

Slave Snatched Off Britains Streets The Truth From The Victim Who Brought Down Her Traffickers Pdf

And that is only if he can survive the mortal dangers awaiting him in Deptford . . . 'This is a world conveyed with convincing, terrible clarity' C. J. Sansom 'Addictive. I read it flat out in one day' C. J. Tudor

Slave 2018-05-03 Anna **Now watch the BBC drama Doing Money** 'They took me because I would not be missed' This is the shocking true story of how an ordinary young girl was kidnapped off the street as she walked home and turned into a slave - before fighting for her freedom and finding the courage to help the police in one of the UK's most shocking modern-day slavery trials. Anna was an innocent student when she was kidnapped, beaten and forced into the sex slave industry. Threatened and tormented by her pimps, she was made to sleep with thousands of men. But she would not allow them to break her. On learning that she would be trafficked from Ireland to Dubai, she found the courage to trick her captors and flee. Later, she would also find that same resilience to help the police bring down her abductors in what has now become one of our biggest windows into the worldwide sex trafficking trade. For the first time, the girl at the centre of the storm reveals the heart-breaking truth.

Slave 2009-04-28 Mende Nazer Mende Nazer lost her childhood at age twelve, when she was sold into slavery. It all began one horrific night in 1993, when Arab raiders swept through her Nuba village, murdering the adults and rounding up thirty-one children, including Mende. Mende was sold to a wealthy Arab family who lived in Sudan's capital city, Khartoum. So began her dark years of enslavement. Her Arab owners called her "Yebit," or "black slave." She called them "master." She was subjected to appalling physical, sexual, and mental abuse. She slept in a shed and ate the family leftovers like a dog.

She had no rights, no freedom, and no life of her own. Normally, Mende's story never would have come to light. But seven years after she was seized and sold into slavery, she was sent to work for another master-a diplomat working in the United Kingdom. In London, she managed to make contact with other Sudanese, who took pity on her. In September 2000, she made a dramatic break for freedom. Slave is a story almost beyond belief. It depicts the strength and dignity of the Nuba tribe. It recounts the savage way in which the Nuba and their ancient culture are being destroyed by a secret modern-day trade in slaves. Most of all, it is a remarkable testimony to one young woman's unbreakable spirit and tremendous courage.

The Slave Across the Street 2019-08-17 Theresa L. Flores *** Wall Street Journal and USA Today best seller! *** While more and more people each day become aware of the dangerous world of human trafficking, most people in the U.S. still believe this is something that happens to foreign women, men, and children--not something that happens to their own. In this powerful true story, Theresa L. Flores shares how her life as an All-American, blonde-haired 15-year-old teenager who could have been your neighbor was enslaved into the dangerous world of sex trafficking while living in an upper-middle class suburb of Detroit. Her story peels the cover off of this horrific criminal activity and gives dedicated activists as well as casual bystanders a glimpse into the underbelly of trafficking. And it all happened while living at home without her parents ever knowing about it. Involuntarily involved in a large underground criminal ring, Ms. Flores endured more as a child than most adults will ever face their entire lives. In this book, Ms. Flores discusses how she healed the wounds of sexual servitude and offers

advice to parents and professionals on preventing this from occurring again, educating and presenting significant facts on human trafficking in modern day America.

The Kidnapping Club 2020-10-20 Jonathan Daniel Wells Winner of a 2020-2021 New York City Book Award In a rapidly changing New York, two forces battled for the city's soul: the pro-slavery New Yorkers who kept the illegal slave trade alive and well, and the abolitionists fighting for freedom. We often think of slavery as a southern phenomenon, far removed from the booming cities of the North. But even though slavery had been outlawed in Gotham by the 1830s, Black New Yorkers were not safe. Not only was the city built on the backs of slaves; it was essential in keeping slavery and the slave trade alive. In *The Kidnapping Club*, historian Jonathan Daniel Wells tells the story of the powerful network of judges, lawyers, and police officers who circumvented anti-slavery laws by sanctioning the kidnapping of free and fugitive African Americans. Nicknamed "The New York Kidnapping Club," the group had the tacit support of institutions from Wall Street to Tammany Hall whose wealth depended on the Southern slave and cotton trade. But a small cohort of abolitionists, including Black journalist David Ruggles, organized tirelessly for the rights of Black New Yorkers, often risking their lives in the process. Taking readers into the bustling streets and ports of America's great Northern metropolis, *The Kidnapping Club* is a dramatic account of the ties between slavery and capitalism, the deeply corrupt roots of policing, and the strength of Black activism.

Stolen Lives 2020-09-03 Louise Hulland 136,000 people in the UK are in some form of slavery. This is big business, generating more than £120 billion annually for criminal organisations across the world. *Stolen Lives* examines trafficking and slavery in Britain, hearing from those on the front line, including the police and charities involved with support and recovery. Powerful and moving testimony from survivors reveals the individual stories behind the headlines and charts one young woman's terrifying and ultimately inspiring journey to freedom and independence. Britain. It shows us what we can

Slave Snatched Off Britain's Streets: The Truth From The Victim Who Brought Down Her Traffickers Pdf upload Betty d Murray

do to make a difference.

Secret Slave 2016-12-29 Anna Ruston The Sunday Times top ten bestseller... You're not going home. You're not going anywhere. You're mine now. Growing up in a deeply troubled family, 15-year-old Anna felt lost and alone in the world. So when a friendly taxi driver befriended her, Anna welcomed the attention, and agreed to go home with him to meet his family. She wouldn't escape for over a decade. Held captive by a sadistic paedophile, Anna was subjected to despicable levels of sexual abuse and torture. The unrelenting violence and degradation resulted in numerous miscarriages, and the birth of four babies... each one stolen away from Anna at birth. Her salvation arrived thirteen years too late, but despite her shattered mind and body, Anna finally managed to flee. This is her harrowing, yet uplifting, true story of survival.

White Cargo 2008-03-08 Don Jordan White Cargo is the forgotten story of the thousands of Britons who lived and died in bondage in Britain's American colonies. In the seventeenth and eighteenth centuries, more than 300,000 white people were shipped to America as slaves. Urchins were swept up from London's streets to labor in the tobacco fields, where life expectancy was no more than two years. Brothels were raided to provide "breeders" for Virginia. Hopeful migrants were duped into signing as indentured servants, unaware they would become personal property who could be bought, sold, and even gambled away. Transported convicts were paraded for sale like livestock. Drawing on letters crying for help, diaries, and court and government archives, Don Jordan and Michael Walsh demonstrate that the brutalities usually associated with black slavery alone were perpetrated on whites throughout British rule. The trade ended with American independence, but the British still tried to sell convicts in their former colonies, which prompted one of the most audacious plots in Anglo-American history. This is a saga of exploration and cruelty spanning 170 years that has been submerged under the overwhelming memory of black slavery. *White Cargo* brings the brutal, uncomfortable story to the surface.

Please, Let Me Go 2017-08-24 Caitlin Spencer 'I was trapped. I'd been raped so many times, abused by hundreds, if not thousands. They could have left every door open and it would have made no difference. And I always came back - they always brought me back.' From the age of 14, Caitlin was controlled, raped, sold and passed on to new gangs across the UK over and over again. Her abusers were blatant in their attacks upon her, often collecting her from school or home, to be taken to flats they owned, family homes, or hotels booked for the day, to be horrifically and systematically abused. Having finally escaped, Please, Let Me Go is Caitlin's shocking story of abuse and survival.

Sex Trafficking 2017-08-29 Siddharth Kara "The best book ever written on human trafficking for sexual exploitation"—the basis for the feature film, Trafficked, starring Ashley Judd (Kevin Bales, president of Free the Slaves). Every year, hundreds of thousands of women and children are abducted, deceived, seduced, or sold into forced prostitution. These trafficked sex slaves form the backbone of one of the world's most profitable illicit enterprises and generate huge profits for their exploiters, for unlike narcotics, which must be grown, harvested, refined, and packaged, sex slaves require no such "processing," and can be repeatedly "consumed." In this book, Kara provides a riveting account of his four-continent journey into this unconscionable industry, sharing the moving stories of its victims and revealing the shocking conditions of their exploitation. He draws on his background in finance, economics, and law to provide the first ever business analysis of contemporary slavery worldwide, focusing on its most profitable and barbaric form: sex trafficking. Kara describes the local factors and global economic forces that gave rise to this and other forms of modern slavery over the past two decades and quantifies, for the first time, the size, growth, and profitability of each industry. Finally, he identifies the sectors of the sex trafficking industry that would be hardest hit by specifically designed interventions and recommends the specific legal, tactical, and policy measures that would target these vulnerable sectors and help to abolish this form

Slaves Snatched Off Britain's Streets: The Truth From The Victim Who Brought Down Her Traffickers Pdf upload Betty d Murray

donate a portion of the proceeds of this book to the anti-slavery organization, Free the Slaves. "Sex trafficking is more of a problem than most people realize. Read this well-written book and find out."—Kirk Douglas

Skeletons on the Zahara 2004-02-16 Dean King b.A masterpiece of historical adventure, ISkeletons on the Zahara The western Sahara is a baking hot and desolate place, home only to nomads and their camels, and to locusts, snails and thorny scrub -- and its barren and ever-changing coastline has baffled sailors for centuries. In August 1815, the US brig Commerce was dashed against Cape Bojador and lost, although through bravery and quick thinking the ship's captain, James Riley, managed to lead all of his crew to safety. What followed was an extraordinary and desperate battle for survival in the face of human hostility, starvation, dehydration, death and despair. Captured, robbed and enslaved, the sailors were dragged and driven through the desert by their new owners, who neither spoke their language nor cared for their plight. Reduced to drinking urine, flayed by the sun, crippled by walking miles across burning stones and sand and losing over half of their body weights, the sailors struggled to hold onto both their humanity and their sanity. To reach safety, they would have to overcome not only the desert but also the greed and anger of those who would keep them in captivity. From the cold waters of the Atlantic to the searing Saharan sands, from the heart of the desert to the heart of man, Skeletons on the Zahara is a spectacular odyssey through the extremes and a gripping account of courage, brotherhood, and survival.

Slavery by Another Name 2012-10-04 Douglas A. Blackmon A Pulitzer Prize-winning history of the mistreatment of black Americans. In this 'precise and eloquent work' - as described in its Pulitzer Prize citation - Douglas A. Blackmon brings to light one of the most shameful chapters in American history - an 'Age of Neoslavery' that thrived in the aftermath of the Civil War through the dawn of World War II. Using a vast record of original documents and personal narratives, Blackmon unearths the lost stories of slaves and their descendants who journeyed into freedom

Downloaded from vla.ramtech.uri.edu on December 6, 2023 by Betty d Murray

after the Emancipation Proclamation and then back into the shadow of involuntary servitude thereafter. By turns moving, sobering and shocking, this unprecedented account reveals these stories, the companies that profited the most from neoslavery, and the insidious legacy of racism that reverberates today.

The Truth about Modern Slavery 2021-01-20 Emily Kenway In 2017, over 5,000 victims of slavery were found in the UK, and their numbers are rising each year. From men working in Sports Direct warehouses for no pay, to the teenage Vietnamese girls trafficked into small town nail bars, modern slavery is all around us, operating in plain sight. But is this really slavery, and is it even a new phenomenon? Why has the British Conservative Party called it 'one of the great human rights issues of our time', when they usually ignore the exploitation of those at the bottom of the economic pile? The Truth

Slave Snatched Off Britain's Streets: The Truth From The Victim Who Brought Down Her Traffickers Pdf upload Betty d Murray

workers are being used as pawns in a political game. In order to create the 'hostile environment' towards immigrants in Britain, the state has to appear to be moral; identifying 'slaves' amidst a sea of other vulnerable workers allows them to divide and conquer. Blaming the media's complicity, rich philanthropists' opportunism and even the Labour Party's silence on the subject, *The Truth About Modern Slavery* is the first book to challenge the conventional narratives on modern slavery.

Slave Life in Georgia 1855 John Brown

Trafficked 2013-09-03 Sophie Hayes The haunting, unforgettable memoir that took the UK by storm, *Trafficked* is a gripping first-hand account of a young woman who survived the horrors of human trafficking. Sophie Hayes, a young, educated English woman, was spending an idyllic weekend in Italy with her seemingly charming boyfriend. But the day of her return home, he made it clear she wasn't going anywhere. Punching and shouting at her, he threatened to kill her adored younger brothers if she didn't cooperate to help him pay off hundreds of thousands of dollars he'd racked up in debts. Over the next six months, Sophie is forced to work as a prostitute in a country where she didn't speak the language, nobody knows her whereabouts, and escape seems impossible. She struggles to survive, constantly at the mercy of her boyfriend's violent moods and living in fear of being killed by any of her customers. When a life-threatening illness lands her in the hospital, Sophie has a chance to phone her mother and escape—if her boyfriend doesn't get to her first. Chilling and captivating, *Trafficked* is one of the first memoirs to present a stunning personal look at the criminal human sex trafficking trade and bring this disturbingly widespread abuse to light.

Sold 2011-04-12 Zana Muhsen Zana Muhsen, born and bred in Birmingham, is of Yemeni origin. When her father told her she was to spend a holiday with relatives in North Yemen, she jumped at the chance. Aged 15 and 13 respectively, Zana and her sister discovered that they had been literally sold into marriage, and that on their arrival they were virtually

prisoners. They had to adapt to a completely alien way of life, with no running water, dung-plastered walls, frequent beatings, and the ordeal of childbirth on bare floors with only old women in attendance. After eight years of misery and humiliation Zana succeeded in escaping, but her sister is still there, and it seems likely that she will now never leave the country where she has spent more than half her life. This is an updated edition of Zana's account of her experiences.

Complicity 2006-08-15 Anne Farrow A startling and superbly researched book demythologizing the North's role in American slavery "The hardest question is what to do when human rights give way to profits. . . . Complicity is a story of the skeletons that remain in this nation's closet."—San Francisco Chronicle The North's profit from—indeed, dependence on—slavery has mostly been a shameful and well-kept secret . . . until now. Complicity reveals the cruel truth about the lucrative Triangle Trade of molasses, rum, and slaves that linked the North to the West Indies and Africa. It also discloses the reality of Northern empires built on tainted profits—run, in some cases, by abolitionists—and exposes the thousand-acre plantations that existed in towns such as Salem, Connecticut. Here, too, are eye-opening accounts of the individuals who profited directly from slavery far from the Mason-Dixon line. Culled from long-ignored documents and reports—and bolstered by rarely seen photos, publications, maps, and period drawings—Complicity is a fascinating and sobering work that actually does what so many books pretend to do: shed light on America's past.

Trafficked: The Terrifying True Story of a British Girl Forced into the Sex Trade 2012-01-19 Sophie Hayes He'd been her friend for years. He said he loved her. Then she realised she didn't know him at all...

American Slavery as it is 1839 American Anti-Slavery Society

Slave Girl 2013 Sarah Forsyth "In her bestselling book *Slave Girl*, Sarah Forsyth told of her terrible ordeal as a young woman sex-trafficked from England to the Red Light District of Amsterdam - and of her dramatic escape from forced prostitution. But Sarah's journey from the dark back into light was far from over. Still addicted to drugs and drink, she struggled to cope with life, with love and with the marriage she desperately hoped would bring her happiness. It would take three more long and painful years to be rid of the terrible after-effects of sex slavery. But as she fought her draining battle to survive, Sarah came to realise that there was something she needed to do. It was a decision that would take her back into the modern scandal of sex trafficking - and back into the hell of Amsterdam's Red Light District. Now Sarah tells the incredible story of her very personal mental journey to find goodness within herself - and the shocking and painful physical journey to find the sex slaves she left behind. Both are journeys which will take all the strength, courage and love that she has. But if she is to survive, they are journeys she must make."--Back cover.

White Gold 2006-06-13 Giles Milton Giles Milton's *White Gold* tells the true story of white European slaves in eighteenth century Algiers, Tunis, and Morocco. "An elegantly discursive retelling . . . customarily elegant prose." --Simon Winchester, *The Boston Globe* In the summer of 1716, a Cornish cabin boy named Thomas Pellow and fifty-one of his comrades were captured at sea by Barbary corsairs. Their captors--Ali Hakem and his network of Islamic slave traders--had declared war on the whole of Christendom. Pellow and his shipmates were bought by the tyrannical sultan of Morocco. Drawn from the unpublished letters and manuscripts of Pellow and survivors like him, Giles Milton's *White Gold* is a fascinating glimpse at a time long forgotten by history.

These Truths: A History of the United States 2018-09-18 Jill Lepore "Nothing short of a masterpiece." —NPR Books A New York Times Bestseller and a Washington Post Notable Book of the Year In the most ambitious one-volume American history in decades, award-winning historian Jill Lepore offers a magisterial account of the origins and rise of a divided nation. Widely hailed for its "sweeping, sobering account of the

American past" (New York Times Book Review), Jill Lepore's one-volume history of America places truth itself—a devotion to facts, proof, and evidence—at the center of the nation's history. The American experiment rests on three ideas—"these truths," Jefferson called them—political equality, natural rights, and the sovereignty of the people. But has the nation, and democracy itself, delivered on that promise? *These Truths* tells this uniquely American story, beginning in 1492, asking whether the course of events over more than five centuries has proven the nation's truths, or belied them. To answer that question, Lepore wrestles with the state of American politics, the legacy of slavery, the persistence of inequality, and the nature of technological change. "A nation born in contradiction... will fight, forever, over the meaning of its history," Lepore writes, but engaging in that struggle by studying the past is part of the work of citizenship. With *These Truths*, Lepore has produced a book that will shape our view of American history for decades to come.

The Half Has Never Been Told 2016-10-25
Edward E Baptist Winner of the 2015 Avery O. Craven Prize from the Organization of American Historians Winner of the 2015 Sidney Hillman Prize A groundbreaking history demonstrating that America's economic supremacy was built on the backs of slaves Americans tend to cast slavery as a pre-modern institution -- the nation's original sin, perhaps, but isolated in time and divorced from America's later success. But to do so robs the millions who suffered in bondage of their full legacy. As historian Edward E. Baptist reveals in *The Half Has Never Been Told*, the expansion of slavery in the first eight decades after American independence drove the evolution and modernization of the United States. In the span of a single lifetime, the South grew from a narrow coastal strip of worn-out tobacco plantations to a continental cotton empire, and the United States grew into a modern, industrial, and capitalist economy. Told through intimate slave narratives, plantation records, newspapers, and the words of politicians, entrepreneurs, and escaped slaves, *The Half Has Never Been Told* offers a radical new interpretation of American history.

The Fortunes of Francis Barber 2015-03-01
Michael Bundock This compelling book chronicles a young boy's journey from the horrors of Jamaican slavery to the heart of London's literary world, and reveals the unlikely friendship that changed his life. Francis Barber, born in Jamaica, was brought to London by his owner in 1750 and became a servant in the household of the renowned Dr. Samuel Johnson. Although Barber left London for a time and served in the British navy during the Seven Years' War, he later returned to Johnson's employ. A fascinating reversal took place in the relationship between the two men as Johnson's health declined and the older man came to rely more and more upon his now educated and devoted companion. When Johnson died he left the bulk of his estate to Barber, a generous (and at the time scandalous) legacy, and a testament to the depth of their friendship. There were thousands of black Britons in the eighteenth century, but few accounts of their lives exist. In uncovering Francis Barber's story, this book not only provides insights into his life and Samuel Johnson's but also opens a window onto London when slaves had yet to win their freedom.

The British Friend 1856

The British and Foreign Anti-slavery Reporter 1840

A Muslim American Slave 2011-07-20 Omar Ibn Said Born to a wealthy family in West Africa around 1770, Omar Ibn Said was abducted and sold into slavery in the United States, where he came to the attention of a prominent North Carolina family after filling "the walls of his room with piteous petitions to be released, all written in the Arabic language," as one local newspaper reported. Ibn Said soon became a local celebrity, and in 1831 he was asked to write his life story, producing the only known surviving American slave narrative written in Arabic. In *A Muslim American Slave*, scholar and translator Ala Alryyes offers both a definitive translation and an authoritative edition of this singularly important work, lending new insights into the early history of Islam in America and exploring the multiple, shifting interpretations of Ibn Said's narrative by the nineteenth-century

The Slave Dancer 2008-09-16 Paula Fox In this powerful historical novel a thirteen-year-old boy is kidnapped and brought aboard a slave ship, where he is forced to play music that will entice the slaves to exercise.

The 1619 Project 2021-11-16 Nikole Hannah-Jones #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD WINNER • A dramatic expansion of a groundbreaking work of journalism, *The 1619 Project: A New Origin Story* offers a profoundly revealing vision of the American past and present. FINALIST FOR THE KIRKUS PRIZE • ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, NPR, Esquire, Marie Claire, Electric Lit, Ms. magazine, Kirkus Reviews, Booklist In late August 1619, a ship arrived in the British colony of Virginia bearing a cargo of twenty to thirty enslaved people from Africa. Their arrival led to the barbaric and unprecedented system of American chattel slavery that would last for the next 250 years. This is sometimes referred to as the country's original sin, but it is more than that: It is the source of so much that still defines the United States. The New York Times Magazine's award-winning 1619 Project issue reframed our understanding of American history by placing slavery and its continuing legacy at the center of our national narrative. This book substantially expands on that work, weaving together eighteen essays that explore the legacy of slavery in present-day America with thirty-six poems and works of fiction that illuminate key moments of oppression, struggle, and resistance. The essays show how the inheritance of 1619 reaches into every part of contemporary American society, from politics, music, diet, traffic, and citizenship to capitalism, religion, and our democracy itself. This book that speaks directly to our current moment, contextualizing the systems of race and caste within which we operate today. It reveals long-glossed-over truths around our nation's founding and construction—and the way that the legacy of slavery did not end with emancipation, but continues to shape contemporary American life. Bury the Chains 2006 Adam Hochschild This is the story of a handful of men, led by Thomas Clarkson, who defied the slave trade and ignited the first great human rights movement. Beginning in 1788, a group of Abolitionists moved the cause of anti-slavery from the floor of Parliament to the homes of 300,000 people boycotting Caribbean sugar, and gave a platform to the ~~Slave Snatched Off Britains Streets The Truth From The Victim Who Brought Down Her Traffickers Pdf upload Betty d Murray~~

Rough Crossings 2009-04-28 Simon Schama "The most dramatic account so far of the extraordinary experience of slaves in and after the American Revolution. . . . Schama's gift for plunging us into the very center of the action makes reading an exhilarating and often moving experience."—Daily Telegraph If you were black in America at the start of the Revolutionary War, whom would you want to win? In response to a declaration by the last governor of Virginia that any rebel-owned slave who escaped and served the King would be emancipated, tens of thousands of blacks voted with feet, escaping to fight beside the British. Originally designed to break the plantations of the American South, this military strategy instead unleashed one of the great exoduses in American history. Told in the voices of the slaves and the white abolitionists who aided them, Simon Schama vividly details the odyssey of these escaped blacks, shedding light on an extraordinary chapter in America's birth.

We Slaves of Suriname 2022-01-19 Anton de Kom Anton de Kom's We Slaves of Suriname is a literary masterpiece as well as a fierce indictment of racism and colonialism. In this classic book, published here in English for the first time, the Surinamese writer and resistance leader recounts the history of his homeland, from the first settlements by Europeans in search of gold through the era of the slave trade and the period of Dutch colonial rule, when the old slave mentality persisted, long after slavery had been formally abolished. 159 years after the abolition of slavery in Suriname and 88 years after its initial publication, We Slaves of Suriname has lost none of its brilliance and power.

UNCHAINED - Powerful & Unflinching Narratives Of Former Slaves: 28 True Life Stories in One Volume 2024-01-15 Thomas Clarkson This unique collection consists of the most influential narratives of former slaves and the stories of people who have helped them. Escape from Slavery 2007-04-01 Francis Bok In this groundbreaking modern slave narrative, Francis Bok shares his remarkable story with grace, honesty, and a wisdom gained from surviving ten years in captivity. May, 1986: Selling his mother's eggs and peanuts near his village in southern Sudan, seven year old Francis Bok's life was shattered when Arab raiders on horseback, armed with rifles and long knives, burst into the quiet marketplace, murdering men and women and gathering the young children into a group. Strapped to horses and donkeys, Francis and others were taken

north, into lives of slavery under wealthy Muslim farmers. For ten years, Francis lived alone in a shed near the goats and cattle that were his responsibility. Fed with scraps from the table, slowly learning bits of an unfamiliar language and religion, the boy had almost no human contact other than his captor's family. After two failed attempts to escape—each bringing severe beatings and death threats—Francis finally escaped at age seventeen, a dramatic breakaway on foot that was his final chance. Yet his slavery did not end there, for even as he made his way toward the capital city of Khartoum, others sought to deprive him of his freedom.

Determined to avoid that fate and discover what had happened to his family on that terrible day in 1986, the teenager persevered through prison and refugee camps for three more years, winning the attention of United Nations officials and being granted passage to America. Now a student and an anti-slavery activist, Francis Bok has made it his life mission to combat world slavery. His is the first voice to speak for an estimated twenty seven million people held against their will in nearly every nation, including our own. *Escape from Slavery* is at once a riveting adventure, a story of desperation and triumph, and a window revealing a world that few have survived to tell.

Slave Girl 2009-01-05 Sarah Forsyth Born in Newcastle in 1976, from the age of three, the very people who meant to be looking after and protecting Sarah Forsyth were sexually abusing her. Somehow she managed to overcome the hurt and heartbreak of a horrific childhood, and build a new and happy life for herself as a nursery nurse. Then, one day, Sarah spotted a newspaper advert for a job in a creche in Amsterdam. Thrilled by the prospect of a fresh start away from Newcastle and all the memories it held, she eagerly signed up. But within minutes of arriving in Amsterdam her life began to fall apart. There was no creche and no job: Sarah was a victim of sex-trafficking. Fed cocaine and cannabis, and forced at gunpoint to work as a prostitute in the red light district of Amsterdam, Sarah was turned from a young innocent English girl into a desperate and terrified crack whore. Riddled with fear about what her captors would do to her if they caught

her trying to run away, it took Sarah almost a year to find the strength to fight back and escape. But, unlike many of the girls that she was forced to live and work beside, she did get away. Sarah Forsyth is a survivor. This is her heart-rending story.

Blood & Sugar 2020-01-09 Laura Shepherd-Robinson 1781. An investigation into a gruesome murder on the Deptford Docks leads to a dark secret that could change the very core of British society . . .
