The Mortal Word

2018-11-27 Genevieve Cogman In the latest novel in Genevieve Cogman's historical fantasy series, the fate of worlds lies in the balance. When a dragon is murdered at a peace conference, time-travelling Librarian spy Irene must solve the case to keep the balance between order, chaos...and the Library. When Irene returns to London after a relatively straightforward book theft in Germany, Bradamant informs her that there is a top secret dragon-Fae peace conference in progress that the Library is mediating, and that the second-in-command dragon has been stabbed to death. Tasked with solving the case, Vale and Irene immediately go to 1890s Paris to start their investigation. Once they arrive, they find evidence suggesting that the murder victim might have uncovered proof of treachery by one or more Librarians. But to ensure the peace of the conference, some Librarians are being held as hostages in the dragon and Fae courts. To save the captives, including her parents, Irene must get to the bottom of this murder—but was it a dragon, a Fae, or even a Librarian who committed the crime?

The Lost Plot

2018-01-09 Genevieve Cogman After being commissioned to find a rare book, Librarian Irene and her assistant, Kai, head to Prohibition-era New York and are thrust into the middle of a political fight with dragons, mobsters, and Fae in this novel in the Invisible Library series. In a 1920s-esque New York, Prohibition is in force; fedoras, flapper dresses, and Tommy guns are in fashion: and intrigue is afoot. Intrepid Librarians Irene and Kai find themselves caught in the middle of a dragon political contest. It seems a young Librarian has become tangled in this conflict, and if they can't extricate him, there could be serious repercussions for the mysterious Library. And, as the balance of power across mighty factions hangs in the balance, this could even trigger war. Irene and Kai are locked in a race against time (and dragons) to procure a rare book. They'll face gangsters, blackmail, and the Library's own Internal Affairs department. And if it doesn't end well, it could have dire consequences on Irene's job. And, incidentally, on her life...

The Secret Chapter

2020-01-07 Genevieve Cogman Time-travelling, dimension-jumping, Librarian-spy Irene and dragon-prince Kai will have to team up with an unlikely band of misfits to pull off an amazing art heist—or risk the wrath of a dangerous villain with a secret island lair. A Librarian's work is never done, and Irene is summoned to the Library. The world where she grew up is in danger of veering deep into chaos, and she needs to obtain a particular book to stop this from happening. Her only choice is to contact a mysterious Fae information-broker and trader of rare objects: Mr. Nemo. Irene and Kai make their way to Mr. Nemo's remote Caribbean island and are invited to dinner, which includes unlikely company. Mr. Nemo has an offer for everyone there: he wants them to steal a specific painting from a specific world. But to get their reward, they will have to form a team, including a dragon techie, a Fae thief, a gambler, a driver, and the muscle. Their goal? The Kunsthistorisches Museum in Vienna, in an early twenty-first-century world, where their toughest challenge might be each other.

The Masked City

2016-09-06 Genevieve Cogman Librarian-spy Irene and her apprentice Kai are back in the second in this “dazzling”* book-filled fantasy series from the author of The Invisible Library. The written word is mightier than the sword—most of the time... Working in an alternate version of Victorian London, Librarian-spy Irene has settled into a routine, collecting important fiction for the mysterious Library and blending in nicely with the local culture. But when her apprentice, Kai—a dragon of royal descent—is kidnapped by the Fae, her carefully crafted undercover operation begins to crumble. Kai's abduction could incite a conflict between the forces of chaos and order that would devastate all worlds and all dimensions. To keep humanity from getting caught in the crossfire, Irene will have to team up with a local Fae leader to travel deep into a version of Venice filled with dark magic, strange coincidences, and a perpetual celebration of Carnival—and save her friend before he becomes the first casualty of a catastrophic war. But navigating the tumultuous landscape of Fae politics will take more than Irene's book-smarts and fast-talking—to ward off Armageddon, she might have to sacrifice everything she holds dear.... INCLUDES AUTHOR INTERVIEW

The Invisible Library

2016-06-14 Genevieve Cogman Collecting books can be a dangerous prospect in this fun, time-traveling, fantasy adventure—the first in the Invisible Library series! One thing any Librarian will tell you: the truth is much stranger than fiction... Irene is a professional spy for the mysterious Library, a shadowy organization that collects important works of fiction from all of the different realities. Most recently, she and her enigmatic assistant Kai have been sent to an alternative London. Their mission: Retrieve a particularly dangerous book. The problem: By the time they arrive, it's already been stolen. London's underground factions are prepared to fight to the death to find the tome before Irene and Kai do, a problem compounded by the fact that this world is chaos-infested—the laws of nature bent to allow supernatural creatures and unpredictable magic to run rampant. To make matters worse, Kai is hiding something—secrets that could be just as volatile as the chaos-filled world itself. Now Irene is caught in a puzzling web of deadly danger, conflicting clues, and sinister secret societies. And failure is not an option—because it isn't just Irene's reputation at stake, it's the nature of reality itself... FEATURING BONUS MATERIAL: including an interview with the author, a legend from the Library, and more!

The Burning Page

2017-01-10 Genevieve Cogman Librarian spy Irene and her apprentice Kai return for another “tremendously fun, rip-roaring adventure.” (A Fantastical Librarian)—the third in the bibliophilic fantasy series from the author of The Masked City. Never judge a book by its cover... Due to her involvement in an unfortunate set of mishaps between the dragons and the Fae, Librarian spy Irene is stuck on probation, doing what should be simple fetch-and-retrieve projects for the mysterious Library. But trouble has a tendency to find both Irene and her apprentice, Kai—a dragon prince—and, before they know it, they are entangled in more danger than they can handle... Irene's longtime nemesis, Alberich, has once again been making waves across multiple worlds, and, this time, his goals are much larger than obtaining a single book or wreaking vengeance upon a single Librarian. He aims to destroy the entire Library—and make sure Irene goes down with it. With so much at stake, Irene will need every tool at her disposal to stay alive.
