The Life and Death of Sophie Stark 2015-05-19 Anna North Winner of the 2016 Lambda Literary Award for Bisexual Fiction "I read The Life and Death of Sophie Stark with my heart in my mouth. Not only a dissection of genius and the havoc it can wreak, but also a thunderously good story."—Emma Donoghue, New York Times bestselling author of Room "This novel is perceptive, subtle, funny and lingers in unexpected ways. The analysis of a woman who puts her art above all else is equal parts inspiration and warning story. Anna North makes prose look easy."—Lena Dunham Gripping and provocative, The Life and Death of Sophie Stark is a haunting story of fame, love, and legacy told through the propulsive rise of an iconoclastic artist. Sophie Stark begins her filmmaking career by creating a documentary about her obsession, Daniel, a college basketball star. But when she becomes too invasive, she finds herself the victim of a cruel retribution. The humiliation doesn't stop her. Visionary and unapologetic, Sophie begins to use stories from the lives of those around her to create movies, and as she gains critical recognition and acclaim, she risks betraying the one she loves most. Told in a chorus of voices belonging to those who knew Sophie best, The Life and Death of Sophie Stark is an intimate portrait of an elusive woman whose monumental talent and relentless pursuit of truth reveal the cost of producing great art. It is "not only a dissection of genius and the havoc it can wreak, but also a thunderously good story" (Emma Donoghue).

Phantom Evil 2020-07-13 Heather Graham Return to where it all started: New Orleans, the birthplace of the Krewe of Hunters, the FBI's elite paranormal investigation unit. Rediscover the first case in book 1 of the New York Times bestselling series, only from Heather Graham. Though haunted by the recent deaths of two teammates, Jackson Crow knows that it's the living who commit the most heinous crimes. As a police officer using her sometimes-otherworldly intuition, Angela Hawkins already has her hands full of mystery and bloodshed. Under the oversight of Adam Harrison, Jackson and Angela will join a newly formed unit of the FBI, with the extraordinary opportunity to use their psychic talents. And the first assignment calls to them too strongly to resist. In a historic mansion in the French Quarter, a senator's wife falls to her death. Most think she jumped; some say she was pushed. Yet others believe she was beckoned

by the ghostly spirits inhabiting the house—once the site of a serial killer's grisly work. In this seemingly unsolvable case, only one thing is certain: whether supernatural or all too human, crimes of passion will cast Jackson and Angela straight into danger. Originally published in 2011

Codi's Journey 2011-05 Jeff Maziarek Early in his relationship with his beloved Border Collie, Jeff Maziarek had a sense that "beneath the fur" there was a sentient being with far deeper insights into life than commonly thought. And, in their last year together some mystical events completely confirmed the accuracy of that feeling. In Codi's Journey, Jeff describes these events within the context of an inspiring and heartfelt narrative illustrating the very challenging circumstances Codi faced during her final 12 months. Any dog owner who has ever shared stories about the "humanness" of their pet, as well as any adult who has ever loved & lost a beloved animal companion, will surely find this work captivating. To provide even greater depth into Codi's story, Jeff details how this feisty canine became a part of his family. He likewise shares many engaging anecdotes about her personality and several of her more memorable adventures over the years. A charming photo gallery with 42 captioned images further brings Codi to life, featuring snapshots from the night she arrived as a 10-week-old puppy to the final week of her life. "Codi's story is one told with great heart; you will care about this dog as you think about your own dogs. Anyone who has ever loved and lost canine companions will definitely identify with this work."- Steve Dale, syndicated radio host: WGN Radio; "Pet World;" syndicated columnist, USA Weekend Contributing Editor "This book captures the dynamics of being a pet owner and the guilt, grief, and commitment that many pet owners go through in loving and losing a pet. As someone who has "been there," it was reassuring that I am not the only one to feel those things, to do whatever it took to save them and, when the time came, to let them go. Any book that can stir laughter as well as tears is a wonderful story. Codi's Journey is awesome." - Terri Wernert, Great Lakes Border Collie Rescue "I've experienced the extraordinary love and grievous loss that comes when we're lucky enough to share our lives with amazing creatures. Codi's Journey tells that story with candor, joy & tears. Since they cannot stay long, our four-legged kids teach so much about the importance of honoring each and every moment we're given with them, a lesson we might do well to apply elsewhere. A friend once told me that dogs are angels sent down to look after us. Codi's Journey affirms that belief " - Catherine Crier, Author, Former Judge, Award-Winning Journalist, and TV Broadcaster "For anyone who has experienced a spiritual canine connection, Codi's Journey is a must read. It's a touching tribute to a man's search for a very special pup and the heart-warming life journey they shared." - Eugenia Last, Internationally Syndicated Astrologist and Author "This is a remarkable story of a man's best friend and the powerful bond between dog and owner that will make you laugh, as you read about Codi's playful way of teaching wisdom, and cry as man & friend prepare for the next steps in life's great journey. It is a definite "must-read" for dog lovers who have lost a dear canine friend." - Pete Koerner, author of "The Belief Formula" Author's Personal Note: My foremost intention with this work is to share an authentic story with two key messages. First, that our pets actually are "sages with fur" with a far greater understanding of life (and us) than commonly thought. Second, that it's perfectly normal to feel intense & long-lasting grief at the loss of a pet. This is particularly so when that animal served as an adult's primary companion for years. In this regard, I sincerely want any reader who also has experienced such a loss to know that someone truly does understand the sadness and emptiness they felt when their beloved pet passed on. Finally, it's my hope that such readers come to understand how important it is to fully process their feelings of grief by really feeling them rather than keepin

The Island of the Elyms 2006-11 Yvonne Cardogna The novel The Island of the Elyms is set in a village of Sicily. It touches four generations of a well-to-do family and relates the tragic and humorous occurrences in the life of each member of that family. The story is narrated by a young girl, Marianna, whose romantic ideals and openness are often in conflict with the secretive and reserved nature of her family. Marianna loves the more salubrious and rustic lifestyle of the land-workers as opposed to the refined and sophisticated lifestyle of her aristocratic family. She feels the former to be an honest way of life and the latter a pretentious and artificial one. Marianna, with the exuberance of youth, would like to see a radical change in the way her family deals with certain issues. She herself represents a slowly changing society. However, the people whose beliefs have been forged and impressed into their very soul by generations of tumultuous historical events, are resistant to change. Eventually, Marianna learns to appreciate the island's cultural richness and its paradox. A sense of history and mythology, superstition and religion, in fact, often exist alongside one another and are portrayed in the novel. The novel touches also on both the First and Second World Wars because two members of Marianna's family, her grandfather and father, fought in each war respectively. It depicts every human emotion by means of adopting humor and tragedy throughout. One might say that in the novel The Island of the Elyms there is a book within the book as the lives of Marianna's great grandparents and grandparents emerge. The former being read by Nonna from her mother's memoirs and the latter narrated by Nonna herself. When finally Marianna is comfortable with who she is - different from the rest of her family, she is torn away from her birthplace for the great unknown which happens to be Australia. The story ends with the uprooting of the girl by the family, who, in turn, has to forfeit and abandon every dream, and thus becoming the innocent victim of the tragedy of emigration.

It hopes to alleviate the loss—when it invariably comes—and reminds one in all, what life is all about. Till we meet again. Auf ein Wiedersehen. A vizsont latasra."

Death Waits in the Dark 2020-08-04 Mark Edward Langley It took all of thirty seconds for two shots to bring the world of Margaret Tabaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

Their bond was unbreakable, and they vowed to stay connected, to cherish their connection, and to never let their love fade. But life, as it often does, had a different path in store for them.
