

Counseling And Therapy For Couples Pdf Pdf

Clinical Casebook of Couple Therapy

2012-11-26 Alan S. Gurman An ideal supplemental text, this instructive casebook presents in-depth illustrations of treatment based on the most important couple therapy models. An array of leading clinicians offer a window onto how they work with clients grappling with mild and more serious clinical concerns, including conflicts surrounding intimacy, sex, power, and communication; parenting issues; and mental illness. Featuring couples of varying ages, cultural backgrounds, and sexual orientations, the cases shed light on both what works and what doesn't work when treating intimate partners. Each candid case presentation includes engaging comments and discussion questions from the editor. See also *Clinical Handbook of Couple Therapy, Fourth Edition*, also edited by Alan S. Gurman, which provides an authoritative overview of theory and practice.

Counseling Couples in Conflict

2011-01-28 James N. Sells Most therapeutic approaches, especially those of a cognitive orientation, are not very effective in dealing with high conflict relationships--couples often heading toward divorce by the time they seek help. *Counseling Couples in Conflict* is a resource for counselors and therapists who want to be ready for these uniquely difficult cases. Utilizing a relational conflict and restoration model Mark Yarhouse and James Sells point the way beyond the cycle of pain towards marital healing. Christian Association for Psychological Studies (CAPS) Books explore how Christianity relates to mental health and behavioral sciences including psychology, counseling, social work, and marriage and family therapy in order to equip Christian clinicians to support the well-being of their clients.

If Only I Had Known...: Avoiding Common Mistakes in Couples Therapy

2013-01-28 Susanne Methven Creating tactics for getting it right the first time. The co-authors draw on over thirty years of experience to show young therapists how and how not to conduct psychotherapy. Each chapter begins with a vignette illustrating a common mistake, then describes the error in detail, explains why therapists make the mistake and offers tactics for avoiding it.

Essentials of Premarital Counseling

2008-01-01 Sandra Levy Ceren This hands-on guide addresses conflict resolution; uses introspective quizzes to expose more of couples' inner lives, and suggests ways to change bad habits which threaten the viability of the relationship.

Case Studies in Couples Therapy

2013-06-19 David K. Carson This up-to-date, highly readable, theory-based, and application-oriented book fills a crucial void in literature on couple therapy. Few books in the couple therapy market bridge the gap between theory and practice; texts tend to lean in one direction or the other, either emphasizing theory and research with little practical application, or taking a cookbook approach that describes specific techniques and interventions that are divorced from any conceptual or theoretical base. However, couples therapy requires a high degree of abstract/conceptual thinking, as well as ingenuity, inventiveness and skill on the part of the therapist. *Case Studies in Couples Therapy* blends the best of all worlds: clinical applications with challenging and diverse couples that have been derived from the most influential theories and models in couples and family therapy, all written by highly experienced and respected voices in the field. In *Case Studies in Couples Therapy*, readers will grasp the essentials of major theories and approaches in a few pages and then see how concepts and principles are

applied in the work of well-known clinicians. The case studies incorporate a wide variety of couples from diverse backgrounds in a number of different life situations. It is simultaneously narrow (including specific processes and interventions applied with real clients) and broad (clearly outlining a broad array of theories and concepts) in scope, and the interventions in it are directly linked to theoretical perspectives in a clear and systematic way. Students and clinicians alike will find the theoretical overview sections of each chapter clear and easy to follow, and each chapter's thorough descriptions of effective, practical interventions will give readers a strong sense of the connections between theory and practice.

The Practice of Emotionally Focused Couple Therapy

2012-02-24 Susan M. Johnson Since its original publication in 1996, this volume has been a helpful guide to therapists in the practice of emotionally focused therapy. This second edition addresses the many changes in the field of couples therapy, including updated research results linked to clinical intervention and new information on using EFT to address depression and PTSD. A new section covers the growth of couples therapy as a field and its overall relevance to the mental health field, accompanied by coverage of how recent research into the nature of marital distress is consonant with EFT. Other new features are a section on EFT and feminism, as well as a section on cultural competence for the EFT therapist. Written by a leading authority on emotionally focused couples and marital therapy, this second edition is an up-to-date reference on all aspects of EFT and its uses for mental health professionals.

Emotionally Focused Couple Therapy For Dummies

2013-07-08 Brent Bradley A practical, down-to-earth guide to using the world's most successful approach to couple therapy One of the most successful therapeutic approaches to healing dysfunctional relationships, emotionally focused couple therapy provides clients with powerful insights into how and why they may be suppressing their emotions and teaches them practical ways to deal with those feelings more constructively for improved relationships. Unlike cognitive-behavioural therapy, which provides effective short-term coping skills, emotionally focused therapy often is prescribed as a second-stage treatment for couples with lingering emotional difficulties. *Emotionally Focused Couple Therapy For Dummies* introduces readers to this ground-breaking therapy, offering simple, proven strategies and tools for dealing with problems with bonding, attachment and emotions, the universal cornerstones of healthy relationships. An indispensable resource for readers who would like to manage their relationship problems independently through home study Delivers powerful techniques for dealing with unpleasant emotions, rather than repressing them and for responding constructively to complex relationship issues The perfect introduction to EFT basics for therapists considering expanding their practices to include emotionally focused therapy methods Packed with fascinating and instructive case studies and examples of EFT in action, from the authors' case files Provides valuable guidance on finding, selecting and working with the right EFT certified therapist

Techniques for the Couple Therapist

2016-03-22 Gerald R. Weeks *Techniques for the Couple Therapist* features many of the most prominent psychotherapists today, presenting their most effective couple therapy interventions. This book provides clinicians with a user-friendly quick reference with an array of techniques that can be quickly read and immediately used in session. The book includes over 50 chapters by experts in the field on the fundamental principles and techniques for effective couple therapy. Many of the techniques focus on common couple therapy processes such as enactments, communication, and reframing. Others focus on specific presenting problems, such as trauma, sexual issues, infidelity, intimate partner violence, and high conflict. Students, beginning therapists, and

seasoned clinicians will find this pragmatic resource invaluable in their work with couples.

Schema Therapy with Couples

2015-07-23 Chiara Simeone-DiFrancesco Schema Therapy for Couples represents the first practitioner guide to detail effective Schema Therapy techniques in couple and relationship therapy. Shows how the distinctive features of ST make it ideal for addressing the cognitive and emotion-focused problems typical in couple relationships Presents and integrates a series of innovative tools and interventions such as Schema Therapy with Needs versus Wants, Mode Cycle Clash Cards, limited re-parenting visualization, and chair work Authored by an international team of experts in couples therapy and Schema Therapy

Getting the Love You Want

2001 Harville Hendrix I know of no better guide for couples who genuinely desire a maturing relationship.M. Scott Peck, author of The Road Less Traveled A remarkable bookthe most incisive and persuasive I have ever read on the knotty problems of marriage relationships. Ann Roberts, former president, Rockefeller Family Fund
