Star Wars that Changed Past

It was the time 23, and the globe stood at the verge of war. The U.S. and PRC, the pair of world powers, were locked in a fierce contest, contending for supplies, dominance, and dominance. They had both engineered advanced arms, including lasers, drones, and satellites, that could hit any place, any moment. They had secretly established orbital stations, that can launch atomic weapons, which can obliterate the world. They were both ready to use these weapons, if needed. But they were not the only ones. There was a third force, a concealed force, that had observing them, waiting for them, preparing for them both. They were aliens, and they had come come to stop them both. They had come arrived to save the globe, or to finish it all. They had come come to start the star wars that transformed history.
