2019-08-07 Ben Settle If you want the secret weapons of persuasion and influence used by the world's most cunning Villains, then this book can give them to you. It's called: Villainous Weapons of Persuasion This gem includes: - Bullseye's "N-Word" that makes ordinary men quake in terror - this word most men fear can persuade even cold and indifferent women to pursue you... lets businesses charge top fees for imperfect products... and was used by a business author to make more money selling water filters door-to-door part time than he did as an airline pilot! - The Emperor Palpatine way to turn flaws into reasons to believe you - this powerful method is taught by one of the world's greatest sales trainers, was used by Walt Disney to get investor funding for his first theme park when it was overrun with ugly weeds, and turned a small car rental company into one of the biggest in history. - Walter White's trick for getting people no choice but to do as you say- this gutsy trick was used by a famous ad man to make bullies submit to him... by a preacher to persuade evil men to fear even looking at him... and by a pitchman to persuade entire cities to build skyscrapers back when people were plunging to their deaths in elevators. - Pennywise the clown's spear of influence that impales all resistance to doing as you say - this deadly weapon of persuasion was used by mail-order men to sell expensive products to skeptical strangers sight unseen... by a telemarketer to sell \$200,000 stocks to people who hated his guts... and by authors to sell billions worth of Bible-related books

the world over. - Freddy Krueger's secret for slashing away skepticism - this was used by one of New York's top salesmen, a garbage service to get featured on Oprah, Johnny Carson to become the most recognized man on TV, and even a desperate publisher to get libraries to loan him non-circulating books. - Apollo Creed's method of "preeminence" - this means wherever you go, people already know, trust, and respect you, and was used by celebrity inventors (like Thomas Edison), entertainers (like Frank Sinatra), actors (like Steve McQueen), artists (like Pablo Picasso), and even great comic book writers (like Stan Lee) to get whatever they wanted. - Donald Trump's ace-in-the-hole for turning slander into influence - this lets you benefit from accusations or personal attacks - like Donald Trump used it to get himself elected President, husbands using it to silence wives trying to emasculate them, and even this book's author to turn being slandered by a rapper into \$30k in book sales in a week. ### How to Write a Good Advertisement

2015-10-28 Victor O. Schwab This book might well have carried the subtitle Or 44 Years in the Copy Department instead of its present one. Even a copywriter, whose breed is not noteworthy for arithmetical prowess, could not escape arriving at the conclusion that the number of years from 1917 to 1961 totals forty-four. And, Heaven help me!, for that seeming aeon of time the major interest of the author has been advertising copy—good, bad, and indifferent. That a large measure of this past experience has been associated with a particularly demanding kind of advertising copy may, as will be explained, be an advantageous circumstance for the reader of this book, regardless of what type of copywriting job confronts him. For the subject of the book is not the writing of mail-order copy. Its sole purpose is to lend a hand to any copywriter (or student of copy-writing) whose ambition is to create advertisements which are more resultful, no matter what the product is or how and where it is sold. As to why the author's background of experience may represent an advantageous circumstance for such copywriters, I will leave to an infinitely more capable pen than mine—that of no less an authority than Claude G. Hopkins, one of the greatest copywriters of "general" advertising who

*Crypto Copywriting Secrets How To Create Profitable Sales Letters Fast Even If You Cant Write Your Way Out Of A Paper Bag Now Pdf Pdf upload Suny x Williamson*

ever lived: "Mail-order advertising is difficult. But it is educational. It keeps one on his mettle. It fixes one's viewpoint on cost and result. The advertising-writer learns more from mail-order advertising than from any other." Therefore, if you are looking for guidance specifically concerned with the writing of mail-order advertising, this is not your book. On the other hand, if in the writing of any type of advertising you want more of your copy to achieve the selling effectiveness imperative for any mail-order man who wants to continue eating heartily, this book may prove helpful to you. At any rate, you are the person for whom it was written. Much of its information will probably recall to your mind the aphorism, "We need not so much to be instructed as to be reminded." And that's all to the good. Finally, and appertaining to the passages which are reminiscent in nature, the author has tried to avoid any necessity for later having to admit, like Mark Twain, that "When I was very young I could remember anything, whether it happened or not. But now I am older and I can only remember the latter." Victor O. Schwab

### Crackerjack Selling Secrets

2017-08-24 Ben Settle If you'd like to learn the best-kept secrets used by history's most persuasive men, this letter shows you how. Here's the scoop: This new Book has been published called: "Crackerjack Selling Secrets" It's short and based on simplicity. To help decide if it's for you, here are some secrets inside: \* The pick-up artist's "instant ice-breaking" secret for getting people to like and trust you in seconds of meeting you. \* A borderline "racist" (and even sexist) sales principle that instantly makes people more likely to buy from you. (Don't worry--there's nothing unethical or evil about it. In fact, people APPRECIATE it when you do it.) \* The "nerd gets cheerleader" persuasion trick that makes it extremely hard for customers to resist buying from you. (Even if they didn't intend to!) \* An almost unheard of way to use vicious gossip to sell more. (Benjamin Franklin did this to get hostile kings of enemy countries to listen to his ideas while a U.S. diplomat.) \* How to "de-hype" your most powerful and outrageous claims. (Mr. Spock often did this Star Trek to persuade Captain Kirk to do something crazy.) \* The secret of selling with your hands. (Nobody in the history of mankind has ever been able to ignore a sales pitch by someone who does this with one of their hands.) \* How to get cold prospects to EAGERLY buy your most expensive products "sight unseen" (This was discovered years ago by a social psychologist, takes zero effort to use, and is so effective it might be the only sales "technique" you ever need!) \* How a man once billed as "the world's greatest salesman" sold

millions of dollars in products by NOT talking. (PERFECT if you're introverted, shy, or feel awkward when selling.) \* A sneaky (& fun) way to "trick" your competition into selling for you... without them even knowing! (Warning: ONLY works for truly valuable products & services. Otherwise, it will backfire on you.) \* A can't-lose way to "flip" angry prospects into your happiest & BEST paying customers. (An airline did this when a flight was delayed several hours and had people on board loving the company within minutes.) \* The "bumbler's advantage" persuasion phenomenon used by some of history's most effective salesmen, politicians, negotiators, & lawyers. \* The simple trick used by professional con men that makes it almost impossible for prospects to tell you "no." (There's absolutely nothing even remotely unethical, illegal or immoral about doing this.) \* The "un-sexy" secret of a trial lawyer who NEVER loses. (This man was once accused of "hypnotizing" a jury using this innocent tip found here.) \* A simple way to "spin" a prospect's rejection into multiple sales. (Say this when someone tells you "no" and watch. You might even start praying for "no's" after reading this!) \* A secret "2 second" trick for selling high-ticket products and services to complete strangers. \* The "Dear Abby" persuasion formula used by a few (rich) marketers to slip past peoples' natural defenses. (Even works with people who automatically ignore sales pitches on sight!) \* How top door-to-door salesmen quickly and easily "neutralized" prospect sales resistance. (Works online, too.) \* How "the most persuasive 20th century man" effortlessly sold big-ego Wall Street tycoons, political power players, and U.S. presidents on his ideas. \* 7 simple words that almost force "hemmers & hawers" off the fence. (And, in many cases, choose to buy what you're selling!) \* So much more! Best part: No fancy closes, enduring withering rejection, or superhuman persistence needed. Grab your copy today and watch your sales soar as early as tonight...

How being nice makes people hostile (And no, you don't have to sell your soul or be a dick to anyone.) Embrace selfishness to help others. (You'll notice things fall in place: Chicks, family, colleagues, and bosses!) And so much more!
