The Mystery of the Missing Diamond

It was a gloomy and turbulent night. The downpour was falling heavily, and the wind was howling. In the center of the city, there was a exhibition, where a invaluable diamond was on exhibit. The diamond was known as the African Star, and it was the largest and most stunning diamond in the world. It was secured by a advanced security system, and a group of armed guards. No one could pilfer it, or so they believed. But an individual did. An individual succeeded to bypass the protection, to avoid the sentinels, to break the pane, and to take the diamond. And no one observed them, no one listened to them, no one identified who they were. They left no trace, no lead, no proof. They vanished into the night, with the Star of Africa. And the riddle of the missing diamond began.

The Peabody Picture Vocabulary Test 4th Edition (PPVT-4) is a highly regarded vocabulary evaluation that has been in use for close to half a century. Developed by Lloyd M. Dunn and Douglas M. Dunn, the test is crafted to measure receptive vocabulary for Standard American English. It is fast and simple to carry out, preserving valuable time so that focus can be placed on implementing intelligent strategies. The PPVT-4 test content includes a wide range of vocabulary comprehension levels, spanning from preschool through adulthood. The assessment items broadly include words that depict 20 topic domains (e.g., actions, vegetables, tools), speech parts (nouns, verbs, attributes), and household and educational vocabulary. The test gives two equivalent editions which hold different vocabulary words, making sure that the person has not "mastered" the evaluation. One edition can be utilized ahead of intervention implementation to assess test-takers' vocabulary understanding and the other form can be employed for re-evaluation to evaluate and record advancement. The PPVT-4 also features a distinctive Growth Scale Value (GSV) which is reactive to small changes in time.
