## Accounting: Information for Business Decisions

2020-11-03 Billie Cunningham Accounting Information for Business Decisions is a business-focused introduction to Accounting for all students - not just those intending to be Accounting majors. Lead students through the real-world business cycle and how accounting information informs decision-making. Departing from the traditional approach taken by other introductory accounting textbooks, students apply both managerial and financial approaches within the topics examined in each chapter, to see the direct impact that Managerial Accounting decisions make on the Financial Accounting processes (and vice versa). The conversational writing engages students in the theoretical content and how it applies to contemporary real-world scenarios. Students follow a retail coffee business in the reliable Cafe Revive running case study integrated into every chapter, to learn about applying accounting issues in the real world. Premium online teaching and learning tools are available on the MindTap platform. Learn more about the online tools [cengage.com.au/mindtap](http://cengage.com.au/mindtap)

## Principles of Accounting Volume 1 - Financial Accounting

2019-04-11 Mitchell Franklin The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a reliable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

The writers assert that in spite of its sometimes aimless appearance and apparently unstructured content, casual conversation is a highly structured activity and has a crucial role in the social construction of reality. The book works through real samples of casual conversations entailing participants diverging in age, gender, ethnicity, and socio-economic class12. Deriving on perspectives from sociology, linguistics, and critical semiotics, the work provides readers with the analytical skills to depict the strata of structure and critical interpretive structures to clarify the 'social work' that happens on through chat.

Anna could never forget her first love, Leo. Their paths had crossed when they were both 16, at a magical summer camp. They were drawn to each other like magnets, spending every day laughing, exchanging heartfelt thoughts, and experiencing the thrill of first love. Their bond was unbreakable, and they vowed to maintain their bond, to wait for each other, and to never let their love fade. But life, as it often does, had different plans in store for them. They lost communication, they moved on with their lives, and they eventually married other people. Years passed, and the hustle and bustle of life took them in different directions. But fate, it seems, had not forgotten their unwavering connection. At a chance encounter, at a long-awaited reunion, their paths crossed once again. The moment they laid eyes on each other, the flame of their first love rekindled. The same electric spark that had drawn them together years ago was still potent. They felt the same thrill that had fueled their teenage romance, but they also felt the weight of time. Their hearts yearned for the unwavering devotion they had shared, but their minds grappled with the complexity of their current lives. They were caught in a tug-of-war, torn between the passion of their past and the complications of their present. They stood at a crossroads, forced to make a heartbreaking choice. Would they choose the magnetic pull of their first love, risking the unknown that lay ahead, or would they hold onto the predictability of their current lives, forever wondering what could have been? Only time would tell if their unbreakable bond would survive the test of time.
