Journey of a Thousand Miles

He was tired of his living. He was bored, depressed, and discontented. He had a job he hated, a boss he loathed, and a partner he didn't love. He had no passion, no aim, no meaning. He felt like he was misusing his time, his capability, his existence. He desired to alter, he wished to run away, he wished to survive. He chose to leave his employment, to end things with his girlfriend, to sell his possessions, and to acquire a direct fare to the other side of the earth. He didn't know where he was heading, he didn't understand what he was doing, he didn't realize what he was seeking. He only realized that he had to depart, that he had to discover, that he had to uncover. He set out on a trip of a thousand kilometers, a journey of thrill, of obstacle, of education, of growth, of transformation.
