Star Wars which Transformed Chronicle

It had been the year 2023, and the globe was at the edge of conflict. The United States and China, the pair of superpowers, were locked in a ferocious rivalry, competing for supplies, influence, and dominance. They had both developed sophisticated arms, such as lasers, drones, and spacecrafts, which could hit anywhere, anytime. They had also secretly built orbital stations, that can launch atomic weapons, which can destroy the world. They were ready to use these weapons, if at all necessary. But they were the only ones. There existed a third entity, a secret force, which had been observing them, waiting for them, preparing for them. They were ETs, and they had come arrived to halt them both. They had arrived to save the world, or to finish it. They had arrived to begin the galactic wars which altered past.
