## The Shadow of the Wind

2014-09-24 Carlos Ruiz Zafon From A to Z, the Penguin Drop Caps series collects 26 unique hardcovers—featuring cover art by Jessica Hische It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the

alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film Moonrise Kingdom to Penguin's own bestsellers Committed and Rules of Civility. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's Pride and Prejudice, a 'B' for Charlotte Brönte's Jane Eyre, and a 'C' for Willa Cather's My Ántonia. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. Z is for Zafón. Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War. Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in what he finds in the "cemetery of lost books," a mysterious book entitled The Shadow of the Wind, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets--an epic story of murder, madness, and doomed love.

## The Radetzky March

and an empire in decline, is “full of psychological penetration and tragic force” (The New Yorker). The Radetzky March, Joseph Roth’s classic novel of the Austro-Hungarian Empire, follows three generations of the privileged von Trotta family as Europe advances inexorably toward World War I. With a breadth and richness that draws comparison to Tolstoy, it encompasses the entire social fabric of Austro-Hungarian society. Shot through with dark humor and tragic irony, The Radetzky March is an unparalleled portrait of a civilization in decline, and as such a universal story for our times. “A masterpiece . . . The totality of Joseph Roth’s work is no less than a tragédie humaine achieved in the techniques of modern fiction. No other contemporary writer, not excepting Thomas Mann, has come close to achieving the wholeness . . . that Lukács cites as our impossible aim.” –Nadine Gordimer

#### **Musashi's Dokkodo (the Way of Walking Alone)**

2015-11-08 Miyamoto Musashi "The authors have made classic samurai wisdom accessible to the modern martial artist like never before." - Goran Powell, award winning author of Chojun and A Sudden Dawn "It's fascinating stuff!" - Steve Perry, New York Times bestselling author "The precepts offer priceless advice to anyone." - Kate Vitasek, University of Tennessee "The five point perspective inspired deep introspection. I have been elevated to higher and deeper levels of personal and professional growth by reading this book." - Laela Erickson, Senior Business Development Executive Miyamoto Musashi (1584 - 1645) was arguably the greatest swordsman who ever lived, a legendary figure whose methods of thought and strategy have been studied and adopted across a wide spectrum of society, from

martial artists to military leaders to captains of industry. The iconic sword saint of Japan was clearly a genius, yet he was also a functional psychopath-ruthless, fearless, hyper-focused, and utterly without conscience. Shortly before he died, Musashi wrote down his final thoughts about life for his favorite student Terao Magonojo to whom Go Rin No Sho, his famous Book of Five Rings, had also been dedicated. He called this treatise Dokkodo, which translates as "The Way of Walking Alone." The book you hold in your hands is the definitive interpretation of Musashi's final work. Readers are oftentimes subject to a single perspective about what some famous author from the past had to say, yet we are more holistic here. This treatise contains Musashi's original 21 precepts of the Dokkodo along with five different interpretations of each passage written from the viewpoints of a monk, a warrior, a teacher, an insurance executive, and a businessman. Each contributor has taken a divergent path from the others, yet shares the commonality of being a lifelong martial practitioner and published author. In this fashion you are not just reading a simple translation of Musashi's writing, you are scrutinizing his final words for deeper meaning. In them are enduring lessons for how to lead a successful and meaningful life.

violent and unreliable leaders and recruits. A twenty year assault against the five families in particular blossomed into the most successful law enforcement campaign of the last century. Selwyn Raab's *Five Families* is the vivid story of the rise and fall of New York's premier dons from Lucky Luciano to Paul Castellano to John Gotti and more. The book also brings the reader right up to the possible resurgence of the Mafia as the FBI and local law enforcement agencies turn their attention to homeland security and away from organized crime.

#### John Donne, Coterie Poet

2008-08-01 Arthur F. Marotti Arthur F. Marotti has produced the first systematic study of John Donne's poetry as coterie literature, offering fresh interpretations of the poems in their biographical and sociohistorical contexts. It will be of interest and value to students and scholars of English Renaissance literature, to critics interested in the application of revisionist history to literary study, and to those concerned with the processes by which literature became institutionalized in the early modern period. Donne treated poetry as an avocation, restricting his verse to carefully chosen readers: friends, acquaintances, patrons, and the woman he later married. This study employs socio-historical and psychoanalytic methods to examine this poetry as work designed for readers to respond in knowledgeable ways to a complex interplay of literary text and social context. Marotti argues that it is necessary to relate literary language to the languages of social, economic, and political transactions and to define the social and ideological affiliations of literary genres and modes. After setting Donne's practice in the framework of the sixteenth-

century systems of manuscript literary transmission, Marotti treats the verse chronologically and according to audience, paying particular attention to the rhetorical enactment of the author's relationships to peers and superiors through the conflicting styles of egalitarian assertion, social iconoclasm, and deferential politeness. Marotti relates the poetry to Donne's contemporary prose, discussing the author's choice of various literary forms in the context of his sociopolitical life as well in terms of the shift from Elizabethan to Jacobean rule, the latter change resulting in a realignment of genres within the culture's literary system. He reads Donne's formal satires, humanist verse letters, erotic elegies, and commentary epistles aware of the social coordinates of those particular genres, and defines the markedly different circumstances to which Donne's libertine, courtly, satiric, sentimental, complimentary, and religious lyrics individually belonged. Marotti deals also with Donne's inventive mixing of genres in both shorter and longer poems. Marotti's groundbreaking work offers new models of historical interpretation of Donne's poetry, complementing previous formalist, intellectual-historical, and literary-historical readings. It particularly highlights the importance of attending to the socioliterary conditions of literature designed for manuscript transmission rather than for publication, work that includes, for example, much of the lyric poetry of Renaissance England.
