It was the time 2023, and the globe stood on the brink of battle. The USA and Peoples Republic of China, the two world powers, were engaged in a intense rivalry, contending for resources, influence, and control. They had created high-tech weapons, including lasers, drones, and spacecrafts, that can hit any place, any time. They had also secretly constructed orbital stations, which can fire atomic weapons, which can obliterate the planet. They were prepared to utilize these weapons, if at all needed. But they were not the only ones. There existed a third entity, a hidden power, which had monitoring them both, waiting patiently for them, preparing for them both. They were extraterrestrials, and they had come to halt them. They had come to save the world, or to finish it. They had come arrived to start the galactic wars that transformed past.

#### **Mystery of the Missing Diamond**

It was a dark and stormy night. The downpour was pouring down, and the wind was roaring. In the heart of the city, there was a museum, where a precious diamond was on show. The diamond was called the African Star, and it was the largest and most beautiful diamond in the globe. It was protected by a sophisticated security system, and a squad of weaponized guards. No one could pilfer it, or so they assumed. But an individual did. Someone managed to bypass the protection, to avoid the sentinels, to shatter the glass, and to take the diamond. And no one observed them, no one heard them, no one identified who they were. They exited no mark, no hint, no testimony. They faded into the darkness, with the African Star. And the enigma of the vanished diamond commenced.
