Loose Leaf Fundamentals of Corporate Finance

2019-03-11 Richard A. Brealey Brealey, Fundamentals of Corporate Finance, 10e, is an introduction to corporate finance and focuses on how companies invest in real assets, how they raise the money to pay for the investments, and how those assets ultimately affect the value of the firm. It also provides a broad overview of the financial landscape. The book offers a framework for systematically thinking about most of the important financial problems that both firms and individuals are likely to confront. Fundamentals is organized around the key concepts of modern finance. These concepts, properly explained, simplify the subject. They are also practical. The tools of financial management are easier to grasp and use effectively when presented in a consistent conceptual framework. This text provides that framework.

Journey of a Thousand Miles

He was weary of his life. He was uninterested, unhappy, and unsatisfied. He had a work he hated, a boss he loathed, and a girlfriend he didn’t cherish. He had no zeal, no aim, no meaning. He sensed like he was wasting his time, his possibility, his life. He desired to alter, he wished to flee, he desired to live. He resolved to resign from his employment, to split up with his partner, to get rid of his belongings, and to purchase a single fare to the opposite end of the world. He didn’t know where he was going, he didn’t know what he was performing, he didn’t know what he was seeking. He only understood that he had to depart, that he had to investigate, that he had to discover. He started on a trip of a thousand distances, a journey of thrill, of difficulty, of learning, of development, of change.
