First World War Plays

2014-06-19 Mark Rawlinson The First World War (1914–1918) marked a turning point in modern history and culture and its literary legacy is vast: poetry, fiction and memoirs abound. But the drama of the period is rarely recognised, with only a handful of plays commonly associated with the war. *First World War Plays* draws together canonical and lesser-known plays from the First World War to the end of the twentieth century, tracing the ways in which dramatists have engaged with and resisted World War I in their works.

Spanning almost a century of conflict, this anthology explores the changing cultural attitudes to warfare, including the significance of the war over time, interwar pacifism, and

historical revisionism. The collection includes writing by combatants, as well as playwrights addressing historical events and national memory, by both men and women, and by writers from Great Britain and the United States. Plays from the period, like *Night Watches* by Allan Monkhouse (1916), *Mine Eyes Have Seen* by Alice Dunbar-Nelson (1918) and *Tunnel Trench* by Hubert Griffith (1924), are joined with reflections on the war in *Post Mortem* by Noël Coward (1930, performed 1944) and *Oh What A Lovely War* by Joan Littlewood's Theatre Workshop (1963) as well as later works *The Accrington Pals* by Peter Whelan (1982) and *Sea and Land and Sky* by Abigail Docherty (2010). Accompanied by a general introduction by

editor, Dr Mark Rawlinson.

Papers

1950 Winifred Atwell The collection includes correspondence, 1959-80, a large number of press clippings reflecting the English part of Atwell's career with some Australian content, 1958-60, music manuscripts, arrangements, orchestra and band parts, and some sheet music. Songs with music by Winifred Atwell and words by J. Daniels (Folio 1), copy of Atwell's "Swanee River Boogie", sheet music of her "Jubilee Rag" and manuscripts of accompanying parts, and sheet music of "Dill Pickles, Oh! what a lovely war", and "Hawaiian Cha-Cha", arranged by Atwell, with manuscript band arrangements, are included.

Music of the First World War

2016-03-21 Don Tyler This book discusses WWI-era music in a historical context, explaining music's importance at home and abroad during WWI as well as examining what music was being sung, played, and danced

to during the years prior to America's involvement in the Great War. Why was music so important to soldiers abroad during World War I? What role did music—ranging from classical to theater music, rags, and early jazz—play on the American homefront? Music of the First World War explores the tremendous importance of music during the years of the Great War—when communication technologies were extremely limited and music often took the place of connecting directly with loved ones or reminiscing via recorded images. The book's chapters cover music's contribution to the war effort; the variety of war-related songs, popular hits, and top recording artists of the war years; the music of Broadway shows and other theater productions; and important composers and lyricists. The author also explores the development of the fledgling recording industry at this time.

The Secret History of Soldiers

2018-09-18 Tim Cook There have been thousands of books on the Great War, but most have focused on commanders, battles, strategy, and tactics. Less attention has been paid to the daily lives of the combatants, how they endured the unimaginable conditions of industrial warfare: the rain of shells, bullets, and chemical agents. In *The Secret History of Soldiers*, Tim Cook, Canada's foremost military historian, examines how those who survived trench warfare on the Western Front found entertainment, solace, relief, and distraction from the relentless slaughter. These tales come from the soldiers themselves, mined from the letters, diaries, memoirs, and oral accounts of more than five hundred combatants. Rare examples of trench art, postcards, and even song sheets offer insight into a hidden society that was often irreverent, raunchy, and anti-authoritarian. Believing in supernatural stories was another way soldiers shielded

themselves from the horror. While novels and poetry often depict the soldiers of the Great War as mere victims, this new history shows how the soldiers pushed back against the grim war, refusing to be broken in the mincing machine of the Western Front. The violence of war is always present, but Cook reveals the gallows humour the soldiers employed to get through it. Over the years, both writers and historians have overlooked this aspect of the men's lives. The fighting at the front was devastating, but behind the battle lines, another layer of life existed, one that included songs, skits, art, and soldier-produced newspapers. With his trademark narrative abilities and an unerring eye for the telling human detail, Cook has created another landmark history of Canadian military life as he reveals the secrets of how soldiers survived the carnage of the Western Front.

Soldiers of Song

2012-11-06 Jason Wilson The seeds of irreverent humour that inspired the likes of Wayne and Shuster and Monty Python were sown in the trenches of the First World War, and The Dumbells—concert parties made up of fighting soldiers—were central to this process. Soldiers of Song tells their story. Lucky soldiers who could sing a song, perform a skit, or pass as a “lady,” were taken from the line and put onstage for the benefit of their soldier-audiences. The intent was to bolster morale and thereby help soldiers survive the war. The Dumbells’ popularity was not limited to troop shows along the trenches. The group also managed a run in London’s West End and became the first ever Canadian production to score a hit on Broadway. Touring Canada for some twelve years after the war, the Dumbells became a household name and made more than twenty-five audio recordings. If nationhood was won on the crest of Vimy Ridge, it was the Dumbells who

provided the country with its earliest soundtrack. Pioneers of sketch comedy, the Dumbells are as important to the history of Canadian theatre as they are to the cultural history of early-twentieth-century Canada.

Oh What A Lovely War

2014-08-11 Theatre Workshop Oh What a Lovely War is a theatrical chronicle of the First World War, told through the songs and documents of the period. Devised and first performed by Joan Littlewood's Theatre Workshop at the Theatre Royal, Stratford East, London in 1963, it received the acclaim of London audiences and critics. It won the Grand Prix of the Théâtre des Nations Festival in Paris that year and has gone on to become a classic of the modern theatre. In 1969 a film version was made which extended the play's popular success. The play is now on the standard reading list of schools and universities around the UK and was revived by the Royal National Theatre in 1998, and by the Theatre Royal, Stratford

East, in 2014. This new edition of the play, published to coincide with the 2014 revival of the play at its original home on the centenary of World War I, is as edited by Joan Littlewood and returns the script to its original version. The edition includes an introduction by Joan Littlewood and an afterword by Victor Spinetti.

twentieth century. This volume concentrates on non-U.S. aspects of the conflict. Organized alphabetically, its more than 600 detailed entries offer information and insight on such subjects as the causes of the conflict, major battles and campaigns, weapons systems (including military aviation, chemical warfare, the submarine, and the tank), and the terms of the peace. Some 350 biographies provide information on the roles played in the conflict by generals, admirals, and civilian leaders. There are also biographies of individuals who were shaped by the war, such as Charles De Gaulle, Adolf Hitler, Benito Mussolini, and Joseph Stalin; essays on each of the countries involved in the conflict; new appraisals of such subjects as military medicine and artillery tactics; and essays on such diverse subjects as art, literature, and music in the war. Each entry has references for additional reading, and a subject index provides easy access. The volume is an excellent reference work.
