2021-01-19 Catherine Cowles One night was all it took for everything to change. From college student to guardian in a single breath. My siblings became my world. No time for date nights or romantic dreams. I traded quiet weekends for sleepless nights. Giving my all to make sure they were cared for. But Griffin had a brokenness that called to me—one that mirrored my own. Gruff and just a little bit reckless. He was the last thing I needed. But everything I wanted. Only someone isn't happy about this new life I'm building. Deciding to set fire to everything I hold close. And when the smoke clears, there might be only ashes left behind... ***** Read what others are saying about Wrecked Palace: "A tortured hero, an inspirational heroine, suspense, and a slow-burn romance are the perfect recipe for a book that will utterly captivate readers. Kemp: The Road to Crécy

2018-04-23 Jonathan Lunn An epic Medieval adventure of the Hundred Years War When Martin Kemp joins the English army in order to avoid the hangman, he may just be delaying the inevitable. While he remains hopeful that at least there's the chance for some heroics, the reality is very different. Kemp's war is instead a terrifying odyssey through the panic and confusion of his first battle, the brutal realities of siege warfare, and eventually to the field of Crécy, where he faces the armoured might of the French nobility. But as an elite longbowman, when it comes to winning or losing, he could have a vital - though dangerous - part to play. This stunning adventure brings the medieval world vividly to life, and is ideal for fans of Bernard Cornwell, Matthew Harffy and Giles Kristian.
