In VOWED (Book #7 of the Vampire Journals), Caitlin and Caleb find themselves in medieval Scotland, in 1350, a time of knights and shining armor, of castles and warriors, of the quest for the Holy Grail said to contain the key to true vampire immortality. Landing on the shores of the ancient Isle of Skye, a remote island off the Western coast of Scotland where only the most elite warriors live and train, they are ecstatic to reunite with Sam and Polly, Scarlet and Ruth, a human king and his warriors, and with all of Aiden's coven. Before they can continue their mission for the fourth and final key, the time has come for Caleb and Caitlin to wed. Against the most amazing backdrop Caitlin could ever hope for, an elaborate vampire wedding is planned, including all of the ancient rituals and ceremonies that accompany it. It is the wedding of a lifetime, meticulously planned by Polly and the others, and Caitlin and Caleb are happier than they've ever been. Simultaneously, Sam and Polly, to their own surprise, are each falling deeply in love with one another. As their relationship accelerates, Sam surprises Polly with a vow of his own. And Polly surprises him with her own shocking news. But all is not well beneath the surface. Blake has appeared again, and his deep love for Caitlin might just threaten her union, on the day before her wedding. Sera has appeared again, too, and vows to break apart what she cannot have. Scarlet, too, finds herself in danger, as the source of her deep powers are revealed--along with the revelation of who are her true parents. Worst of all, Kyle has landed back in time, and has tracked down his old prot[agonist] , Rynd, to force him to use his shapeshifting skill to trick and kill Caitlin and her people. As they fall into his elaborate trap, Caitlin and the others find themselves in deeper danger than ever before. It will be a race to find the final key, before everyone Caitlin holds dear is wiped out for good. This time, she will have to make the hardest choices and sacrifices of her life. There, she learns of her destiny and her mission: to find her father and the ancient vampire shield needed to save mankind. But Caitlin's heart still pines for her lost love: Caleb. She desperately needs to know if he has survived their trip back in time. She learns that her mission requires her to go to Florence, but if she wants to pursue matters of the heart, she must go to Venice. She chooses Venice. Caitlin is overwhelmed at what she finds. Venice of the eighteenth century is a surreal place, men and women dressed in elaborate costumes and masks, celebrating an endless, lavish party. She is thrilled to discover and reunite with some of her close friends, and to be welcomed back into their coven. And she is excited to join them in Venice's Grand Ball, the most important costume dance of the year, where she hopes, once again, to find Caleb. But Caitlin is not the only one who can travel back in time. Kyle soon arrives, too, and is determined to hunt her down and kill her once and for all. Sam, too, arrives, determined to save his sister before it is too late. At the ball, Caitlin searches everywhere, and finds no sign of Caleb. That is, until the very last dance. She dances with a masked man who takes her heart away, and she feels certain that it is him. But as the partners change, she loses him again. Or does she? Caitlin soon finds herself torn between the two loves of her life, and discovers that she has to be careful what she wishes for. Her joy at finding what she wants might just come mixed with tragedy and heartbreak. In a climactic, action-packed ending, Caitlin finds herself up against true evil, Rome's ancient vampire coven, and the most powerful vampire coven that ever existed. A bundle of books 2 and 3 in Morgan Rice's #1 Bestselling series THE VAMPIRE JOURNALS (LOVED and BETRAYED). Here are two bestselling novels, all in one convenient file. In LOVED (Book #2 in the Vampire Journals), Caitlin and Caleb embark together on their quest to find the one object that can stop the imminent vampire and human war: the lost sword. An object of vampire lore, there is grave doubt over whether it even exists. Caitlin and Caleb's journey takes them on a whirlwind of historic locations—from the Hudson Valley, to Salem, to the heart of historic Boston—the very spot where witches were once hung on the hill of Boston Common. Why are these locations so important to the vampire race? And what do they have to do with Caitlin's ancestry, and with who she's becoming? They may not even make it. Caitlin and Caleb's love for each other is blossoming. And their forbidden romance may just destroy everything they've set out to achieve... In BETRAYED (Book #3 in the Vampire Journals), Caitlin Paine awakes from a deep coma to discover she has been turned. Now a true, full-breed vampire, she marvels at her new powers, including her ability to fly, and her superhuman strength. She finds that her true love, Caleb, is still by her side, waiting patiently for her to recover. She has everything she could dream of. Until it all, suddenly, goes terribly wrong. Caitlin finds consolation in her new surroundings. She finds she has been placed on a hidden island in the Hudson River—Pollepel—amidst an elite coven of teenage vampires, boys and girls alike, 24 in all, including her. She learns that this is a place for outcasts, just like her, and as she meets her new best friend, Polly, and begins her training in elite vampire combat, she realizes that she might finally have a place to call home. Resurrected
2012 Morgan Rice "A book to rival TWILIGHT and VAMPIRE DIARIES, and one that will have you wanting to keep reading until the very last page! If you are into adventure, love and vampires this book is the one for you!" --Vampirebooksite.com (Regarding Turned) From Morgan Rice, #1 bestselling author of The Vampire Journals, comes the first book in a new series: The Vampire Legacy. This file contains Part One of the book only, which is 20,000 words. In Resurrected (Book #1 of the Vampire Legacy), 16 year old Scarlet Paine finds herself changing in mysterious ways. She is becoming sensitive to light, able to read peoples' thoughts, and is faster and stronger than she's ever been. She doesn't understand what's happening to her, and tries to ignore it. But she can only dismiss it for so long. Caitlin Paine, her mom, knows too well what's happening to her daughter. She underwent the same transformation to vampire once, centuries ago. But now, in the present day, as a mere human, she has no memory of it. All she has is the journal she found in the attic—her mysterious vampire journal—telling of her exploits in time and place, and of the vampire race being eradicated. But was there one exception to the rule? Could it be that Scarlet, her daughter, is the last remaining vampire on earth? As Scarlet tries to fight who she's becoming, she also tries to fight her intense feelings for Blake, a boy in her grade who she has a crush on. She can't tell, though, if he's into her, and with the big Halloween dance just days away, the pressure is on. She would do anything for Blake to ask her. But Vivian, the meanest of the popular girls, is also on Blake's radar, and she'll do anything to make Blake hers—and to make Scarlet's life a living hell. Luckily Scarlet has her own clique of friends to back her up, including her best friends Maria and Jasmin. They, too, have guy troubles—but it isn't until Sage appears, the mysterious new boy, that her friends become obsessed. Scarlet finds herself attracted to him, too—and is surprised when it is her, of all the girls in the school, that he pays attention to. But her mind is set on Blake, at least for now, and she continues to hope he'll ask her to the dance. Just when it seems that Scarlet has what she wants, her body changes. Soon it may be impossible for her to be near her fellow humans. Soon, she may have to choose between her desire to live and her desire for love.
