Paolo Brunelli. I am not a gelato. Ediz. italiana e inglese 2021 Paolo Brunelli - The latest book from the award-winning gelato and chocolate maker Paolo Brunelli, who is based in the Italian seaside town of Sengallia. This book weaves together the life story of Paolo Brunelli (often referred to as the best gelato maker in Italy), with the events, people and ideas that have nourished and informed his passion for gelato. In photographs that reflect the artistry of his creative vision, gelato is presented as a medium that breathes, that is lit by experimentation, and goes far beyond the boundaries of what we think of as a simple treat on a sunny afternoon by the seaside. The author of two previous books on gelato, Paolo Brunelli has won numerous awards (best Italian ice cream award from the Italian guidebook Gambero Rosso for three consecutive years), and continues to evolve, experiment, and think about gelato. Text in English and Italian.

Monsieur Monde Vanishes 2011-11-23 Georges Simenon Monsieur Monde is a successful middle-aged businessman in Paris. One morning he walks out on his life, leaving his wife asleep in bed, leaving everything. Not long after, he surfaces on the Riviera, keeping company with drunks, whores and pimps, with thieves and their marks. A whole new world, where he feels surprisingly at home—at least for a while. Georges Simenon knew how obsession, buried for years, can come to life, and about the wreckage it leaves behind. He had a remarkable understanding of how bizarrely unaccountable people can be. And he had an almost uncanny ability to capture the look and feel of a given place and time. Monsieur Monde Vanishes is a subtle and profoundly disturbing triumph by the most popular of the twentieth century's great writers.

The Man Circle 2014-06-05 Georges Simenon The first English publication of Georges Simenon's compelling novel about summer escape and elusive obsessions. "The island itself. Its throbbing heat as if in a belljar under the sun, the scorpion in his son's bed, the deafening sound of cicadas" During his first holiday on the island of Porquerolles Dr Mañé caught a glimpse of something irresistible. As the memory continues to haunt him, he falls prey to a delusion that may offer an escape from his conventional existence or may destroy him. This is the first English translation of The Man Circle, Simenon's dark, malevolent depiction of an ordinary man trapped in mundanity and consumed by obsession. "Compelling, remorseless, brilliant" John Gray "One of the greatest writers of the twentieth century . . . Simenon was unequalled at making us look inside, though the ability was masked by his brilliance at absorbing us obsessively in his stories" Guardian "A supreme writer . . . unforgettable vividness" Independent

Through the Language Glass 2010-08-31 Guy Deutscher A masterpiece of linguistics scholarship, at once erudite and entertaining, confronts the thorny question of how—and whether—culture shapes language and language, culture. Linguistics has long shied away from claiming any link between a language and the culture of its speakers: too much simplistic (even bigoted) chatter about the romance of Italian and the goose-stepping orderliness of German has made serious thinkers wary of the entire subject. But now, acclaimed linguist Guy Deutscher has dared to reopen the issue. Can culture influence language—and vice versa? Can different languages lead their speakers to different thoughts? Could our experience of the world depend on whether our language has a word for "blue"? Challenging the consensus that the fundamentals of language are hard-wired in our genes and thus universal, Deutscher argues that the answer to all these questions is—yes. In thrilling fashion, he takes us from Homer to Darwin, from Yale to the Amazon, from how to name the rainbow to why Russian water—a "she"—becomes a "he" once you dip a tea bag into her, demonstrating that language does in fact reflect culture in ways that are anything but trivial. Audacious, delightful, and field-changing, Through the Language Glass is a classic of intellectual discovery.

It is time for the sleeper to awake.

The and Cross-Temporal Relations 2015-03-11T00:00:00+01:00 Giuliano Torrenco According to both ordinary and scientific thought, two objects can enter into relation not only simultaneously, but also at different times, namely cross-temporally. For instance, we understand comparisons between entities as they are at different times, such as when we say that John is now taller than Michael, was three years ago; causally related events are often not simultaneous, and objects of perceptions and perceivers usually have different temporal locations (we see ordinary things as they were a few milliseconds ago, we see the sun as it was eight minutes ago, and so on). However, many philosophers consider cross-temporality deceptive. Relations, according to the "standard view", can hold only between things existing in the same time. In this book Torrenco defends the opposite view, according to which relations can be cross-temporally instantiated and thus cross-temporal talk must be taken seriously. The theory is based on the idea that persisting in time is tantamount to possessing temporal parts at different times, and its central tenet is that persisting entities (objects and events alike) are cross-temporally related by having distinct temporal parts entering into relations.

The Phallus and the Mask 2019-09-05T00:00:00+02:00 Marina de Carneri Psychoanalysts of all schools have generally dismissed and sometimes openly disapproved feminism and its critique of male universalism. While other disciplines, like sociology and anthropology, have welcomed the contributions of feminist theory, psychoanalysis remains hindered by its own unconscious, which is patriarchal. This book wants to cast light on the unthought of Freudian and Lacanian theory by way of an analysis of the concept of femininity. The aim is to show how phallocentrism functions as a screen which obscures the real relations between the sexes, the meaning of desire and the understanding of sexual difference.

She Came from Mariupol 2022-04-01 Natascha Wodin Winner of the 2017 Leipzig Book Fair Prize—When Natascha Wodin's mother died, Natascha was only ten years old—too young to find out what her mother had experienced during World War II. All the little girl knew was that they were traitors, human debris left over from the war. Years later, Natascha set out on a quest to find out what happened to her mother during that time. Why had they lived in a camp for "displaced persons"? Where did her mother come from? What had she experienced? The one thing she knew is that her parents had to leave Mariupol in Ukraine for Germany as part of the Nazi forced labor program in 1943. Armed with this limited knowledge, Natascha resolved to piece together the puzzle of her family's past. The result is a highly praised, beautiful piece of prose that has drawn comparisons to W. G. Sebald in its approach. Like Sebald, Natascha's aim is to reclaim the stories of those who can no longer speak for themselves. The author is not only in search of her own family's history, but she is also aware that she is charting unmarked territory: accounts of the plight of forced laborers and displaced persons are still a rarity within literature about World War II and its atrocities. Natascha's personal homage to her mother's life story is an important lyrical memorial for the thousands of Eastern Europeans who were forced to leave their homes and work in Germany during the war, and a moving reflection of the plight of displaced peoples throughout the ages. This is a darkly radiant account of one person's fate, developing momentous emotive power—its subject serves as a proxy for the fate of millions.

Intimacy or Integrity 2002-03-31 Thomas P. Kasulis How can I know something? How can I convince someone of the rightness of my position? How does reality function? What is artistic creativity? What is the role of the state? It is well known that people from various cultures give dissimilar answers to such philosophical questions. After three decades in the cross-cultural study of ideas and values, Thomas Kasulis finds that culture influences not only the answers to these questions, but often how one arrives at the answers. In generalizing cultural difference, Kasulis identifies two kinds of orientation: intimacy and integrity. Both determine how we think about relations among people and among things, and each is reasonable, effective, and consistent. Yet the two are so incompatible in their basic assumptions that they cannot successfully engage each other. Cultural difference extends beyond nations. Cultural identities crystallize in relation to religion, occupation, race, gender, class. Rather than attempt to transcend cultural difference, Kasulis urges a deeper awareness of its roots by moving beyond mere cultural relativism toward a cultural bi-orientationality that will allow us to adapt ourselves to different cultural contexts as the situation demands. Wonderfully clear and unburdened by jargon, Intimacy or Integrity is accessible to readers from a variety of perspectives and backgrounds. By analyzing the synergy between thought and culture, it increases our understanding of cultural difference and guides us in developing strategies for dealing with orientations different from our own.

Each hides an awful secret concerning the fate of a mysterious man whose affair with the boy's older sister changed their lives. On this night of nights, as the long-buried details seep through each man's story, a shared truth will finally emerge.

The People Opposite 2022-03-03 Georges Simenon On the shore of the Black Sea, on the edge of the Soviet Union, a little city has a new Turkish consul. Adil Bey - alone in an alien land - has taken the job after the mysterious death of his predecessor. Receiving only suspicion and hostility, he soon becomes reliant on his secretary, Sonia, for any taste of intimacy. They begin a quiet love affair, and from his window at the consulate, he watches her and her family go about their lives in the town across the way. But this is Stalin's world before the war, and nothing is as it seems. . . . Georges Simenon's most starkly political work, The People Opposite is a tour de force of slow-burn tension and existentialist meditation.

Paul Celan 2019-02-28 Petre Solomon In the immediate aftermath of World War II, Paul Celan moved to Bucharest, where he spent more than two years working as a translator at Cartea Rusa publishing house. During that time he was introduced to poet and translator Petre Solomon and began a close friendship that would endure many years, despite the distances that separated them and the turbulent times in which they lived. In this poignant memoir, Solomon recalls the experiences he shared with Celan and captures the ways in which Bucharest profoundly influenced Celan's evolution as a poet. He recounts the publication of the famous "Todesfuge" for the first time in the Romanian magazine Agora and his fertile connection with the Romanian surrealist movement. Through Solomon's vivid recollection and various letters Celan sent to friends, readers also get an intimate glimpse of Celan's personality, one characterized by a joyful appreciation of friendship and a subtle sense of humor. Translated from the original, Tegla's edition makes this remarkable memoir available to a much-deserved wider audience for the first time.

Keith Ablow's novels delve deep into that dark and deadly place that Ablow, one of the nation's leading forensic psychiatrists, knows best: the psyche of a killer. Ablow has explored the catacombs of the criminal mind to find out what makes them tick, and he brings that expertise to his new novel, A chilling and emotionally compelling story of the lengths to which one man will go to leave his own life behind. In Murder Suicide, Ablow and his alter-ego, Dr. Frank Clevenger, return to take on a murder case like no other. John Snow is a brilliant inventor who has made millions from his genius in aeronautics. Only one doctor may be able to cure it surgically, but at a terrible cost, one that Snow reveals to no one: Snow will have no memory whatsoever of his past—of its emotional entanglements or its secrets. He will be abandoning everyone he has ever known. But the night before he is scheduled to undergo the operation, he is found near the Massachusetts General Hospital, dead of a gunshot wound. Did he commit suicide, as the police suspect—or was he murdered? Forensic psychiatrist Dr. Frank Clevenger delves into Snow's complex past and tortured relationships to unlock the identity of Snow's killer: Was it the wife who can never forgive what he's done to their child and their marriage, the son who loathes him, the beautiful mistress who loves him so deeply but can never have him, or the business partner intent on taking control of his inventions? Only Frank Clevenger can unlock the door to Snow's startling past. And only Keith Ablow can take readers even further into the mind of a killer.
