### This Rebel Heart

2023-11-14 Katherine Locke A tumultuous tale of the student-led 1956 Hungarian revolution set in a colorless post-WWII Budapest—where the magical Danube river has plans of its own—from Sydney Taylor Honor winner Katherine Locke. “A haunting, beautiful read that centers queer Jewish characters.” —BuzzFeed In the middle of Budapest, there is a river. Csilla knows the river is magic. During WWII, the river kept her family safe when they needed it most--safe from the Holocaust. But that was before the Communists seized power. Before her parents were murdered by the Soviet police. Before Csilla knew things about her father's legacy that she wishes she could forget. Now Csilla keeps her head down, planning her escape from this country that has never loved her the way she loves it. But her carefully laid plans fall to pieces when her parents are unexpectedly, publicly exonerated. As the protests in other countries spur talk of a larger revolution in Hungary, Csilla must decide if she believes in the promise and magic of her deeply flawed country enough to risk her life to help save it, or if she should let it burn to the ground. With queer representation, fabulist elements, and a pivotal but little-known historical moment, This Rebel Heart is Katherine Locke's tour de force.

### *Gunslinger Girl*

2018-01-02 Lyndsay Ely James Patterson presents a bold new heroine -- a cross between Katniss Everdeen and Annie Oakley: Serendipity Jones, the fastest sharpshooter in tomorrow's West. Seventeen-year-old Serendipity "Pity" Jones inherited two things from her mother: a pair of six shooters and perfect aim. She's been offered a life of fame and fortune in Cessation, a glittering city where lawlessness is a way of life. But the price she pays for her freedom may be too great . . . In this extraordinary debut from Lyndsay Ely, the West is once again wild after a Second Civil War fractures the U.S. into a broken, dangerous land. Pity's struggle against the dark and twisted underbelly of a corrupt city will haunt you long after the final bullet is shot.

### *Sexual Violence in Armed Conflict*

2007 Megan Bastick "In it's first part, the Global Overview, the report profiles documented conflict-related sexual violence in 51 countries - in Africa, the Americas, Asia, Europe and the Middle East - that have experienced armed conflict over the past twenty years. The second part of the report, entitled Implications for the Security Sector, explores strategies for security and justice actors to prevent and respond to sexual violence in armed conflict and post-conflict situations"--P. 4 of cover.

### Siege of the Seven Sins

2021-07-28 Emily Colin Rogue bellators Eva and Ari have escaped the Commonwealth, but their newfound freedom has a steep price. Now Eva must choose between the cause she lives for and the boy she loves.

### *Sexed Pistols*

2009 Vanessa Farr Every day, small arms and light weapons (SALW) kill, wound, and threaten millions of adults and children. Due to their widespread availability, mobility, and ease of use, prolific SALW have become central to maintaining social dislocation, destabilization, insecurity, and crime in the build-up to war, during wartime, and in the aftermath of conflict. Small arms are misused within domestic settings, as well as in public spaces, affecting everyone in the community without regard to sex or age. The impact of these weapons can be vastly different for women and men and for girls and boys. However, careful consideration of gender and age is rare in the formulation of small arms policy, of planning small arms collection or control, or even in small arms research. To counter the effects of prolific SALW, their role in gender- and age-specific violence must be more deeply analyzed and the results applied at the policy and operational level. This work should be undertaken in war-afflicted contexts, in societies suffering from elevated levels of social violence and / or severe underdevelopment, and in those tolerant of the presence of individually owned firearms. Contributors to the book draw on experience and research from around the world on the nexus of gender, age, violence, and small arms in developing and developed countries. They provide a number of recommendations for policies, programs, and research designed to further illuminate and counteract the firing of the "sexed pistol."
