The publication "Analyzing Casual Conversation" by Suzanne Eggins and Diana Slade, originally released in 1997, creates a organized model for the examination and description of casual conversation in English. The scholars argue that notwithstanding its sometimes aimless seeming and apparently unstructured material, casual conversation is a extremely structured undertaking and has a crucial part in the social building of reality. The publication proceeds through authentic samples of casual conversations involving participants diverging in age, gender, ethnicity, and socio-economic class¹². Pulling on understandings from sociology, linguistics, and critical semiotics, the work equips readers with the analytical skills to depict the layers of structure and critical interpretive structures to clarify the 'social work' that goes on through chat.
