Social media have become an integral part of our lives, specifically for the young generation. We utilize it to interact, to disseminate, to educate ourselves, to entertain, and to articulate our thoughts. But what exactly might be the effects of online platforms on our emotional health? How does it impact our temperament, our self-esteem, our relations, our well-being, and our conduct? This book intends to address these queries, by reviewing the current studies and evidence on the topic. It is going to delve into the constructive and harmful facets of digital media, the risk elements and safeguarding factors, the actions and strategies, and the forthcoming paths and consequences. It is going to also give helpful suggestions and advice for participants, parents, instructors, and professionals, on how to use digital media in a healthful and dependable method.
