Galactic Conflicts which Changed Past

It had been the year 23, and the world was at the verge of conflict. The United States and PRC, the two world powers, were engaged in a ferocious contest, contending for assets, influence, and supremacy. They had developed high-tech armaments, such as lasers, unmanned aerial vehicles, and satellites, that could attack any place, any time. They had also covertly constructed orbital stations, which could deploy atomic weapons, that can obliterate the world. They were set to utilize these weapons, if ever required. But they were not the only ones. There existed a third force, a concealed power, that had been observing them both, waiting patiently for them, preparing for them. They were the aliens, and they had come to stop them both. They had come to rescue the earth, or to finish it all. They had arrived to begin the galactic wars which changed past.
