The Whirlwind War Frank N. Schubert 1995 CMH Publication 70-30. Edited by Frank N. Schubert and Theresa L. Kraus. Discusses the United States Army's role in the Persian Gulf War from August 1990 to February 1991. Shows the various strands that came together to produce the army of the 1990s and how that army in turn performed under fire and in the glare of world attention. Retains a sense of immediacy in its approach. Contains maps which were carefully researched and compiled as original documents in their own right. Includes an index.

The Forgotten Highlander Alistair Urquhart 2010-10-01 Alistair Urquhart was a soldier in the Gordon Highlanders, captured by the Japanese in Singapore. Forced into manual labor as a POW, he survived 750 days in the jungle working as a slave on the notorious "Death Railway" and building the Bridge on the River Kwai. Subsequently, he moved to work on a Japanese "hellship," his ship was torpedoed, and nearly everyone on board the ship died. Not Urquhart. After five days adrift on a raft in the South China Sea, he was rescued by a Japanese whaling ship. His luck would only get worse as he was taken to Japan and forced to work in a mine near Nagasaki. Two months later, he was just ten miles from ground zero when an atomic bomb was dropped on Nagasaki. In late August 1945, he was freed by the American Navy—a living skeleton—and had his first wash in three and a half years. This is the extraordinary story of a young man, conscripted at nineteen, who survived not just one, but three encounters with death, any of which should have probably killed him. Silent for over fifty years, this is Urquhart's inspirational tale in his own words. It is as moving as any memoir and as exciting as any great war movie.

Citizen Soldiers Stephen E. Ambrose 2013-04-23 From Stephen E. Ambrose, bestselling author of *Band of Brothers* and *D-Day*, the inspiring story of the ordinary men of the U.S. army in northwest Europe from the day after D-Day until the end of the bitterest days of World War II. In this riveting account, historian Stephen E. Ambrose continues where he left off in his #1 bestseller *D-Day*. *Citizen Soldiers* opens at 0001 hours, June 7, 1944, on the Normandy beaches, and ends at 0245 hours, May 7, 1945, with the allied victory. It is biography of the US Army in the European Theater of Operations, and Ambrose again follows the individual characters of this noble, brutal, and tragic war. From the high command down to the ordinary soldier, Ambrose draws on hundreds of interviews to re-create the war experience with startling clarity and immediacy. From the hedgerows of Normandy to the overrunning of Germany, Ambrose tells the real story of World War II from the perspective of the men and women who fought it.

No Good Men Among the Living Anand Gopal 2014-04-29 Following three Afghans - a Taliban commander, a US-backed warlord and a housewife trapped in the middle of the fighting - through years of US missteps, this dramatic narrative reveals the workings of America's longest war and the truth behind its prolonged agony. 25,000 first printing.

Man to Man LTG (Ret.) William G. Boykin 2020-04-14 Masculinity in America has never been under attack the way it is today. We have reached the point where the term itself is considered toxic or offensive to many. American men are conflicted as to what their role is in society. The consistent message that has proliferated in our nation is that masculinity, by nature, is bad and is the root cause of many of the problems plaguing our

society. Everything from racism to pedophilia has been blamed on “toxic masculinity.” Some colleges and universities are now offering classes on how to overcome or be delivered from this very “threatening” phenomenon called “masculinity.” If men take up biblical mandates ordained by their Creator—no matter their color, nationality, station, upbringing, or education—a new vision can be cast and executed that will restore a civil and prosperous America for all.

Farewell to Arms Ernest Hemingway 2014-05-22 Written when Ernest Hemingway was thirty years old and lauded as the best American novel to emerge from World War I, *A Farewell to Arms* is the unforgettable story of an American ambulance driver on the Italian front and his passion for a beautiful English nurse. Set against the looming horrors of the battlefield—wary, demoralized men marching in the rain during the German attack on Caporetto; the profound struggle between loyalty and desertion—this gripping, semiautobiographical work captures the harsh realities of war and the pain of lovers caught in its inexorable sweep. Ernest Hemingway famously said that he rewrote the ending to *A Farewell to Arms* thirty-nine times to get the words right. This edition collects all of the alternative endings together for the first time, along with early drafts of other essential passages, offering new insight into Hemingway’s craft and creative process and the evolution of one of the greatest novels of the twentieth century. Featuring Hemingway’s own 1948 introduction to an illustrated reissue of the novel, a personal foreword by the author’s son Patrick Hemingway, and a new introduction by the author’s grandson Seán Hemingway, this edition of *A Farewell to Arms* is truly a celebration.

No Surrender Hiroo Onoda 2013-12-04 In the spring of 1974, Second Lieutenant Hiroo Onoda of the Japanese army made world headlines when he emerged from the Philippine jungle after a thirty-year ordeal. Hunted in turn by American troops, the Philippine police, hostile islanders, and successive Japanese search parties, Onoda had skillfully outmaneuvered all his pursuers, convinced that World War II was still being fought and that one day his fellow soldiers would return victorious. This account of those years is an epic tale of the will to survive that offers a rare glimpse of man's invincible spirit, resourcefulness, and ingenuity. A hero to his people, Onoda wrote down his experiences soon after his return to civilization. This book was translated into English the following year and has enjoyed an approving audience ever since.

The Warrior Soul Jerry Boykin 2015-01-06 LIFE IS A BATTLE, AND WE ARE ALL SOLDIERS. We may not wear a uniform, eat in a mess hall, or dodge actual bullets for a living, but we are in a war—a very crucial one. Just walk into any room of people and you’ll find immeasurable pain and wounds. On the outside we wear our camouflage well, but on the inside, deep within our own souls, we realize life is conflict. It is traceable to a single source: Satan, the adversary of our souls. Written by two US Army Green Berets, *The Warrior’s Soul* provides a guide for how to apply the techniques of a true warrior in the spiritual realm by emphasizing five core elements: A cause greater than self—why we fight A settled memory—the link between history and current circumstances A personal intensity—eager for challenges and undistracted by personal issues An unflagging optimism—an absolute commitment to never surrender A deep camaraderie—a personal commitment to fellow

warriors True warriors are willing to stand when others bow. With this first-rate preparation for spiritual battle you can stand strong and see victory.

The Long Gray Line Rick Atkinson 2010-04-01 The New York Times bestseller about West Point's Class of 1966, by Pulitzer Prize-winning journalist and author Rick Atkinson. "A story of epic proportions [and] an awesome feat of biographical reconstruction."—The Boston Globe A classic of its kind, *The Long Gray Line* is the twenty-five-year saga of the West Point class of 1966. With a novelist's eye for detail, Rick Atkinson (author of the *Liberation Trilogy*) illuminates this powerful story through the lives of three classmates and the women they loved—from the boisterous cadet years, to the fires of Vietnam, to the hard peace and internal struggles that followed the war. The rich cast of characters also includes Douglas MacArthur, William C. Westmoreland, and a score of other memorable figures. The class of 1966 straddled a fault line in American history, and Atkinson's masterly book speaks for a generation of American men and women about innocence, patriotism, and the price we pay for our dreams

No Surrender Christopher Edmonds 2019-10-08 Part contemporary detective story, part World War II historical narrative, *No Surrender* is the inspiring true story of Roddie Edmonds, a Knoxville-born enlistee who risked his life during the final days of World War II to save others from murderous Nazis, and the lasting effects his actions had on thousands of lives—then and now. Captured in the Battle of the Bulge, Master Sergeant Roddie Edmonds was the highest-ranking American soldier at Stalag IXA, a prisoner of war camp near Ziegenhain, Germany. A native of Knoxville, Tennessee, Roddie was a simple, soft-spoken man of deep inner

strength and unwavering Christian faith. Though he was driven to the limits of endurance, Roddie refused to succumb to Nazi brutality toward the Jewish-American GIs with whom he was serving. Through his inspiring leadership and bravery Roddie saved the lives of hundreds of U.S. infantrymen in those perilous final days of the Second World War. His fearless actions continue to reverberate today. Growing up, Pastor Chris Edmonds knew little of his father's actions in the war. To learn the truth, he followed a trail of clues, a journey that spanned seven decades and linked a sprawling cast of heroes, both known and unknown, from every corner of the country. In *No Surrender*, Pastor Chris, joined by New York Times bestselling co-author Douglas Century, chronicles his odyssey to tell the unforgettable story of his father and his remarkable valor. He also provides startling details (and vantage points) of some of the major events of World War II and United States Army initiatives that helped the Allies win the war, including the Battle of the Bulge, the massacre at Malmedy, and the now-little-known Army Specialized Training Program which prepared brilliant young "soldier-scholars"—or "Quiz Kids"—from across the nation to battle the Nazis. As compelling as the number-one New York Times bestsellers *Unbroken*, *Boys on the Boat*, *Band of Brothers*, and *Schindler's List*, illustrated with photographs and historical documents throughout, *No Surrender* is an epic story of bravery, compassion, and faith, and an inspiring testament to man's goodness. It is also a clarion call for our narcissistic age—a shining example of the transformative and redemptive power of moral courage.

A Devil of a Whipping Lawrence E. Babits 2011-02-01 The battle of Cowpens was a crucial turning point in the

Revolutionary War in the South and stands as perhaps the finest American tactical demonstration of the entire war. On 17 January 1781, Daniel Morgan's force of Continental troops and militia routed British regulars and Loyalists under the command of Banastre Tarleton. The victory at Cowpens helped put the British army on the road to the Yorktown surrender and, ultimately, cleared the way for American independence. Here, Lawrence Babits provides a brand-new interpretation of this pivotal South Carolina battle. Whereas previous accounts relied on often inaccurate histories and a small sampling of participant narratives, Babits uses veterans' sworn pension statements, long-forgotten published accounts, and a thorough knowledge of weaponry, tactics, and the art of moving men across the landscape. He identifies where individuals were on the battlefield, when they were there, and what they saw--creating an absorbing common soldier's version of the conflict. His minute-by-minute account of the fighting explains what happened and why and, in the process, refutes much of the mythology that has clouded our picture of the battle. Babits put the events at Cowpens into a sequence that makes sense given the landscape, the drill manual, the time frame, and participants' accounts. He presents an accurate accounting of the numbers involved and the battle's length. Using veterans' statements and an analysis of wounds, he shows how actions by North Carolina militia and American cavalry affected the battle at critical times. And, by fitting together clues from a number of incomplete and disparate narratives, he answers questions the participants themselves could not, such as why South Carolina militiamen ran toward dragoons they feared and what caused the "mistaken order" on the Continental

right flank.

Never Surrender Michael Dobbs 2013-04-11 Winston Churchill embarks on a battle of wills with Adolf Hitler in the run-up to Dunkirk. The compelling new historical novel from the acclaimed author of *Winston's War*.

No Surrender Christopher Edmonds 2020-10-20 In the tradition of #1 New York Times bestsellers like *Unbroken*, *Boys on the Boat*, and *Band of Brothers*, *No Surrender* is an unforgettable story of a father's extraordinary acts of valor in World War II and a son's thrilling journey to discover them?an epic narrative of bravery, compassion, and faith. Like most members of the Greatest Generation, Roddie Edmonds, a humble American soldier from East Tennessee, rarely spoke about his experiences during World War II. Not even his son Chris knew the full details of Roddie's capture at the Battle of the Bulge or his captivity at Stalag IXA, a Nazi POW camp. But when Chris's daughter was assigned a family history project, Chris reread Roddie's wartime diaries, which set in motion a series of life-changing events. Called to learn his father's story with a renewed sense of passion and purpose, Chris embarked on a years-long journey, interviewing surviving POWs under Roddie's command, and retracing his father's footsteps, from Fort Jackson, South Carolina, where a boyish Roddie transformed into a seasoned leader of men, to the patch of grass near Ziegenhain, Germany, where he stared evil in the eye and dared a Nazi to shoot. Along with New York Times bestselling author Douglas Century, Chris Edmonds takes us to the front lines of this inspiring multigenerational story, revealing in gripping, novelistic detail Roddie's previously untold heroism--and the lasting effects his bravery had on the lives of thousands, then and now. "What's most remarkable about

my journey to discover what my father did in the Second World War," Chris writes, was "the realization that any one of us has the untapped potential to do something incredibly courageous. . . . We all have the potential to change the world simply by standing up for what's right." A shining example of the transformative and redemptive power of moral courage, *No Surrender* is a celebration of faith, family, and service--the very characteristics that define us today. --James Bradley, New York Times bestselling author of *Flags of Our Fathers*

1861 Adam Goodheart 2012-02-21 A gripping and original account of how the Civil War began and a second American revolution unfolded, setting Abraham Lincoln on the path to greatness and millions of slaves on the road to freedom. An epic of courage and heroism beyond the battlefields, *1861* introduces us to a heretofore little-known cast of Civil War heroes--among them an acrobatic militia colonel, an explorer's wife, an idealistic band of German immigrants, a regiment of New York City firemen, a community of Virginia slaves, and a young college professor who would one day become president. Their stories take us from the corridors of the White House to the slums of Manhattan, from the waters of the Chesapeake to the deserts of Nevada, from Boston Common to Alcatraz Island, vividly evoking the Union at its moment of ultimate crisis and decision. Hailed as "exhilarating...Inspiring...Irresistible..." by The New York Times Book Review, Adam Goodheart's bestseller *1861* is an important addition to the Civil War canon. Includes black-and-white photos and illustrations.

Kiloton Threat William G. Boykin 2011-09-01 Taken from what could be tomorrow's headlines, *Kiloton Threat* is a novel that explores the frightening potential of nuclear

weapons in the Middle East today. Out of the house churches of rural Iran, a Christian masquerading as a Muslim gains the confidence of a high-ranking leader in the Iranian nuclear program and opens his eyes to Christianity. The man's newfound faith stirs his desire to flee to the West, taking with him intelligence that would allow Coalition forces to neutralize his nation's devastating capabilities. But no one in such a position could ever escape unnoticed. Enter Blake Kershaw, a highly trained U.S. Special Forces officer who has already made extraordinary sacrifices for his country that include faking death and losing his true identity. His mission to infiltrate Iran and extract the high-value defector strains the relationship with the woman he loves--one of the few people on earth who knows his real story. With even more intensity, it shows the price that must sometimes be paid when political correctness fails and a man has to stand up for what is right. Praise for *Kiloton Threat*: "This fast-paced, ripped-from-the-headlines sequel by a founding member of the elite special operations unit Delta Force is packed with danger at every turn. It is sure to appeal to fans of Don Brown, Joel C. Rosenberg, and other authors of faith-based thrillers." Library Journal "LTG(R) Boykin has extracted his story straight from future headlines as he highlights the very serious threats posed by the Iranian nuclear program. This book is more reality than fiction as Blake Kershaw, a courageous young Special Forces officer, enters the dark world of espionage to try and stop the madness of the Iranian fanatics before they bring the world to the brink of a global nuclear conflict. This is a story that could unfold tomorrow." Frank Gaffney, founder and president, Center for Security Policy

Normandy to Nazi Surrender Colonel Van H. Slayden
2020-11-25 The late Van Slayden trained on the PT-3 kite-like biplane in 1937, but he learned fighter pilot operations flying "by the seat of his pants," walking away from five crashes. Shortly after the invasion of Normandy, he landed on Utah Beach to help establish a US Army Air Forces' (AAF's) presence in Europe. He flew the P-47 Thunderbolt, a fighter-bomber, in combat over Northern France and commanded the 36th Fighter Group-the "Fightin' 36th- at Batogne, St. Vith, the Bridgehead at Remagen, Operations Grenade, Clarion, Varsity and other missions. His 22nd Fighter Squadron was the first in the AAF to land voluntarily on German soil. He was deep into Germany when the Nazis surrendered on May 8, 1945, which was remarkably anticlimactic. Van Slayden, a country boy from rural Tennessee, like so many of his contemporaries, stepped up to the challenge as part of the Greatest Generation.

Can't Hurt Me David Goggins 2021-03-03 New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare -- poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring Outside magazine to name him "The Fittest (Real) Man in America." In Can't Hurt Me, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his

story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

Sons and Soldiers Bruce Henderson 2017-07-25 New York Times Bestseller The definitive story of the Ritchie Boys, as featured on CBS's 60 Minutes "An irresistible history of the WWII Jewish refugees who returned to Europe to fight the Nazis." –Newsday They were young Jewish boys who escaped from Nazi-occupied Europe and resettled in America. After the United States entered the war, they returned to fight for their adopted homeland and for the families they had left behind. Their stories tell the tale of one of the U.S. Army's greatest secret weapons. *Sons and Soldiers* begins during the menacing rise of Hitler's Nazi party, as Jewish families were trying desperately to get out of Europe. Bestselling author Bruce Henderson captures the heartbreaking stories of parents choosing to send their young sons away to uncertain futures in America, perhaps never to see them again. As these boys became young men, they were determined to join the fight in Europe. Henderson describes how they were recruited into the U.S. Army and how their unique mastery of the German language and psychology was put to use to interrogate German prisoners of war. These young men—known as the Ritchie Boys, after the Maryland camp where they trained—knew what the Nazis would do to them if they were captured. Yet they leapt at the opportunity to be sent in small, elite teams to join every major combat unit in Europe, where they collected key tactical intelligence on enemy strength, troop and armored movements, and defensive positions that saved American lives and helped win the war. A postwar army report found that nearly 60 percent of the credible

intelligence gathered in Europe came from the Ritchie Boys. Sons and Soldiers draws on original interviews and extensive archival research to vividly re-create the stories of six of these men, tracing their journeys from childhood through their escapes from Europe, their feats and sacrifices during the war, and finally their desperate attempts to find their missing loved ones. Sons and Soldiers is an epic story of heroism, courage, and patriotism that will not soon be forgotten.

Ends of War Caroline E. Janney 2021-09-13 The Army of Northern Virginia's chaotic dispersal began even before Lee and Grant met at Appomattox Court House. As the Confederates had pushed west at a relentless pace for nearly a week, thousands of wounded and exhausted men fell out of the ranks. When word spread that Lee planned to surrender, most remaining troops stacked their arms and accepted paroles allowing them to return home, even as they lamented the loss of their country and cause. But others broke south and west, hoping to continue the fight. Fearing a guerrilla war, Grant extended the generous Appomattox terms to every rebel who would surrender himself. Provost marshals fanned out across Virginia and beyond, seeking nearly 18,000 of Lee's men who had yet to surrender. But the shock of Lincoln's assassination led Northern authorities to see threats of new rebellion in every rail depot and harbor where Confederates gathered for transport, even among those already paroled. While Federal troops struggled to keep order and sustain a fragile peace, their newly surrendered adversaries seethed with anger and confusion at the sight of Union troops occupying their towns and former slaves celebrating freedom. In this dramatic new history of the weeks and months after Appomattox, Caroline E. Janney reveals that Lee's surrender was less

an ending than the start of an interregnum marked by military and political uncertainty, legal and logistical confusion, and continued outbursts of violence. Janney takes readers from the deliberations of government and military authorities to the ground-level experiences of common soldiers. Ultimately, what unfolds is the messy birth narrative of the Lost Cause, laying the groundwork for the defiant resilience of rebellion in the years that followed.

The Chosen Few Gregg Zoroya 2017-02-14 The never-before-told story of one of the most decorated units in the war in Afghanistan and its fifteen-month ordeal that culminated in the 2008 Battle of Wanat, the war's deadliest A single company of US paratroopers--calling themselves the "Chosen Few"--arrived in eastern Afghanistan in late 2007 hoping to win the hearts and minds of the remote mountain people and extend the Afghan government's reach into this wilderness. Instead, they spent the next fifteen months in a desperate struggle, living under almost continuous attack, forced into a slow and grinding withdrawal, and always outnumbered by Taliban fighters descending on them from all sides. Month after month, rocket-propelled grenades, rockets, and machine-gun fire poured down on the isolated and exposed paratroopers as America's focus and military resources shifted to Iraq. Just weeks before the paratroopers were to go home, they faced their last--and toughest--fight. Near the village of Wanat in Nuristan province, an estimated three hundred enemy fighters surrounded about fifty of the Chosen Few and others defending a partially finished combat base. Nine died and more than two dozen were wounded that day in July 2008, making it arguably the bloodiest battle of the war in Afghanistan. The Chosen Few would return home

tempered by war. Two among them would receive the Medal of Honor. All of them would be forever changed.

TRADOC Pamphlet TP 600-4 The Soldier's Blue Book United States Government Us Army 2019-12-14 This manual, TRADOC Pamphlet TP 600-4 The Soldier's Blue Book: The Guide for Initial Entry Soldiers August 2019, is the guide for all Initial Entry Training (IET) Soldiers who join our Army Profession. This pamphlet applies to all active Army, U.S. Army Reserve, and the Army National Guard enlisted IET conducted at service schools, Army Training Centers, and other training activities under the control of Headquarters, TRADOC.

War: How Conflict Shaped Us Margaret MacMillan 2020-10-06 Is peace an aberration? The New York Times bestselling author of Paris 1919 offers a provocative view of war as an essential component of humanity. NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW "Margaret MacMillan has produced another seminal work. . . . She is right that we must, more than ever, think about war. And she has shown us how in this brilliant, elegantly written book."—H.R. McMaster, author of Dereliction of Duty and Battlegrounds: The Fight to Defend the Free World The instinct to fight may be innate in human nature, but war—organized violence—comes with organized society. War

has shaped humanity's history, its social and political institutions, its values and ideas. Our very language, our public spaces, our private memories, and some of our greatest cultural treasures reflect the glory and the misery of war. War is an uncomfortable and challenging subject not least because it brings out both the vilest and the noblest aspects of humanity. Margaret MacMillan looks at the ways in which war has influenced human society and how, in turn, changes in political organization, technology, or ideologies have affected how and why we fight. War: How Conflict Shaped Us explores such much-debated and controversial questions as: When did war first start? Does human nature doom us to fight one another? Why has war been described as the most organized of all human activities? Why are warriors almost always men? Is war ever within our control? Drawing on lessons from wars throughout the past, from classical history to the present day, MacMillan reveals the many faces of war—the way it has determined our past, our future, our views of the world, and our very conception of ourselves.

Never Surrender William G. Boykin 2008-07-29 In 1978, Jerry Boykin joined what would become the world's premier Special Operations unit, Delta Force. The only promise: "A medal and a body bag." What followed was a .50 caliber round in the chest and a life spent with America's elite forces bringing down warlords and war criminals, despots, and dictators. In Colombia, his task force hunted the notorious drug lord Pablo Escobar. In Panama, he helped capture the brutal dictator Manuel Noriega, liberating a nation. From Vietnam to Iran to Mogadishu, Lt. General Jerry Boykin's life reads like an action-adventure novel. Boykin's powerful story will keep you riveted as he reveals how his military duty

worked in tandem with his faith to bring him through the bloody storms of foreign battle-and through the political firestorm that ambushed him in his own country.

On War Carl von Clausewitz 1908

March to Victory Robert Selig 2005 Provides an indepth account of the Battle of Yorktown in 1781.

A Table in the Presence Lt. Carey H. Cash 2005-10-25

"You prepare a table before me in the presence of my enemies." –Psalm 23:5 There are some places where you just don't expect to find God. For the men of the 1st Battalion, 5th Marine Regiment, downtown Baghdad was one of those places. Moving into the heart of Iraq and ever deeper into enemy territory, they found themselves face-to-face with the ruthless Iraqi Republican Guard and Fedayeen militia. But when the smoke cleared, God's touch was clearly visible. Serving as a chaplain to the U.S. Marines, Lieutenant Carey Cash had witnessed the miracles that began in the desert of northern Kuwait, and found their culmination in one of the fiercest battles of Operation Iraqi Freedom. With vivid detail and gripping emotion, Lt. Cash gives a firsthand account of this amazing story—how the men of an entire battalion found God in the presence of their enemies.

The Twilight World Werner Herzog 2022-06-14 A National Bestseller! The great filmmaker Werner Herzog, in his first novel, tells the incredible story of Hiroo Onoda, a Japanese soldier who defended a small island in the Philippines for twenty-nine years after the end of World War II In 1997, Werner Herzog was in Tokyo to direct an opera. His hosts asked him, Whom would you like to meet? He replied instantly: Hiroo Onoda. Onoda was a former soldier famous for having quixotically defended an island in the Philippines for decades after World War

II, unaware the fighting was over. Herzog and Onoda developed an instant rapport and would meet many times, talking for hours and together unraveling the story of Onoda's long war. At the end of 1944, on Lubang Island in the Philippines, with Japanese troops about to withdraw, Lieutenant Hiroo Onoda was given orders by his superior officer: Hold the island until the Imperial army's return. You are to defend its territory by guerrilla tactics, at all costs. . . . There is only one rule. You are forbidden to die by your own hand. In the event of your capture by the enemy, you are to give them all the misleading information you can. So began Onoda's long campaign, during which he became fluent in the hidden language of the jungle. Soon weeks turned into months, months into years, and years into decades—until eventually time itself seemed to melt away. All the while Onoda continued to fight his fictitious war, at once surreal and tragic, at first with other soldiers, and then, finally, alone, a character in a novel of his own making. In *The Twilight World*, Herzog immortalizes and imagines Onoda's years of absurd yet epic struggle in an inimitable, hypnotic style—part documentary, part poem, and part dream—that will be instantly recognizable to fans of his films. The result is a novel completely unto itself, a sort of modern-day Robinson Crusoe tale: a glowing, dancing meditation on the purpose and meaning we give our lives.

Never Surrender Jerry Boykin 2008-07-29 In 1978, Jerry Boykin joined what would become the world's premier Special Operations unit, Delta Force. The only promise: "A medal and a body bag." What followed was a .50 caliber round in the chest and a life spent with America's elite forces bringing down warlords and war criminals, despots, and dictators. In Colombia, his task

force hunted the notorious drug lord Pablo Escobar. In Panama, he helped capture the brutal dictator Manuel Noriega, liberating a nation. From Vietnam to Iran to Mogadishu, Lt. General Jerry Boykin's life reads like an action-adventure novel. Boykin's powerful story will keep you riveted as he reveals how his military duty worked in tandem with his faith to bring him through the bloody storms of foreign battle-and through the political firestorm that ambushed him in his own country.

Never Surrender Lindsay McKenna 2014-06-24 "McKenna takes readers on a gritty and emotional journey with this high-octane sequel to *Breaking Point* . . . will move readers to tears." –Publishers Weekly (starred review) Despite her sweet nature, Navy medic Bay Thorn's will is unbreakable. It has earned her not only the respect of her team, but also the love of Navy SEAL Gabe Griffin. And as soon as she wraps up the final six months of Operation Shadow Warriors in Afghanistan, she'll have her happily ever after . . . Until her deployment goes horribly wrong. Bay's medical expertise is needed by the Taliban, and she is taken hostage. Her captor is ruthless and cruel, and Bay isn't exempt from his evil intents. All that's left now is her resolve and the too-distant memory of Gabe—her last and only hope for rescue. And to pull Bay from hell, this SEAL will have to break every rule in the book. But will Gabe find the woman he loves . . . or a woman broken beyond recognition? "[A] dynamic black-ops thriller . . . Ms. McKenna masterfully blends the two different paces to convey a beautiful saga about love, trust, patience and having faith in each other." –Fresh Fiction "McKenna's expert knowledge of the Navy SEALs gives authenticity to a very tender and heartwrenching story. Filled with non-

stop action, *Never Surrender* grabs at the heart." –RT Book Reviews "[A] truly memorable story . . . this one has a special, heartbreaking resonance." –Booklist *City of Soldiers* Sam Burke 2013-06 Sean Gordon returns from the war in Afghanistan with a bad leg, no job, and a heart grieving for lost friends. Lonely and searching, he's interested in exploring his submissive side but can't even tell his own family he's gay. He's unable to find a strong man to fulfill his deepest, most shameful fantasies and sees only a bleak, unhappy future. Everything changes when he meets Roman Mahoney, part of a secret group of former soldiers who live in Philadelphia's forgotten underground and protect an ancient secret. Roman is asexual and proud of it, but yearns for romance with a man who will tolerate the lingering effects of his head injuries and not pressure him for sex. He ends up emotionally caught between two dominating men—the disgraced veteran who cares for him and a Philly cop with a love of bondage. Slowly Sean and Roman begin to connect, adding fuel to the fire of old rivalries and insecurities. With a serial killer on the loose and targeting homeless veterans, Roman, Sean, and their friends struggle to meet across sexual divides. True love awaits—but so does a killer's vengeance. **U.S. Army Improvised Munitions Handbook** Department of the Army 2012-02-01 You don't need to be a trained soldier to fully appreciate this edition of the U.S. Army Improvised Munitions Handbook (TM 31-210). Originally created for soldiers in guerilla warfare situations, this handbook demonstrates the techniques for constructing weapons that are highly effective in the most harrowing of circumstances. Straightforward and incredibly user-friendly, it provides insightful information and step-by-step instructions on how to

assemble weapons and explosives from common and readily available materials. Over 600 illustrations complement elaborate explanations of how to improvise any number of munitions from easily accessible resources. Whether you're a highly trained soldier or simply a civilian looking to be prepared, the U.S. Army Improvised Munitions Handbook is an invaluable addition to your library.

Danger Close William G. Boykin Lieutenant General (Retired) 2019-09-10 Barely into his twenties and already a highly decorated military hero, Army Special Forces veteran Blake Kershaw is now going to college, studying while recuperating from wounds received in Afghanistan, and planning to re-enter the Army as an officer after graduation. But life tosses Blake a curve when his country approaches him about using his special skills to avert a terrorist plot to detonate a nuclear device in a major eastern U.S. city. To do that, he would need to become an operative deep within Al-Qaeda's innermost circles—changing his entire identity, even his face. A true patriot, Blake makes the journey into a shadow world that leaves friends, family and, seemingly, even God far behind. But when things go terribly wrong, and his country looks set to destroy him, it is God and God's people who intervene.

Anarchists Never Surrender Victor Serge 2015-03-01 *Anarchists Never Surrender* provides a complete picture of Victor Serge's relationship to anarchism. The volume contains writings going back to his teenage years in Brussels, where he became influenced by the doctrine of individualist anarchism. At the heart of the anthology are key articles written soon after his arrival in Paris in 1909, when he became editor of the newspaper *l'anarchie*. In these articles Serge develops and debates

his own radical thoughts, arguing the futility of mass action and embracing "illegalism." Serge's involvement with the notorious French group of anarchist armed robbers, the Bonnot Gang, landed him in prison for the first time in 1912. *Anarchists Never Surrender* includes both his prison correspondence with his anarchist comrade Émile Armand and articles written immediately after his release. The book also includes several articles and letters written by Serge after he had left anarchism behind and joined the Russian Bolsheviks in 1919. Here Serge analyzed anarchism and the ways in which he hoped anarchism would leaven the harshness and dictatorial tendencies of Bolshevism. Included here are writings on anarchist theory and history, Bakunin, the Spanish revolution, and the Kronstadt uprising. *Anarchists Never Surrender* anthologizes Victor Serge's previously unavailable texts on anarchism and fleshes out the portrait of this brilliant writer and thinker, a man I.F. Stone called one of the "moral figures of our time."

The Liberator Alex Kershaw 2012-10-30 The untold story of the bloodiest and most dramatic march to victory of the Second World War—now a Netflix original series starring Jose Miguel Vasquez, Bryan Hibbard, and Bradley James "Exceptional . . . worthy addition to vibrant classics of small-unit history like Stephen Ambrose's *Band of Brothers*."—Wall Street Journal Written with Alex Kershaw's trademark narrative drive and vivid immediacy, *The Liberator* traces the remarkable battlefield journey of maverick U.S. Army officer Felix Sparks through the Allied liberation of Europe—from the first landing in Italy to the final death throes of the Third Reich. Over five hundred bloody days, Sparks and his infantry unit battled from the beaches of Sicily through the mountains

of Italy and France, ultimately enduring bitter and desperate winter combat against the die-hard SS on the Fatherland's borders. Having miraculously survived the long, bloody march across Europe, Sparks was selected to lead a final charge to Bavaria, where he and his men experienced some of the most intense street fighting suffered by Americans in World War II. And when he finally arrived at the gates of Dachau, Sparks confronted scenes that robbed the mind of reason—and put his humanity to the ultimate test.

Inside Delta Force Eric Haney 2003-07-29 Now the inspiration for the CBS Television drama, "The Unit." Delta Force. They are the U.S. Army's most elite top-secret strike force. They dominate the modern battlefield, but you won't hear about their heroics on CNN. No headlines can reveal their top-secret missions, and no book has ever taken readers inside—until now. Here, a founding member of Delta Force takes us behind the veil of secrecy and into the action—to reveal the never-before-told story of 1st Special Forces Operational Detachment-D (Delta Force). He is a master of espionage, trained to take on hijackers, terrorists, hostage takers, and enemy armies. He can deploy by parachute or arrive by commercial aircraft. Survive alone in hostile cities. Speak foreign languages fluently. Strike at enemy targets with stunning swiftness and extraordinary teamwork. He is the ultimate modern warrior: the Delta Force Operator. In this dramatic behind-the-scenes chronicle, Eric Haney, one of the founding members of Delta Force, takes us inside this legendary counterterrorist unit. Here, for the first time, are details of the grueling selection process—designed to break the strongest of men—that singles out the best of the best: the Delta Force

Operator. With heart-stopping immediacy, Haney tells what it's really like to enter a hostage-held airplane. And from his days in Beirut, Haney tells an unforgettable tale of bodyguards and bombs, of a day-to-day life of madness and beauty, and of how he and a teammate are called on to kill two gunmen targeting U.S. Marines at the Beirut airport. As part of the team sent to rescue American hostages in Tehran, Haney offers a first-person description of that failed mission that is a chilling, compelling account of a bold maneuver undone by chance—and a few fatal mistakes. From fighting guerrilla warfare in Honduras to rescuing missionaries in Sudan and leading the way onto the island of Grenada, Eric Haney captures the daring and discipline that distinguish the men of Delta Force. Inside Delta Force brings honor to these singular men while it puts us in the middle of action that is sudden, frightening, and nonstop around the world.

Never Surrender John Kelly 2015-10-22 Drawing on the War Cabinet papers, other government documents, private diaries, newspaper accounts, and memoirs, Never Surrender tells the story of summer of 1940, the summer of the 'Supreme Question' of whether or not the British were to surrender to the impending threat of Hitler's invasion. The events, individuals, and institutions that influenced the War Cabinet's deliberations offer a panoramic view of the summer of 1940. Impressive in scope but attentive to detail, Kelly takes readers from the battlefield to Parliament, to the government ministries, to the British high command, to the desperate Anglo-French conference in Paris and London, to the American embassy in London, and to life with the ordinary Britons. Bringing vividly to life one of the most heroic moments of the twentieth century and

intimately portraying some of its largest players - Churchill, Lord Halifax, FDR, Joe Kennedy, Hitler, Stalin and others - Never Surrender is a character-driven narrative of a crucial period in World War II history and the men and women who shaped it.

A Night to Surrender Tessa Dare 2011-08-30 Welcome to Spindle Cove, where the ladies with delicate constitutions come for the sea air, and men in their prime are . . . nowhere to be found. Or are they? Spindle Cove is the destination of choice for certain types of well-bred young ladies: the painfully shy, young wives disenchanted with matrimony, and young girls too enchanted with the wrong men; it is a haven for those who live there. Victor Bramwell, the new Earl of Rycliff, knows he doesn't belong here. So far as he can tell, there's nothing in this place but spinsters . . . and sheep. But he has no choice, he has orders to gather a militia. It's a simple mission, made complicated by the spirited, exquisite Susanna Finch—a woman who is determined to save her personal utopia from the invasion of Bram's makeshift army. Susanna has no use for aggravating men; Bram has sworn off interfering women. The scene is set for an epic battle...but who can be named the winner when both have so much to lose?

Choosing Courage Peter Collier 2015-05-19 How does an ordinary person become a hero? It happens in a split second, a moment of focus and clarity, when a choice is made. Here are the gripping accounts of Medal of Honor recipients who demonstrated guts and selflessness on the battlefield and confronted life-threatening danger to make a difference. There are the stories of George Sakato and Vernon Baker—both of whom overcame racial discrimination to enlist in the army during World War II (Sakato was a second-generation Japanese American, Baker

an African American) and went on to prove that heroes come in all colors—and Clint Romesha, who led his outnumbered fellow soldiers against a determined enemy to prevent the Taliban from taking over a remote U.S. Army outpost in Afghanistan. Also included are civilians who have been honored by the Congressional Medal of Honor Foundation for outstanding acts of bravery in crisis situations, from a school shooting to the 9/11 attacks on the World Trade Center. Adding depth and context are illuminating essays on the combat experience and its aftermath, covering topics such as overcoming fear; a mother mourning the loss of her son; and “surviving hell” as a prisoner of war.

Horse Soldiers D. Stanton 2014-01-06 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Jesus Was an Airborne Ranger John McDougall 2015-04-21 The Raid that Rescued Us. The Mission that Defines Our Lives. You are trapped behind enemy lines. You feel it every day. Powerful forces want to destroy you and those you love. Completely surrounded, you see no means to escape. Sadly, the Jesus we often picture is too timid to help—more like a daytime talk show host than a dangerous Rescuer. Who would follow—much less risk everything—for such a leader? Get ready to see Jesus like you've never seen him before—a battle-scarred Combatant who stared death in the face and won. This is no Sunday-school Jesus, meek and mild. This is the Warrior Christ who has descended from the heavens, defeated the Enemy, and rescued humanity. Now, he calls us to continue his mission and fight for others—our families, our communities, and the world. In *Jesus Was an Airborne Ranger*, Army Chaplain John McDougall offers an alternative to the soft, gentle caricature of Jesus.

Only the Warrior Christ can impact our broken world. And only in following him can you find the life of purpose you've always wanted. SUIT UP. It's time to enter the fight with the first and greatest Airborne Ranger. The

views expressed in this book are those of the author and do not reflect the official policy or position of the U.S. Army, the Department of Defense or the U.S. government.
