The Twentieth Day of January 2017-02-10 Ted Allbeury "Allbeury, like *le Carré*, is a master of the genre, and this novel represents some of his best work." — Booklist "A flawlessly structured plot." — Publishers Weekly "Uncannily predicted the rise of Donald Trump." — Slate.com It's 1980 and the Cold War continues to rage. Seemingly out of nowhere, wealthy businessman Logan Powell has become President-elect and is only weeks away from assuming the most powerful position in the world on the twentieth day of January. Across the Atlantic, veteran British intelligence agent James MacKay uncovers shocking evidence that suggests something might be terribly wrong with the election. With the help of a reluctant CIA, MacKay sets out on a dangerous and daring mission to discover if the unthinkable has occurred: is President-elect Powell actually a puppet of the Soviet Union? Written by the bestselling author of *The Crossing* and *Pay Any Price*, this remarkably plausible thriller offers a heady mix of political intrigue and intense suspense — with the very future of America and the free world hanging in the balance. "Allbeury's novels have won a reputation not only for verisimilitude but for crisp, economical narration and high drama ... there's no better craftsman." — Chicago

Sun-Times "A most knowledgeable chronicler of espionage." — The New York Times Book Review "When I say Ted Allbeury knows where the bodies are buried I mean it literally. Truly a classic writer of espionage fiction." — Len Deighton, author of *The Ipress File*

First Love that Never Fades

Anna could never erase from memory her first love, Leo. Their paths had crossed when they were both 16, at a enchanting summer camp. They were drawn to each other like magnets, spending every day sharing laughter, exchanging heartfelt thoughts, and sharing stolen kisses. Their bond was solid, and they vowed to keep in touch, to remain faithful, and to love each other forever. But life, as it often does, had different plans in store for them. They lost contact, they moved on with their lives, and they eventually married other people. Years passed, and the hustle and bustle of life took them in different directions. But fate, it seems, had not forgotten their unwavering connection. At a chance encounter, at a nostalgic reunion, their paths crossed once again. The moment they laid eyes on each other, the flame of their first love rekindled. The same undeniable attraction that had drawn them together years ago was still palpable. They felt the same thrill that had fueled their teenage romance, but they also felt the burden of their past. Their emotions swirled for the deep connection they had shared, but their minds grappled with the complexity of their current lives. They were caught in a conflict of the heart, torn between the alluring memories of their first love and the comfort and familiarity of their present. They stood at a critical juncture, forced to make a life-altering choice. Would they choose the all-consuming passion of their first love, risking the uncertainty that lay ahead, or would they hold onto the security of their current lives, forever wondering what could have been? Only time would tell if their first love would survive the test of time.

The Mystery of the Missing Diamond

It was a gloomy and turbulent night. The downpour was falling heavily, and the gale was whistling. In the center of the metropolis, there was a museum, where a invaluable diamond was on show. The diamond was named the African Star, and it was the greatest and most beautiful diamond in the earth. It was protected by a high-tech security mechanism, and a team of weaponized guards. No one could rob it, or so they thought. But somebody did. An individual managed to get around the security, to avoid the watchmen, to break the pane, and to take the diamond. And no one saw them, no one listened to them, no one recognized who they were. They left no sign, no lead, no testimony. They disappeared into the night, with the Star of Africa. And the riddle of the vanished diamond began.

Star Wars which Transformed Past

It had been the time 2023, and the earth was at the verge of conflict. The U.S. and China, the two global powers, had been locked in a fierce rivalry, contending for assets, dominance, and supremacy. They had both created high-tech weapons, like lasers, unmanned aerial vehicles, and orbiters, that could strike any place, any time. They had covertly constructed orbital stations, which could launch atomic weapons, that can annihilate the earth. They were both set to utilize these weapons, if ever necessary. But they were alone. There was a third force, a concealed force, which had observing them both, waiting for them both, preparing for them. They were the extraterrestrials, and they had come to halt them. They had come arrived to rescue the world, or to finish it all. They had arrived to start the space wars that changed history.
