The Journey of a Thousand Miles

He was exhausted of his life. He was bored, sad, and discontented. He had a job he hated, a boss he loathed, and a significant other he didn't love. He had no zeal, no purpose, no significance. He sensed like he was wasting his hours, his potential, his life. He wanted to alter, he desired to escape, he desired to survive. He decided to resign from his employment, to split up with his significant other, to dispose of his possessions, and to buy a one-way fare to the opposite end of the world. He didn't understand where he was proceeding, he didn't know what he was doing, he didn't know what he was seeking. He only understood that he had to depart, that he had to investigate, that he had to find out. He embarked on a journey of a thousand miles, a trip of thrill, of challenge, of knowledge, of growth, of alteration.
