Star, and it was the biggest and most beautiful diamond in the world. It was secured by a advanced security mechanism, and a group of weaponized guards. No one could steal it, or so they thought. But an individual did. Somebody managed to get around the security, to elude the sentinels, to break the glass, and to steal the diamond. And no one observed them, no one heard them, no one knew who they were. They exited no trace, no lead, no evidence. They vanished into the night, with the African Star. And the riddle of the vanished diamond began.
