In Eve's Attire

2022-03-03 Delphine Horvilleur Does modernity trample on tradition, or can it in fact be a vehicle for the sacred? How can one determine whether an interpretation is legitimate, anachronistic or corrupted? Does sexual obsession have a textual origin, and is it woman's destiny to be veiled? In Eve's Attire confronts these questions and more to suggest another interpretation of religious traditions surrounding the female body and the erotic. As current fundamentalist religious discourse expresses a growing fixation on modesty, women are increasingly reduced to those parts of their bodies that arouse desire, effectively "genitalised" until the totality of their bodies becomes taboo. In resistance to such interpretations of religious text, which see even a woman's voice as an erotic organ to be silenced, Rabbi Delphine Horvilleur looks not only at religious texts themselves, but also at their interpreters, as she unpicks readings that make the woman a temptress, and modesty the instrument of her oppression. She shows us how nakedness, as expressed by Adam, Eve or Noah, refers to a culture of desire and not a wish to suppress it and explores how the veil was originally intended: not to reject, but to approach the other. Through her analysis of the meaning of modesty and nudity in Judaism, Delphine Horvilleur explores the societal and religious obsession with the female body and its representation and asks questions about how we can engage more critically with interpretations of sacred texts. Come i rabbini fanno i bambini

2006-02-08 Delphine Horvilleur In un'epoca di crisi, cosa significa appartenere e trasmettere? Contrariamente a ciò che affermano i fondamentalismi, la trasmissione di un retaggio non deve essere una replica dell'identico. Oggi come ieri, per far emergere l'inedito essa dipende da una parziale infedeltà. Coniugando filiazione e rottura, la tradizione ebraica si rinnova nutrita dal suo incontro con gli altri. Ciò implica l'apertura allo straniero, così come l'apertura al femminile. Questo libro è dunque prima di tutto un'esortazione a fertilizzare i testi sacri con letture inedite. Con questa visione aperta della religione, Delphine Horvilleur rivisita alcuni episodi della Genesi, in particolare quelli di Adamo ed Eva, Caino e Abele: la storia biblica dei primi genitori e dei primi figli dell'umanità. Tre sono poi i temi affrontati: come si forma, secondo l'ebraismo, un genitore, una identità e un desiderio, ossia la possibilità di generare il futuro. Con chiarezza e humour, citando la Torà e il Talmud, ma anche Romain Gary e Amos Oz, la Horvilleur conclude il suo libro con una analogia tra il testo sacro e il femminile, dotati entrambi della capacità di crescere e moltiplicare.

Matters of Life and Death

Anti-Semitism Revisited

2021-02-11 Delphine Horvilleur Rabbi Delphine Horvilleur analyses the phenomenon of anti-semitism as it is viewed by those who endure it and who, through narration and literature, succeed in overcoming it. Jewish texts are replete with treatments of anti-semitism, of this endlessly paradoxical hatred, and of the ways in which Jews are perceived by others. But here, the focus is inverted: Anti-Semitism Revisited explores the hatred of Jews as seen through the lens of the sacred texts, rabbinical tradition and Jewish lore. Delphine Horvilleur gives a voice to those who are too often deprived of one, examining resilience in the face of adversity and the legacy of an ancient hatred that is often misunderstood. An engaging, hopeful and very original examination of anti-semitism: what it means, where it comes from, what are the ancient myths and tropes that are weaponised against Jewish people, and how do we take them apart.

Sacred Encounter

2014-03-01 Lisa L. Grushcow This wide-ranging anthology takes a close look at the breadth of human sexuality from a Jewish perspective. The essays begin with a look at biblical and rabbinic views on sexuality, and then proceed to explorations of sexuality at different moments in the life cycle, sexuality and the marital model, diverse expressions of sexuality, examples of sexuality education, the nexus of sexuality and theology, and the challenges of contemporary sexual ethics. The Sacred Encounter is a thought-provoking and important Jewish resource. Perfect for personal study, or for high school or adult classes.

Books-in-Brief: Anthropomorphic Depictions of God

2012-01-01 Zulfiqar Ali Shah This monumental study examines issues of anthropomorphism in the three Abrahamic Faiths, as viewed through the texts of the Hebrew Bible, the New Testament and the Qur'an. Throughout history Christianity and Judaism have tried to make sense of God. While juxtaposing the Islamic position against this, the author addresses the Judeo-Christian worldview and how each has chosen to framework its encounter with God, to what extent this has been the result of actual scripture and to what extent the product of theological debate, or church decrees of later centuries and absorption of Hellenistic philosophy. Shah also examines Islam's heavily anti-anthropomorphic stance and Islamic theological discourse on Tawhid as well as the Ninety-Nine Names of God and what these have meant in relation to Muslim understanding of God and His attributes. Describing how these became the touchstone of Muslim discourse with Judaism and Christianity he critiques theological statements and perspectives that came to dilute if not counter strict monotheism. As secularism debates whether God is dead, the issue of anthropomorphism has become of immense importance. The quest for God, especially in this day and age, is partly one of intellectual longing. To Shah, anthropomorphic concepts and corporeal depictions of the Divine are perhaps among the leading factors of modern atheism. As such he ultimately draws the conclusion that the postmodern longing for God will not be quenched by pre-modern anthropomorphic and corporeal concepts of the Divine which have simply brought God down to this cosmos, with a precise historical function and a specified location, reducing the intellectual and spiritual force of what God is and represents, causing the soul to detract from a sense of the sacred and thereby belief in Him.

Guerra per immagini. Dal mito di Cadmo al terrore dell'ISIS

2015-09-11 Associazione di studi umanistici Leusso Questo numero di Leussen affronta la questione dell'incredibile successo mediatico e militare che un ben organizzato gruppo di fondamentalisti salafiti sta riscuotendo nella zone a confine tra Siria e Iraq. lì dove sta nascendo un nuovo stato: l'IS. Ciò che più sorprende di questi miliziani è la loro abilità sia nel comunicare sia nel conquistare e mantenere terreno. Sono due aspetti che si tengono e si rafforzano insieme, lasciando intravedere una strategia ben delineata: non si conquista e difende uno spazio fisico se non si conquista e alimenta uno spazio immaginario. Le immagini di guerra sono reali quanto le donne e gli uomini che la combattono.
