Dream Town Laura Meckler 2023-08-22 Can a group of well-intentioned people fulfill the promise of racial integration in America? In this searing and intimate examination of the ideals and realities of racial integration, award-winning Washington Post journalist Laura Meckler tells the story of a decades-long pursuit in Shaker Heights, Ohio, and uncovers the roadblocks that have threatened progress time and again—in housing, in education, and in the promise of shared community. In the late 1950s, Shaker Heights began groundbreaking work that would make it a national model for housing integration. And beginning in the seventies, it was known as a crown jewel in the national move to racially integrate schools. The school district built a reputation for academic excellence and diversity, serving as a model for how white and Black Americans can thrive together. Meckler—herself a product of Shaker Heights—takes a deeper look into the place that shaped her, investigating its complicated history and its ongoing challenges in order to untangle myth from truth. She confronts an enduring, and troubling, question—if Shaker

Heights has worked so hard at racial equity, why does a racial academic achievement gap persist? In telling the stories of the Shakerites who have built and lived in this community, Meckler asks: What will it take to fulfill the promise of racial integration in America? What compromises are people of all races willing to make? What does success look like, and has Shaker achieved it? The result is a complex and masterfully reported portrait of a place that, while never perfect, has achieved more than most and a road map for communities that seek to do the same. Includes black-and-white images.

The Magician's Wife Brian Moore 2018-04-17 The restless wife of an illusionist becomes embroiled in a North African holy war in this “tour de force” of historical fiction (The New York Times). Early in her marriage to renowned prestidigitator Henri Lambert, Emmeline had exulted in his fame, the foreign tours, and the command performances of his “Magical Evenings.” Now, Henri's given it all up to pursue a quiet life in their remote country manor, but restless, devoted Emmeline longs to see her husband return to his former glory. It all changes again when, in service to their country, Henri and Emmeline are invited to spend seven days at Compiègne as guests of Napoléon III. The emperor wants Henri to work his magic on a charismatic Algerian marabout who's influencing

his followers to overthrow the French in a holy war. For Henri, convincing a man of where his allegiance should lie will be the performance of a lifetime. But for Emmeline, ushered from the lavish royal courts to the barren Sahara, it will prove to be an illuminating journey that will challenge her views on God and faith, open her eyes to her husband's weaknesses, and expose the treachery of her own country. "Flashing his own sleight of hand, [Moore] transforms a historical fact into a story both true to its time and relevant to the present day." –The New York Times

**The Billionaire Mob Wife** Christine Gray

2016-03-24 Calico always looked out for her older brother, Rush, and did as he asked even if, in her mind, she cursed him to high heaven. It was no different when he told her that he had a new friend coming into town and wanted her to treat him right because he could open doors for her. As always, she smiled but she had her own plans. However, those plans went out of the window when she saw the handsome, sun-kissed, blue-eyed Italian, Andreas. Suddenly, the idea of a having a little fun for one night didn't seem that bad after all. Andreas was used to people trying to hook him up in the hopes of getting in his good favors, so the fact that Rush was throwing his sister at him was nothing new. However, that all

changed when he realized that the gray-eyed, chocolate beauty had no idea who he really was. He was shocked when their night of fun and sex ended with her thanking him for "his services" as she walked out of his life. Two years later, crazy circumstances brought him back into her life with Andreas now being forced to protect her from the mess that her brother, Rush put her in. After being given another chance, Andreas is determined to make Calico his. However, when the truth comes to light that Andreas is one of the five powerful Italian Dons of Miami, will Calico stay to be The Billionaire's Mob Wife?

**Catalyst** Wayne A. Bibbs 2015-09-24 Mark Layton had two things that every man would envy: the unconditional love of his beautiful wife and family and the power to induce instant weight-loss! Mark learns, however, that there are emotional and physical demands that come with that kind of power, and those demands threaten the stability of his family.

**The Renaissance in Europe** Margaret L. King 2003 "The Renaissance is usually portrayed as a period dominated by the extraordinary achievements of great men: rulers, philosophers, poets, painters, architects and scientists. Leading scholar Margaret King recasts the Renaissance as a more complex cultural movement rooted in a unique urban society that was itself the product of

many factors and interactions: commerce, papal and imperial ambitions, artistic patronage, scientific discovery, aristocratic and popular violence, legal precedents, peasant migrations, famine, plague, invasion and other social factors. Together with literary and artistic achievements, therefore, today's Renaissance history includes the study of power, wealth, gender, class, honour, shame, ritual and other categories of historical investigation opened up in recent years. Tracing the diffusion of the Renaissance from Italy to the rest of Europe, Professor King marries the best work of the last generation of scholars with the findings of the most recent research, including her own. Ultimately, she points to the multiple ways in which this seminal epoch influenced the later development of Western culture and society."-- Jacket.

**The Unexpected Wife** Emily Hendrickson 2011-05-30 Juliet Winterton refused to marry a drunken gambler her brother had chosen, so she ran away and established herself on the country estate of the absent Alexander Barr, Viscount Hawkswood. Pretending to be his wife was simple—until he showed up. Alexander was a rake, but he was also a gentleman, so he went along with Juliet's ploy—until he found himself falling for the lady. Regency Romance by Emily Hendrickson; originally published by Signet
