The Mystery of the Missing Diamond

It was a shadowy and tempestuous night. The rain was pouring down, and the wind was whistling. In the middle of the town, there was an exhibition, where an invaluable diamond was on display. The diamond was known as the Star of Africa, and it was the biggest and most beautiful diamond in the world. It was protected by an advanced security setup, and a squad of weaponized guards. No one could rob it, or so they believed. But an individual did. Someone

succeeded to get around the safeguard, to evade the guards, to break the window, and to grab the diamond. And no one saw them, no one overheard them, no one identified who they were. They exited no mark, no hint, no testimony. They vanished into the darkness, with the Star of Africa. And the mystery of the vanished diamond commenced.
