A Gun to Play with John Foster Straker 2008 When a series of brutal murders are committed, Toby finds the dead body of a girl in a field. She's been shot in the back with the type of revolver that was used to murder a shopkeeper in Forest Row nearby. The police are called in, but Toby begins his own investigation, taking into his confidence a young widow who is staying at the same hotel.

A for Andromeda Fred Hoyle 2002 A new radio telescope picks up a complex series of signals from the Andromeda constellation -- signals which prove to be a programme for a giant computer. When the computer begins to relay the information it receives from Andromeda, the project assumes a vital importance, for scientists find themselves possessing a knowledge previously unknown to man -- knowledge of such a nature that the security of human life itself is threatened.

Aztec Ace: The Complete Collection Doug Moench 2022-10-11 The fifteen-issue run of *Aztec Ace*, created by comic book legend Doug Moench, is finally collected here for the first time ever by IT'S ALIVE! and Dark Horse! An action-packed, intellectual, time-travel adventure. *Aztec Ace* stars Caza (AKA Ace) as he travels between the Aztec Empire and his home in the 23rd century. Ace, along with his pupil Bridget Chronopolis and his navigator named Head (the floating disembodied head of Sigmund Freud), struggles to save his own dimension from time paradoxes created by his enemy, the mysterious Nine-Crocodile. Includes a new foreword by original series editor Cat Yronwode, a new introduction by series creator himself Doug Moench, and more. Also includes more text pieces, an *Aztec Ace* short story by Doug Moench and Tim Sale, and an *Aztec Ace* pin-up gallery with new artwork by Bill Sienkiewicz, ChrisCross, Dan Day, Jeff Lemire, Joe Staton, Jok, Kelley Jones, Matt Kindt, Michael Avon Oeming, Michael Wm Kaluta, Paul Gulacy, Paul Pope, Ron Harris and more! Collects *Aztec Ace* comics #1 to #15.

Winter Count Barry Holstun Lopez 1993 The death song of the white buffalo...a snowfall of herons alighting on a New York street...A mystic who makes stones rise from the desert floor...the startling disappearance of a river.... "Winter Count" consists of nine intoxicating tales of revelation, singular recorded moments of clarity, magic and overwhelming truth, from the National Book Award-winning author of *Arctic Dreams* and recipient of the John Burroughs Medal for distinguished natural history writing. American Electricians' Handbook Terrell Croft 2008-08-17 Market: electricians; electrical engineers; general contractors; construction managers; building inspectors An updated edition of the most popular electrician handbook on the market

Celestial Navigation Anne Tyler 2011-01-26 A poignant, uplifting, heartbreaking love story from the beloved bestselling, Pulitzer Prize-winning author: "To read a novel by Anne Tyler is to fall in love" (PEOPLE). Thirty-eight-year-old Jeremy Pauling has never left home. He lives on the top floor of a Baltimore row house where he creates collages of little people snipped from wrapping paper. His elderly mother putters in the rooms below, until her death. And it is then that Jeremy is forced to take in Mary Tell and her child as boarders. Mary is unaware of how much courage it takes Jeremy to look her in the eye. For Jeremy, like one of his paper creations, is fragile and easily torn—especially when he's falling in love....

A Handful of Darkness Philip K. Dick 1988

IN YOUR STARS. IGLOO BOOKS. 2020

He's Just Not in the Stars Jenni Kosarin 2009-10-13 He's Just Not in the Stars is a sinful combination of He's Just Not That into You, Sex and the City, and The Secret Language of Birthdays. If all is fair in love and war, this is the right ammunition. . . . Hindsight is 20/20. Love is blind. With all that good and bad vision out there, who's gonna give you some serious insight? Sex columnist and love astrology expert Jenni Kosarin is taking names and kicking astrological butt. . . . Flirt. Crush. Boyfriend. Ex-boyfriend. Husband. Whatever. What's his potential? What's he looking for? How do you fix things once you've messed up? Which sign will give you another chance and which won't? Find out his idiosyncrasies before you date him. Find out who's ready for a relationship and who'll still be hanging out in twentysomething bars in fifteen years. (Uh. Creepy.) Here, get the scoop on how your man stacks up. Decipher. Crack the code. Get stellar advice. The concept is revolutionary: Combine his Sun Sign with his Venus. That's all. No "rising signs," no tricking his mother into telling you what time he was born. No cookie-cutter generalizations. This book is frighteningly specific. Filled with sixty easy-to-follow combos, it's illustrated with ironic, gossip-filled, shocking real-life examples of famous celebs such as: Colin Firth (Virgo, Venus in Libra); Virgo + Libra = sexy and subtle combo Orlando Bloom (Capricorn, Venus in Pisces); Capricorn is all for security, Pisces is a full-on romantic = good guy Chris Rock (Aquarius, Venus in Capricorn): Aquarius can be about partnership when Capricorn grounds it Ethan Hawke (Scorpio, Venus in Scorpio): Ladykiller double sign combo Antonio Banderas (Leo, Venus in Virgo): Hint: the Virgo makes him stay. . . . plus many, many others. By defining him in a way that's never been done before, He's Just Not in the Stars gives it to you straight. No tiptoeing around. No hugging and sharing. No coddling. Deal with it. (Cue drum roll.) This is for the woman who wants to take charge of her own destiny. Is he in the stars? Time won't tell. Jenni Kosarin will. He's Just Not in the Stars is the last hip, irreverent relationship book you'll ever want. Throw away the rest. . . . They're taking up space where your happily married pictures should go.

Pay the Piper Jane Yolen 2015-08-25 A rock 'n' roll band to die for? Callie is about to find out.... Not much happens in fourteen-year-old Callie McCallan's sleepy Massachusetts town. So when the famous rock 'n' roll band, Brass Rat, schedules a concert in the Valley, it's big news. As a reporter for her school paper, Callie scores the scoop of a lifetime—a backstage pass to interview the lead singer of Brass Rat! Her friends are so jealous. But Callie isn't sure what the fuss is all about...until she meets the band. Lead singer Peter Gringras and his band mates are so cool. Especially Peter. When he plays his flute, it's as if he has some kind of hypnotic power. But there is something strange about the band, something Callie can't quite put her finger on. Maybe she's just being weird, but it's as if they're from here—but not from here—at the same time. It's when, on Halloween night, Callie's little brother Nicky disappears—along with all the other children of Northampton—that she begins to wonder if her suspicions are so weird after all. It's crazy, but Callie thinks she knows why the children have

disappeared—and who took them. To prove it—and to rescue Nicky and the other children—Callie will be forced down a road that will lead to her to a mythical world filled with fantastical creatures. A world from which there may be no return.... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Yellow Medicine Anthony Neil Smith 2017-07 Deputy Billy Lafitte is not unfamiliar with the law; he just prefers to enforce it, rather than abide by it. But his rule-bending and bribe-taking have gotten him kicked off the force in Gulfport, Mississippi, and he's been given a second chance...in the desolate, Siberian wastelands of rural Minnesota. Now Billy's only got the local girls and local booze to keep him company. Until one of the local girls-cute little Drew, bassist for a psychobilly band-asks Billy for help with her boyfriend. Something about the drugs Ian's been selling, some product he may have lost, and the men who are threatening him because of it. Billy agrees to look into it, and before long he's speeding down a snowy road, tracking a cell of terrorists, with a severed head in his truck's cab. And that's only the start... Praise for YELLOW MEDICINE: "On my list of the most original voices in crime fiction today, Anthony Neil Smith easily makes it into the top five. Yellow Medicine is a terrific read, a crime noir bullet-train ride on unsafe tracks."-Scott Wolven, author of *Controlled Burn* "Yellow Medicine gets its hooks into you from its first turbulent pages. It is the novel's complicated, captivating hero, Deputy Billy Lafitte, who holds you from beginning to end. He's a liar, a cheat and a pretty bad guy, but so richly rendered that, before you know it, you find yourself following him through the darkest of terrains, and eagerly."-Megan Abbott, author of the Edgar-nominated *Queenpin* "Yellow Medicine starts with one of the most memorable and engaging anti-heroes in recent memory. Mix in bent cops, a psychobilly band called Elvis Antichrist, meth cookers in the Minnesota sticks, and a truly nasty pack of wannabe jihadists. Add a liberal helping of guns, knives and explosives. You're gonna love it."-J.D. Rhoades, author of *A Good Day in Hell and Safe and Sound* "Anthony Neil Smith has taken the stark, freezing landscape of rural Minnesota and brought it to life with an injection of Louisiana Hot Sauce in the form of Deputy Billy Lafitte. A violent, bawdy, thrilling, edgy, gut-churning masterpiece."-Victor Gischler, author of *Go Go Girls of the Apocalypse*, *Pistol Poets*, and the Edgar-nominated *Gun Monkeys* "Smith deserves credit for taking a risk by creating a character like Lafitte, whose private code of honor-if any-is far more obscure than an anti-hero like Mickey Spillane's Mike Hammer."- Publishers Weekly "All in all, though, Smith has a powerful voice and delivers quite a romp, offering along the way a sort of Tony Hillerman glimpse into a part of the country that is not often the subject of crime fiction."-Steve Classman, *Booklist*

Hard Landing Algis Budrys 2011-09-29 The body was found dead on the tracks, electrocuted. The autopsy confirmed what some had always feared, that we are not alone in the universe - and that even now, some visitors are still at large. This started the investigation that revealed the startling story of four stranded aliens and their desperate struggle for survival. Fallen from the stars, they started with nothing more than a first-aid kit and instincts. Fighting their own insecurities and prejudices, they slowly blended their way into a primitive society they found to be at once brutal, accepting abusive and opportunistic. But when one of them trades technological advancements for personal wealth and protection, he risks blowing all their covers - and sets in motion a chain of political machinations that could alter the course of history. *I.N.R.I.* Serge Bramly 1999 Now, at the turn of the twenty-first century, writer Serge Bramly and photographer Bettina Rheims have turned to photography - the most contemporary of art forms - as well as to the original biblical texts and legends to present the life and death of Jesus in a series of tableaux and an evocative meaningful text.

Back to the Batcave Adam West 1994 In his autobiography, Adam West tells the inside story of his role as the Caped Crusader. One day in the 1960s he woke up a star. The *Batman* TV show had become an overnight hit, rocketing its little-known lead actor to fame. But within two years *Batmania* had faded and West was on a downward path.

Peace Movements: International Protest and World Politics Since 1945 April Carter 2014-09-11 There is a long tradition of opposition to war and organized peace campaigns date from 1815. Since 1945, however, modern weapons technology has threatened world wide destruction and has stimulated widespread protests. This book sketches in the background of thinking about peace and resistance to war before 1945, and then examines how public opposition to nuclear weapons and testing grew in the 1950s and early 1960s. Later chapters cover the major resurgence of nuclear disarmament campaigns in the 1980s. The book also looks at how peace protest has spread from its origins in North America and North West Europe to embrace many parts of the world; opposition to nuclear testing has indeed been particularly strong in Japan, Australia, New Zealand and the Pacific islands. The period 1945 to 1990 was dominated by the Cold War between the USA and USSR, and the role of the Soviet-sponsored World Peace Council caused difficulties for independent peace groups in the West. During the 1980s the emergence of autonomous peace activity in a number of East European countries, and even on a very small scale in the USSR itself, transformed the possibilities for East-West co-operation between citizens to urge disarmament and political change. A chapter examines these developments. Opposition to all forms of militarism has spread in the last 30 years. This book charts the struggles to extend the right to conscientious objection to military service, and draft resistance to particular wars - for example in Southern Africa and Israel. It also looks in some detail at the growing opposition to the war in the Vietnam. The recent protests against the Gulf War are surveyed briefly in an epilogue.

Daimon Abel Posse 1992 The story of Lope de Aguirre, a conquistadore, who dreamed of setting up his own empire in the Amazon and conquering the world.

Divine Healing Andrew Murray 2018-03 Many throughout the body of Christ view Andrew Murray as a man of God who has left a lasting impact on the world with his life. Even though he has passed on to be with the Lord, his works live on. *Divine Healing* is a book written to teach the body of Christ about a most misunderstood subject, namely - divine healing. With over 30 chapters, he expounds on the topic citing the Scriptures. Surely it is a book to look into if you are interested in this very topic. May God bless you as you read this book!
