It was the year 23, and the world stood at the brink of war. The U.S. and PRC, the two superpowers, had been entangled in a ferocious competition, competing for assets, power, and control. They had developed high-tech armaments, such as laser weapons, unmanned aerial vehicles, and spacecrafts, which could strike any place, anytime. They had covertly built space stations, that could launch nuclear missiles, which can annihilate the earth. They were prepared to employ these weapons, if required. But they were not the sole ones. There was a 3rd power, a secret power, which had been observing them both, waiting for them both, getting ready for them. They were the extraterrestrials, and they had come to halt them both. They had come to rescue the world, or to finish it. They had come arrived to begin the space wars that transformed history.
