Star Wars which Altered Chronicle
It was the time 23, and the world stood at the verge of war. The USA and PRC, the two world powers, had been engaged in a intense rivalry, vying for resources, influence, and dominance. They had developed advanced weapons, including laser weapons, drones, and satellites, which can attack anywhere, any time. They had also secretly built space stations, which could deploy nuclear missiles, that can destroy the planet. They were both ready to employ them, if at all needed. But they were not the only ones. There was a third power, a secret power, which had been observing them, waiting patiently for them both, getting ready for them. They were ETs, and they had come to halt them. They had come to rescue the globe, or to end it all. They had come come to initiate the space wars which altered past.
