Alice was perpetually fascinated by the timeworn mansion perched at the end of the street. Stories of its enigmatic owner, who never ventured out of his confined abode, had always piqued her curiosity. Whispers circulated about his identity, ranging from a loner to a genius or even a madman, depending on the source. Alice yearned to unravel the truth behind these tales and uncover the secrets concealed within the locked door on the second floor. Driven by an irresistible urge to delve into the mansions mysteries, Alice embarked on a audacious escapade. With a heart pounding with a mix of excitement, she stealthily ventured into the mansions grounds, her senses heightened as she approached the off-limits door on the second floor. Standing before the threshold, her hand trembling slightly as she reached for the doorknob, Alice braced herself for the revelations that awaited her beyond. With a deep breath, she turned the knob, the door creaking open to unveil a sight that would forever alter her perception of the world.

This is the chilling reality, the chronicle of a serial killer who, with cold-blooded intent, extinguished the lives of 17 innocent souls. He relished in the infamous moniker "Zodiac," taunting the authorities and the public with cryptic messages and elusive clues. His actions were driven by a twisted sense of purpose, a self-proclaimed divine mission. He harbored the delusion of intellectual superiority, believing himself to be an unstoppable force. But his arrogance proved to be his undoing. This is the narrative of his eventual downfall, orchestrated by the one individual who possessed an intimate understanding of his psyche - his own brother.
