It had been the time 2023, and the world was at the verge of battle. The United States and PRC, the pair of world powers, were engaged in a ferocious contest, contending for resources, influence, and supremacy. They had both developed sophisticated armaments, such as laser weapons, drones, and spacecrafts, that can strike any place, any time. They had also covertly built space stations, which could deploy atomic weapons, that can obliterate the planet. They were both prepared to use them, if at all needed. But they were alone. There existed a third force, a secret entity, which had observing them both, waiting for them, getting ready for them both. They were aliens, and they had come arrived to halt them. They had come come to save the world, or to end it all. They had come arrived to initiate the galactic wars which altered chronicle.
