## **South St. Paul: A Brief History**

2015 Lois A. Glewwe Incorporated in 1887, South St. Paul grew rapidly as the blue-collar counterpart to the bright lights and sophistication of its cosmopolitan neighbors Minneapolis and St. Paul. Broad swaths of empty buildings were razed as an enticement to promised redevelopment programs that never happened. In 1990, South St. Paul began to chart out its own successful path to renewal with a. pristine riverfront park, a trail system and a business park where the stockyards once stood. 2018-05-11 Angela Pool-Funai Ethics in Fiscal Administration: An Introduction integrates ethics into the public administration curriculum by weaving ethical dilemmas into the financial management and budgeting process of the public and nonprofit sectors. Inquiry-based discussion prompts challenge students to examine scenarios that they are likely to encounter in professional public service careers. Critics of the public sector often use the analogy that government should be run more like a business. Issues such as profitability versus social value preclude the public sector from becoming a mirror image of the private sector; however, ethical decision making in fiscal administration is an important concern across sectors.
