A Gripping Tale of Unrelenting Pursuit

This is not a mere work of fiction, nor is it a product of cinematic imagination. This is the chilling reality, the chronicle of a serial killer who, with cold-blooded intent, extinguished the lives of 17 innocent souls. He relished in the infamous moniker "Zodiac," taunting the authorities and the public with cryptic messages and elusive clues. His actions were driven by a twisted sense of purpose, a self-proclaimed divine mission. He harbored the delusion of intellectual superiority, believing himself to be an unstoppable force. But his arrogance proved to be his undoing. This is the narrative of his eventual downfall, orchestrated by the one individual who possessed an intimate understanding of his psyche – his own brother.

The publication “Analyzing Casual Conversation” by Suzanne Eggins and Diana Slade, originally published in 1997, establishes a organized model for the examination and description of casual conversation in English. The authors assert that despite its at times aimless seeming and ostensibly unstructured material, casual conversation is a very structured undertaking and performs a vital role in the social formation of reality. The work works through authentic examples of casual conversations entailing participants differing in age, gender, ethnicity, and socio-economic class¹². Pulling on understandings from sociology, linguistics, and critical semiotics, the work furnishes readers with the analytical skills to depict the layers of structure and critical interpretive structures to elucidate the ‘social work’ that occurs on through chat.
