprehensive overview of the business landscape around the world by Dr. Mamoun Benmamoun, an assistant professor at the Boeing Institute of International Business at Saint Louis University, this book provides

It was the year 23, and the earth was at the verge of war. The U.S. and Peoples Republic of China, the pair of competing powers, engaged in an intense rivalry, competing for assets, dominance, and control. They had created sophisticated arms, such as laser weapons, unmanned aerial vehicles, and orbiters, that can hit

anywhere, any time. They had clandestinely established space stations, which can launch nuclear missiles, that can destroy the earth. They were both ready to use them, if ever necessary. But they were not the sole ones. There was a 3rd force, a concealed force, that had been watching them, waiting for them, preparing for them both. They were the aliens, and they had come arrived to stop them both. They had come arrived to rescue the globe, or to terminate it all. They had come come to initiate the galactic wars that changed past.

The evaluation offers two equivalent versions which include different vocabulary items, making sure that the test-taker has not “mastered” the assessment. One form can be employed before intervention implementation to assess individuals’ vocabulary knowledge and the other edition can be employed for re-assessment to measure and document improvement. The PPVT-4 also includes a unique Growth Scale Value (GSV) which is responsive to small changes over time.
